

Career Academy News *May/June 2016*

Willoughby-Eastlake Career Academy, 25 Public Square, Willoughby, OH 44094
Susan Roseum, Director 440.602.5092

Congratulations to our Medalists in the SkillsUSA Ohio competitions that were held in Columbus on April 26:

Esthetics

Bronze Medal:

Emily Burrington (*and model Kayla Heasley*)

Welding

Gold Medal:

Connor Roberts

Community Service

Silver Medal:

The Team of John Coffey,
Jaden Prall, and Preston
Stillisano

All of competitors worked very hard and represented the Career Academy with their stellar performances.

Willoughby-Eastlake has joined the Excel TECC consortium for Career Technical Education. This means we are now in a consortium of ten school districts and eleven high schools, which will provide many new opportunities for students in the district. We currently have a few openings in programs for the 2016-2017 school year. If you are currently a Sophomore and are interested in one of the exciting Career Tech offerings, see your Guidance Counselor.

While it will be difficult to move programs out of our downtown Willoughby home, we are excited about the move to our new facility at 34343 Euclid Avenue in Willoughby- the former North Coast Lincoln Mercury dealership. The renovations are well underway and work is continuing on the new building at that location.

Along with a new building, we will have a new name. The Eastlake and Willoughby campuses will now be known as the Northern Career Institute (NCI). We will continue to provide quality Career Tech programs for high school students and expand our opportunities for adult learners.

As a reminder, the last day for Junior students at the Career Academy will be May 20th.

Have a wonderful, fun-filled, safe summer. We look forward to seeing you in August at our new campus or at our Eastlake Campus.
