All students who received an invitation to attend the School of Innovation based on the lottery drawing have either accepted or denied their enrollment option and the rosters for the 2017-2018 school year have been established. If additional spots are available in the future as a result of a student withdrawing from the School of Innovation, we will use the wait list to contact the student that is next in line to accept a position.

For example, if a student withdraws from the third grade class, we will go the Third Grade Lottery Results, identify the student who

is W1 on the wait list and contact them. If they decline placement, we will proceed to the student who is W2 on the wait list. We will follow that procedure each time there is an open position in a grade level. If a student accepts or denies placement, their status on the list will change from "Waiting" to "Enrolled" or "Declined" and their number will show as a strikethrough. If a parent withdraws their student from the list voluntarily, their status will display "Withdrawn." The lists will be updated every time an enrollment change has occurred.
