## THE TIME IS NOW!

It has been more than 45 years since Willoughby-Eastlake School District has asked for money to rebuild facilities. Currently our buildings are in need of \$30 million in roof repairs alone. It is time to address the failing facilities so that your schools will remain viable.

Please visit [Supportweschools.org](http://Supportweschools.org) in order to learn more about your opportunity to change the future.

## WILLOUGHBY-EASTLAKE SUMMER LEARNING CAMP.... IT'S NOT YOUR TYPICAL SUMMER SCHOOL

**Is it possible to offer a program that is rich in math and English language arts lessons, and provide engaging enrichment opportunities without local tax dollars? YES!**

This past summer, more than 300 students attended the Summer Learning Camp for four weeks at Grant Elementary School in an effort to prepare them for the next grade level and IMPROVE STUDENT ACHIEVEMENT. This program was funded entirely with Title I monies which meant that students were able to obtain a high-quality education while keeping costs down. [Read More >>>](#)

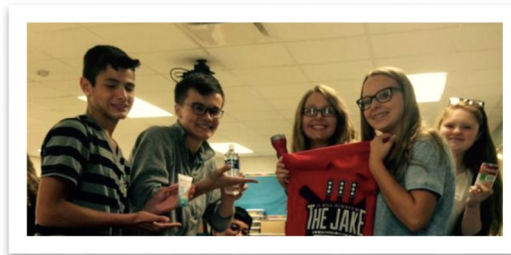

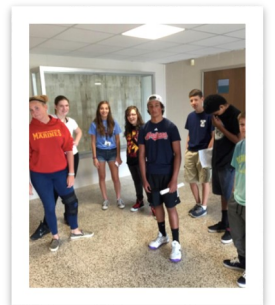

## DID YOU KNOW?

Willoughby-Eastlake has added some new and exciting electives and higher level course offerings for the 2015-2016 school year. These additions include: AP Psychology, World History, Human Anatomy and Physiology, Current Issues and Trends in Science, Graphic Design, Computer Aided Design 2D-3D, International Business, Introduction to Business, Personal Finance, Sports Statistics, Algebra Connections, and Career Explorations. These new courses offer a wide variety of opportunities for students of all interests. In addition, high school credit can continue to be earned in the middle schools for Honors Algebra I, Honors Geometry, Honors English I, Computer Science I, and Spanish. Honors courses in the middle school are offered in the core content areas.

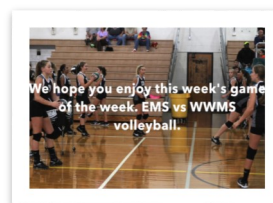

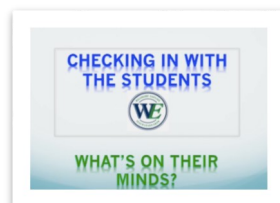

## WHAT IS REBEL GROW?

Rebel Grow is a comprehensive Advisory Program that provides freshmen students with support as they transition to high school. Special emphasis is placed on preparing students academically and socially for their four years at South High School. The program is run by upperclassmen students under the direction of a classroom teacher. [Read more >>>](#)

## DISCOVERING OUR WEBSITE...

In addition to "Check-In With the Sup" we have added "Check-In with the Students" and "Sport of the Week." These videos will be updated weekly in an effort to keep you informed and in touch with our students. To view our newest videos click below or visit [weschools.org](http://weschools.org).
