

The School of Innovation Spark Remark

05-18-2018

It is hard to believe this is the last newsletter of the 17-18 school year. It was an honor to assist in the development of your child this year, and we hope to see them all back for the 18-19 school year. A few notes of interest:

- Grades 5-7 received MS course selection sheets today. Please return by Tuesday, May 22nd.
- If you are moving, but staying in the W-E district, please call Mrs. Igarashi to find out what new paperwork the school needs.
- If you are moving, and not staying in the W-E district, please call Mrs. Igarashi to find out what we need in order to forward your child's records to their new school.
- If you have questions please call or email us!

Weekly Schedule

05/21 BLUE DAY
10:00 am 5th grade party

05/22 WHITE DAY

COMING IN 2019

SOI IS GROWING! We will have high school students beginning in the 19-20 school year. As part of the high school development we have hired our core 9th grade teachers! Please welcome the following new faculty (Fall of 2019):

- Heather Langguth - currently at North HS (ELA)
- Jessica Mormino - currently at South HS (SCIENCE)
- Steven Norris - currently at South HS (SOCIAL STUDIES)
- Meg Skinner - currently at Willowick Middle School (MATH)

Welcome to SOI new teachers! We are looking forward to your visits during the 18-19 school year!

Message from the Nurse

If your student has medication in the clinic, the last day for pick up is the last day of school, Wednesday, May 23rd. Inhalers will be sent home with students on the last day of school, unless otherwise notified. If your child will need to have medication at school during the 2018-2019 school year, forms can be printed from the district web site or contact the clinic at 440-283-4034 and we can send them home with your child.

Thank you and have a wonderful summer!

Saturday

May 19th

10am - 1pm

(Rain or Shine!)

Produce Place Market

(formally Sun Plum Market)

2740 SOM Center Rd

SOI 6th Graders will be selling varieties of lemonades in front of the market. Our 3rd graders have designed and created laser etched Mason Jars that will also be sold. Profits and donations from the lemonade and Mason Jars sold will be given to the Alex's Lemonade Stand Foundation benefiting child cancer research.

Please stop in and support our service project!

THIRD GRADE HAPPENINGS

Updated 05/18/18

lisa.reed@weschools.org

sheila.roszczewski@weschools.org

pam.wadsworth@weschools.org

ALMOST FOURTH GRADERS!

We've had a great time working on our energy projects. The kids have been working really hard becoming experts about their type of energy! They will be teaching each other about what they've learned. We are hoping to present them to our "MELTS" groups by the end of this week or the start of next.

Kids are finishing up writing persuasive writing on their inventions as well as a fictional narrative. Some of our 3rd graders volunteered to "act" in the talent show here at school, all of the performances have been great!

We are lucky enough to see the school play here at school, in case some of us didn't make it at one of the evening performances.

ALMOST NEW SOI THIRD GRADERS!

We are looking forward to meeting all of our new third graders! Our 'old' third graders have left you something in your cubbies for the beginning of the year. Look forward to meeting lots of new friends - you're going to love it here! It's going to be a great school year! Hope you have a great summer!

Invention Convention

- We are excited to have our Invention Exhibition on Monday, May 21st. Parents are invited to come and view the Exhibition from 1:45 - 2:30.
- Students have been working hard on their inventions and are eager to show everyone their ideas.

Thank You!

- We have enjoyed having each of you in class this year! We are so proud of the hard work and effort you have put forth and know you will continue to be successful next year in 5th grade :) Enjoy your summer and be safe!

End of the Year

- Thank you parent volunteers who helped out on Field Day!
- We were able to watch many students participate in the talent show and the drama play this week. You all did a great job :)

The BAM FAM

SOI 5th Grade 2017-2018

Updated 05/18/18

Important Announcements

- **5th grade party at Metroparks:** Monday, May 21st. Please see the invitation sent home (and in dojo) for details. Also, students are to wear the SOI t-shirts that were passed out Friday. Please dress for the weather :-)
- **Clap Out on Wednesday!** Parents are welcome to come to the school at 2:15 to clap their child out of elementary school and into middle school.
- **Connect4 Responses-** If they haven't turned in all 4 responses yet, we need them by Monday please.

