From: 7— 10pm

Cost: \$6

**Where: EPAL Center
600 East 349th Street
Eastlake / Ohio 44095**

The Teen Dances were established to give kids in 5th through 8th grades a safe environment and a night of entertainment on Friday nights. The dances attract anywhere between 100 to 300 kids per dance. At the Dances we also provide a snack bar area where the kids can get candy, pizza, hot dogs, French fries, etc or pop or water. The Center is used during the dances with the pool tables, air hockey, fuse ball, arcade games, and a room with tables and chairs. The dances are staffed with at least eight adult chaperones consisting of Auxiliary Police officers and parents. The PAL Youth Committee members also participate in the dances by setting up, helping in the snack bar, running the lockers (which provide a safe and secure place to check belongings). The Dances have been a real success for our PAL program by providing Mentors and building relationships with our youth.
