Dear Grant Families and Community,

We had a successful first year with our new Makerspace. Our bulldogs were able to be creative, think critically, have choice, and much more in our Makerspace this year. We plan to continue and build on our success next year. We are in need of more household supplies to help stock our Makerspace. Attached to this letter is an explanation of the purpose of our Makerspace, a list of needed supplies, and pictures of our bulldogs in action in the Makerspace. Any Makerspace donations would be greatly appreciated. Feel free to contact Mrs. Hoynes or Mr. Samber with any questions. Donations can be dropped off in Grant's main office. Thank you for all of your continued support of Grant Elementary!

Laurie Hoynes - Principal laurie.hoynes@weschools.org 440-283-4111

Michael Samber - Assistant Principal michael.samber@weschools.org 440-283-2194

- A place to be challenged
- A place to build things
- A place to play games
- A place to create stuff
- A place to have fun
- A place to solve puzzles
- A place to open my imagination
- A place to make things
- A place to be creative
- A place to use technology
- A place to draw and write
- A place to explore
- A place to design stuff
- A place to have choices
- A place to learn new stuff