Thank You

Parents,
Thank you so much for all your contributions this year! From volunteering at parties, field trips and field day, to sending in donations and helping your child at home- It is ALL appreciated! You are key to their success! Have a wonderful summer!
The BAM Fam!

Upcoming 5th Graders

Once you arrive in 5th grade, you will become part of the BAM FAM--The Bonick, Alvord and McCullough Family! We are so excited to work alongside you next year. We hope that you grow academically and as collaborators! We have so much planned for you next year!!! Enjoy your summer and we will see you soon!
Mr. Bonick, Mrs. Alvord and Mrs. McCullough

Moving Forward
& Starting New

Lemonade Day!

The end of the school year is drawing near, and looking back, we are touched by the connections that have been made with students and parents. Our students have worked hard this year and have made huge strides toward their futures. We watch with anticipation as

Morgan, Gianna, Noelle, Calla, Myla and Alivia

Saumil, Alex, Aiden, Joey and Riley

Grady, Ben, Logan, Charles and Ethan

Sarah, Vivian, Savannah, Kailey and Cora

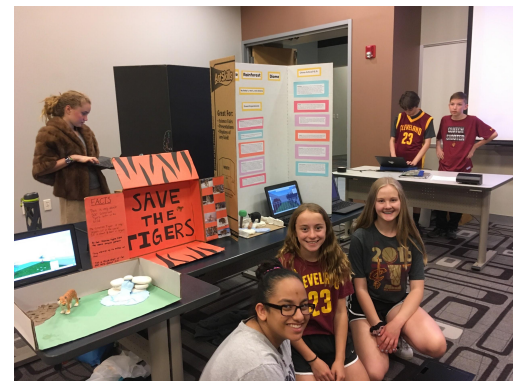

These groups are representing SOI at our Lemonade Day Sale at Produce Place Market on Saturday May 19th

7th Grade SOI Sparks

Parents please watch for an 8th Grade Course Selection Sheet and a Walking Field Trip Permission Slip. Both were sent home with your student today!

ZOO PBL

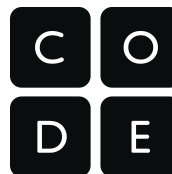

Today students shared their zoo designs in which they considered: safety, cost, accessibility, experience, technology, biomes, culture, plant and animal life, sustainability, and animal care. Thank you to those who were able to attend and thank you to everyone for a wonderful year!

SOI ENCORE PAGE

AND

Elementary Art Classes:

Thank you for a great year! I can't wait to continue the fun next year with all of you again. 5th graders we will enjoy making websites and working on art. We will have a blast!

Middle School Classes:

Thank you for allowing me to explore code.org this year with each of the classes. I hope you had as much fun and learned as much as I did. I can't wait to continue working with the 6th graders next year on code.org! To my 7th graders.....I've enjoyed having all of you another year! Thank you especially to the group of 7th graders who worked with me all year on completing all the units for code.org. I appreciate your extra work!!!

I hope everyone as an awesome summer and I'll see you next school year!!!!

P.E NEWS

Thanks to all the helpers that made Field Day a success and a fun experience for the students of SOI.

Music

Attention 4th Graders

It's time to sign up for 5th Grade Band.

Registration forms were sent home this week.

