Improve Student Achievement!

Message from Mrs. Hoynes & Mr. Samber

March 23, 2018

A huge thank you to all who participated in our One School One Book program throughout the last few weeks. The feedback we received from students and parents was great and we look forward to participating in this again next year with a new book. Our students had so much fun today as we brought the program to a close with The County Fair. Students got to enjoy carnival games and snacks, country line dancing, and makerspace activities. They even got to see a tractor and some animals from the farm, including Wilbur himself! Thank you to those parents and guests who volunteered their time to help make this day successful. This week we recognized students in grades 2-5 who made Merit or Honor Roll for the third quarter. This is a great accomplishment and your children should be very proud of their hard work. Let's continue to achieve throughout the fourth quarter. When we return from Spring Break, we will soon begin our district and state-wide assessments (MAP and AIR). See the schedule on page two for the AIR schedule. It is important that students are at school on time during their designated testing days. If your child is participating in the Compass Challenge, the forms are due back to school on Friday, April 6th. See the attachment for a sneak peek at the prizes that these participants have a chance to win! The more activities they complete, the better chance they will have at winning a prize! The next Bulldog Blast and Bulldog Broadcast will be sent on Friday, April 13th. We hope you all have an enjoyable and restful Spring Break! We look forward to seeing our Bulldogs back on April 3rd!
