School Closings

Our calendar year differs from area school systems; therefore, we are not closed on all area school holidays. Please refer to the FAA calendar in this brochure. If The Fine Arts Association is closed due to poor weather conditions or emergency situations, closing information can be found on Channels 3, 5, 8, 19, 23, 25 and 43, and on most FM radio stations. You can also call us at 440-951-7500 two hours prior to your class/lesson. The opening phone greeting will indicate if The Fine Arts Association is closed. Closings will also be posted on our website (fineartsassociation.org) and our Facebook page as soon as they are decided.

**Get FAA Closing Alerts
sent directly to you!**
**Sign up on Channels
3, 5, 8 and 19 to get
closing alerts sent
directly to you from
the stations!**

Register by January 6, 2018 and receive 3% off!

“Family Ties” Spring 2018 Session **Think Spring!**

Mondays, January 29 – May 14, 2018 (14 weeks)
(Family Ties will not meet on February 19 and April 2, 2018)

Sharing Day Performance: Monday, May 14, 2018 – 7:00 pm in the Corning Auditorium

(Students meet during the day as regularly scheduled. They then participate in the Sharing Day Performance at 7:00 pm for family and friends. This performance is free and open to the community.)

Daily Schedule: Students rotate through four 55-minute classes in visual arts, theatre, music and dance. All students meet for lunch and outdoor time from Noon-1:00 pm. (Students should bring their own bag lunch.)

Homeschool Curriculum Overview:

The *Family Ties* Homeschool Program provides enriching, hands-on arts experiences designed specifically for homeschooled students ages 5-13. Students are divided into two age groups: lower school (LS) and upper school (US). Caring, experienced faculty guide students through visual arts, theatre, music and dance classes. Students share what they have learned with family and friends when they gather for a celebration of the arts at the close of each session.

During this session, we'll celebrate friendship and all things spring!

Winnie the Pooh

from the stories of A.A. Milne

Bonus! The Spring 2018 session also includes the opportunity for homeschoolers and one accompanying adult to attend the Thursday, March 1, 2018, 11:00 am performance of *Winnie-the-Pooh* at The Fine Arts Association.

Our homeschool curriculum is aligned with the Ohio Department of Education's Academic Content Standards in Fine Arts.

Fees & Enrollment for Music Instruction

Music students are asked to commit to taking 18 half-hour lessons during the 2018 Spring Session. However, new students may register for private music lessons any time throughout the year. Hour-long lessons are also available. You can inquire about an instructor's schedule and fees by calling our Customer Service Center at (440) 951-7500.

Music students may pay their tuition in full (and receive a 3% early registration discount if they register by Saturday, January 6, 2018), or they may take advantage of a payment plan. If using the payment plan, students pay the first payment installment at the time of registration. The four remaining installments will be charged to a **credit card** (Visa/MasterCard/Discover) provided at the time of registration on the following dates: February 16, 2018, March 16, 2018, April 20, 2018, May 18, 2018.

If using a payment plan, ONLY the Willoughby resident discount is applicable. No other discounts apply. Refer to the Policies section on pg. 42 for complete payment plan information or call the Customer Service Center at (440) 951-7500.

Continuing Music Students

Students who took music lessons during the Fall 2017 Session **and wish to continue with the same lesson day and time** during the Spring 2018 Session, have until the end of the business day on **Saturday, January 6, 2018**, to retain their current timeslot. Tuition must be paid by that date either in full or via the payment plan option (see pg. 42). **Students who have not registered by the end of the business day on January 6, 2018, risk losing their timeslot.**

Need an extra lesson or two?

As the session ends, please note that music students are always able to add a lesson, as long as it works within their instructor's schedule. For more information on adding lessons during session breaks or when preparing for an upcoming performance, please contact Jeannie Fleming-Gifford, director of education at 440-951-7500 x118.

Earn College Credit for Music Instruction

Junior & Senior High School Students

Did you know that you can receive college credit for private music instruction here at The Fine Arts Association? Lakeland Community College (LCC) offers a College Credit Plus (CCP) to qualified high school juniors and seniors who enroll in music lessons at Fine Arts as an LCC student. For details on how to receive college credit through the CCP program, contact tcooper@lakelandcc.edu or call 440-525-7261. Qualified high school juniors and seniors can also earn college credit by taking music classes at LCC such as Music Theory, Music Appreciation or by performing in one of the LCC community ensembles: concert band, orchestra, chorus and/or jazz orchestra.

Current Lakeland Community College Students

Students who are planning to transfer to a baccalaureate program in music are advised to take private lessons on their major instrument or voice during every semester in which they attend Lakeland, and should contact Dr. Matthew Saunders, music department chair at msaunders4@lakelandcc.edu or (440) 525-7105.