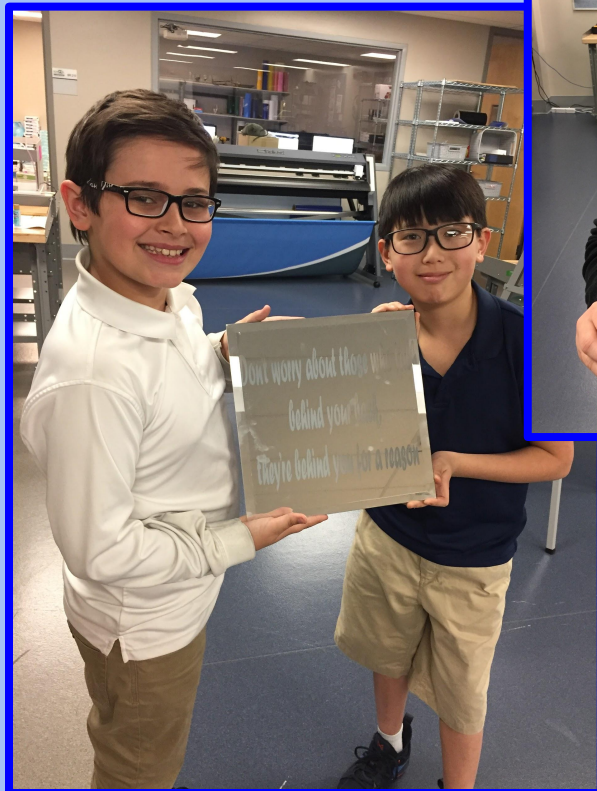

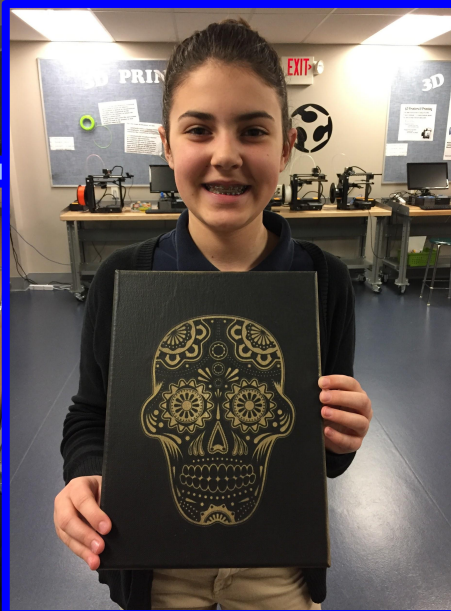

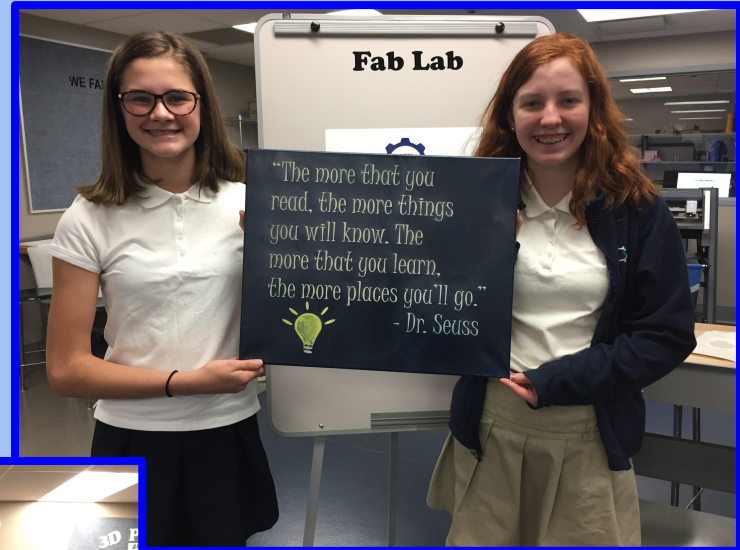

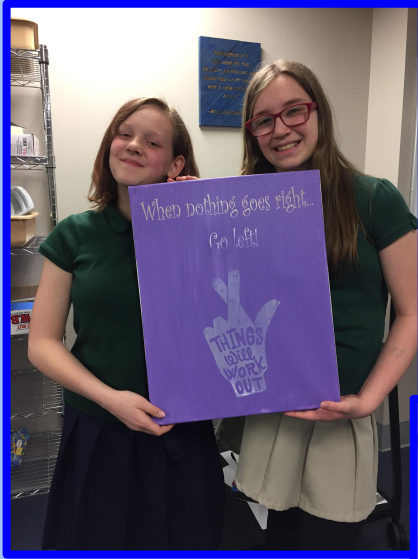

My goal is for 50 4th Graders to try band for 1 year.

Please return the registration forms before the end of the school year.

E-mail me at joshua.woodie@weschools.org with any questions..
