WILLOWICK MS RECEIVED THE 2016 MOMENTUM AWARD

The Momentum Award recognizes schools that have received A's on every value-added measure included on the 2016 Ohio School Report Card.

The report card for 2015-16 school year indicates that our pupils made greater than expected progress in reading and math. This is especially commendable because of the diverse array of students with varied educational backgrounds and learning needs. Willoughby and Eastlake Middle Schools also received the 2016 Momentum Award. In addition, 54 districts and 169 schools received this award for exceeding expectations in student growth in the state of Ohio.

IMPORTANT: REPORT CARDS WILL NO LONGER BE SENT HOME

Beginning with the second quarter through the end of the school year, report cards will no longer be printed. Parents can view them through the Parent Portal of PowerSchool. To access the Parent Portal, please go to the green Parents Tab of the district website.

You can then click on **Parent Portal** to login, or click on **Parent Portal Help and Info** for help setting up your account. If you need a printed copy because you do not have technology access, please contact the guidance office at 440-295-2415.
