

# Eagle Edition

## A Note from Mrs. Threat & Mrs. Brown

Dear Edison Eagle Families,

We have had and continue to have so much going on this month of October from field trips, to the annual carnival, hygiene/sock drives, our 1<sup>st</sup> quarterly dance, Red Ribbon Week, and Halloween parties; we have been having so much fun here at Edison! Thank you to all of our family support. We cannot thank you enough for everything. Whether it be a small donation or hours of volunteer assistance, we appreciate everything!

Now that fall is here, we have noticed a dip in our temperatures (finally). Please remember that our students go outside for recess and now is the time to bring out those coats, hats, and gloves. Fall also means our district and state tests are underway. Students have completed the fall MAP tests, third graders are preparing for the Fall AIR assessment (this week!), and report cards/conferences will be this coming-up week.

We leave you with the thought that in the busiest times, like this fall season, it is the littlest things that make the difference. A simple smile to stranger, hello to an old friend, "I am proud of you" to your child, and even a "thank you" to a teacher or other staff member goes a long way. With that being said, as always, a big "thank YOU" to you for all you do!

***"A little consideration, a little thought for others, makes all the difference." –Eeyore (Winnie the Pooh)***

## Tips for Families

Updates to the following guideline regarding school lunch payments for charged meals will be implemented starting Monday, October 8, 2018. Please note there has been a change in the amount of debt a student can accrue and what can be charged when a student has a negative balance.

*When the school year starts, a student's free and reduced lunch status carries over from the previous year. The deadline to turn in a new application for free and reduced lunch will be the end of the first week of October.*

*Students can charge up to \$7.00 of debt or \$1.00 of debt if they are at reduced status for daily featured school meals (these amounts would allow the student to charge up to two (2) meals). No a-la-carte or snack items will be allowed to be charged to an account with insufficient funds. Once a student exceeds these limits, they will be provided an alternative meal to be determined by the school district and will no longer be able to charge on their account.*

*Once the account is paid in full, the cycle starts over again. All meal balances (positive or negative) carry over from the previous school year.*

Are you interested in learning about community programs for youth? Are you looking for athletic leagues or scouting troops for your students?

Information from approved organizations who host activities for Willoughby-Eastlake youth are now posted electronically. Paper flyers are no longer sent home with students. To access the flyers, visit the COMMUNITY link on the district and building website pages <http://www.weschools.org/CommunityActivities.aspx>

For specific information about the events, you need to contact the sponsoring organization. Flyers are updated periodically during the month so remember to visit often to check for new postings!

**PLEASE NOTE: Physical examinations are required** for all kindergarten students. This will need to be turned into your child's school within 30 days of starting school. Physical examinations are recommended for grades 1-12 but not required.

**Mrs. Threat & Mrs. Brown joined staff and students in getting ready for flu season by getting the flu vaccination at school with the help from Care Dox on October 11th!**

**Thank you to those who participated and donated blood to our Blood Drive this month!**

**OCTOBER 22ND-26TH is RED RIBBON WEEK at Edison.**

**Students will learn about Red Ribbon Week through announcements and activities. We hope students will participate in the Dress Up Days and...**
