

2018

On Friday, May 18th, our students and teachers will be having a school picnic during their regularly scheduled lunch periods. Students are permitted to bring a towel or blanket to spread out on the grass (or throughout the building should there be rain). Students will have the choice to bring their lunch from home or buy, as usual. Since this is a special, picnic lunch, we need an idea of how many buyers we will have this day. If your child receives lunch at a free or reduced rate, this will remain the same for the picnic. Please note; however, there will not be an alternate lunch option. Please return the form below if your child will be purchasing a hot dog lunch, which includes chips, bagged carrots and milk, on Friday, May 18th. We know this will be a fun opportunity for classes to eat together with their teachers before the year comes to an end.

Please return the bottom portion by May 11th if your child plans to be a buyer on May 18th.
