SOI Holiday Service Project

School of Innovation Stocking Project

The School of Innovation students are at it again! Over the past 7 years, Willoughby-Eastlake students have partnered with the Cleveland Police Department, District 2 officers to give stockings filled with goodies to children in need in Cleveland. Last year we donated almost 300 stockings!

Again this year, School of Innovation students will have the opportunity to fill a stocking (or two) using a list of suggested items. Of course, this is an optional activity, but if every student filled at least 1 stocking we would be able to donate 300 stockings...we were SO close last year! It's also okay if family members want to help out too! If you are interested in filling a stocking, see the attached permission slip (in the email the newsletter was delivered). Students will receive their stocking upon receipt of the form. Filled stocking can be returned to school any time from now until Dec. 11th.

Thank you so much for your support!

***Note: Items in the stockings should be appropriate for a boy or a girl ages 7 - 12.
