

Grant Elementary School

Improve Student Achievement!

Message from Mrs. Hoynes & Mr. Samber

April 27, 2018

It's hard to believe next week is May already! Where has this year gone?! This week we enjoyed watching the talents of many of our students. They all did a great job at the Talent Show! We are nearing the end of assessment season. We appreciate your support with ensuring your children are in school and well-rested. We have some fun upcoming events to look forward to including: field trips in grades 2, 3, and 5, Captain's Reading Night, field day, school picnic and 5th grade day. We will also be recognizing our teachers throughout the week of May 7th. Teacher Appreciation Day is Tuesday, May 8th. Please be sure to view the attachments on this blast as they have some information about the school picnic and makerspace donations for next year. This is the time of year that we begin planning for the 2018-19 school year. Please use this link to share feedback that will help in the planning process. <https://goo.gl/forms/JZizuaVpajIbv65J3>. Also, don't forget to check out this week's edition of the Bulldog Broadcast. Have a warm and sunny weekend! <https://youtu.be/3Y8MPRv8vds>

ISSUE 2 - LEVY RENEWAL PLEASE VOTE

Issue 2 is the renewal of an emergency operating levy that was originally passed in 2003. Passage of Issue 2 will NOT increase taxes.

In order for the district to continue to receive approximately 8% of its budget, this levy must be renewed every 5 years. The funds from this levy are used for instructional purposes and its failure would impact classroom instruction, course offerings and daily operations of the district. If the levy were to pass, the revenue received by the district will remain constant, educational programming will continue at its current level and taxpayers will NOT see an increase in their taxes.

Issue 2 funds are used only for daily operations and are not used for construction of our new school buildings.

Levies are for learning; bonds are for buildings. Please remember to vote on May 8th.

Nothing else has changed - just our address! So that we may be good stewards of our resources, you may continue to see some preprinted materials with the Hurricane Drive address until these supplies are depleted.
