

# LANCERS NEWS

The Momentum Award is the State Board's way of recognizing schools that received A's on every Value-Added measure included on the 2018 Ohio School Report Cards.

The report card for 2017-18 indicates that our students exceeded the growth expectations in English language arts and mathematics. WWMS was also recognized for recruiting and motivating the high-quality leaders and staff needed to make this happen.

Ohio's strategic plan for education, *Each Child, Our Future*, is the state's plan to ensure each student is challenged, prepared and empowered for his or her future by way of an excellent prekindergarten through grade 12 education. Our mission is to prepare students for a future that has yet to be written.
