

A BOOK AND A BUNNY

Please help us support early literacy by donating a book and a stuffed bunny for our preschoolers.

How can you help?

You can donate a book, a stuffed bunny, or make a monetary donation (see below) so that we can purchase items to ensure that every preschool student can enjoy a new book with their family! Donations are accepted at the address below. Thank you for helping our youngest learners!

Early reading experiences provide opportunities to build language and literacy skills. Studies show that children whose parents read to them have an expanded vocabulary and do better in school than children who are not as fortunate.

The Willoughby-Eastlake Preschool ensures that every preschool student gets to take home "A Book and A Bunny" to read with their family for spring break.

North and South High School athletes will read to the students and deliver their books and bunnies!

Name: _____ **Email Address:** _____
