Where Eagles Learn to Soar!

## Message from Mrs. Threat and Mrs. George

February 26, 2016

Hello parents! In an effort to keep our students safe both in school as well as out of school, I would like to address an issue that is becoming increasingly prevalent in schools across the country. **Cyber bullying.** Cyber bullying occurs when a child or teen uses the Internet, emails, text messages, instant messaging, social media websites, online forums, chat rooms, or other digital technology to harass, threaten, or humiliate another child. Please speak with your child about cyber bullying and the effects it could have on the perpetrator as well as the victim.

### 4TH GRADE SERVICE PROJECT

In conjunction with the Lion's Club, 4th grade students are collecting used or outgrown eyeglasses. There is a collection box in Mrs. Bittner's Room E2.

## CULTURAL CORNER

By Monica Falzone

Did you know... Students from India attend all English speaking schools in India? Also, the English spoken/taught in India is usually British English. So if you hear a bit of an English accent from your Indian student that's why!

### OUTSTANDING EAGLES

Staff members can nominate students who are *SOARING* by showing **OUTSTANDING** behavior. The student will receive a red ticket that they can exchange for a prize on Friday. The student's name will be read on the announcements on Monday, and their name will be in this space!

[ybpay.lifetouch.com](http://ybpay.lifetouch.com)  
**\$15 each**  
See attached flyer

### DROP OFF/PICK UP

Please do not exit your vehicles when using our drop off and pick up. It slows down the procedure. If you **MUST**, then we ask that you please park your car in the parking lot. Thank you!

### 2015-2016 STATE TESTS

Students in grades 3-8 will be taking new tests in Mathematics and English Language Arts. The tests are developed by the American Institutes for Research (AIR). These tests will be administered during the month of April. In addition, 4th graders will take a Social Studies test, and 5th graders will be taking a Science test.

These tests are a computer-based test. The tests include questions that require the student to interact with objects, respond to multiple parts of a question, problem solve and explain their answers.

### WEATHER NEWS

During inclement weather, please watch for Willoughby-Eastlake City Schools in Lake County on the news channels. There is an Edison Local School District in Erie County that it 2 hour delayed quite often. **This IS NOT our school district.**
