Dear Potential Community Sponsor,

At Grant Elementary School, we focus on providing students with the best education possible. To continue to offer a top-notch education and to best meet the needs of our students, we will continue to improve our technology, makerspace, flexible seating and other resources to allow our students to be creative and critical thinkers. To help make this happen we will have our 2nd Annual Bulldog Fun Run. Of course, none of this would be possible without the generous support from our community. With past donations from the community we have been able to improve some of our technology, add resources to our makerspace, and build a beautiful playground area for our students.

Please see the attached form to learn how to become a T-SHIRT SPONSOR for our Bulldog Fun Run or how to make a monetary and/or material donation. The Bulldog Fun Run will take place in September of 2018.

All of us at Grant Elementary thank you for your time and consideration in advance!

Sincerely,

Laurie Hoynes