Current Lake Erie College Students

A total of 15 lessons equates to one credit hour. Lake Erie College students who want to register for private lessons must register at both The Fine Arts Association AND at Lake Erie College. For more information and/or questions, contact the LEC Registrar's Office at 440-375-7010 or register@lec.edu.

For further questions on receiving college credit, contact Jeannie Fleming-Gifford, FAA director of education at 440-951-7500 x118.

Music Classes & Performance Groups

In addition to private one-on-one music instruction, The Fine Arts Association offers music classes, performance groups and ensembles in which students can participate. No auditions are required!
Come learn and have fun!

Suzuki Instruction

Dr. Shinichi Suzuki began to teach music by applying the basic principles of learning language. When learning a language, one listens, speaks, reads and writes, in that order. In the Suzuki approach, the student listens, plays, then reads and writes.

What is different about The Suzuki Method?

- » Parental involvement. Parents attend weekly private lessons and group classes with their child and serve as home teachers during the week.
- » Formal music training may begin at age 3 for stringed instruments and age 4 or 5 for piano.
- » Repeated listening to recordings of the pieces is the single most powerful factor in the success of the Suzuki method. It is akin to the natural way one learns a language through their environment.
- » Repetition is essential in learning to play an instrument. Each music piece becomes a building block for the careful development of technique.
- » Group participation. In addition to private lessons, students participating in Suzuki instruction are strongly encouraged to participate in weekly group lessons and recitals. Group lessons provide new opportunities to learn with others, provide motivation and also teach music theory, history and music appreciation.

Students participating in Suzuki instruction are strongly encouraged to participate in weekly group sessions.

Music Therapy is the structured use of music experience by a trained professional to help individuals of all ages and abilities achieve specific goals such as attention to task, motor development, appropriate social interaction, language development, positive self worth, emotional expression and much more.

Fine Arts Association Scholarships are offered for Music Therapy through a variety of sources including the United Way of Lake County. To obtain a scholarship form, contact the Customer Service Center at (440) 951-7500 x100. Third party pay is welcomed and accepted from Deepwood, NEON (Cuyahoga County and Lake County), Family and Children First Council, Zanes Foundation and several other organizations. Private insurance, Medicaid and Medicare are not accepted.

Individual Sessions are scheduled as 45 or 60-minute sessions once per week (30 minute sessions may be available as determined by the MT-BC). Sessions are designed to meet the individual's language, communication, developmental, social, cognitive or motor need(s). The music therapist supports the individual's journey by establishing a positive therapeutic relationship that allows the individual to meet attainable goals determined by the therapist in close collaboration with parents and/or caregivers. Individual sessions include a progress summary. An assessment is required prior to registration.

Social Groups are available for 2-3 peers (typical or similar) in 45 or 60-minute sessions once per week. Sessions focus primarily on proper social interaction, eye contact, sharing, teamwork, taking turns and more, all in the context of group music making. The music therapist works closely with each individual to address their specific social need within the group setting. **FAA current MT clients** should seek prior approval from your MT-BC before enrolling in a social group. **New FAA clients** must register for a 30-minute trial session with a MT-BC for placement into a social group.

Adapted Music Lessons are available on guitar, piano, drums or voice for children through adults with special learning needs. Lessons are taught by one of our trained music therapists who incorporate adaptive techniques to facilitate a successful music experience for the individual on his instrument of choice.

Off-site Services are available to preschools, private/public schools, nursing homes, hospitals and other community-based agencies in Lake, Geauga and Ashtabula counties. Whether for a group or individual session, services are tailored to the specific needs of the agency.

For information on Music Therapy services or to schedule an assessment, please contact the Music Therapy office at (440) 951-7500 x124 or Jeannie Fleming-Gifford, director of education at (440) 951-7500 x118.

Dance at Fine Arts

The Fine Arts Association's dance program allows students to enter at any level and/or style appropriate to both ability and age. Students new to Fine Arts with previous study in dance will be scheduled for a placement assessment by appointment with a dance faculty member. Students are evaluated annually to continue proper placement in a challenging class setting. Please note: ages are guidelines for each dance level.

New to the dance program at The Fine Arts Association?

Visit www.fineartsassociation.org/classes/dance.html for "New Student Info" which includes helpful suggestions on obtaining dancewear, etc.

Young dancers are offered creative movement and ballet/tap combination classes which provide a basic foundation of dance terminology and movements. Using familiar locomotor and non-locomotor steps, students develop increased coordination and spatial awareness.

After studying at these levels, it is typical for a student to continue their dance education in classical ballet, tap and/or jazz. Serious dancers should consider pursuing study in all three styles as the demands of the profession require versatility. For tap, jazz and modern students, parallel study in ballet is strongly recommended as dancers refine placement/alignment while performing demanding stylized choreography.

Students studying in the upper levels will develop technical proficiency, style and performance qualities as they are challenged by advanced vocabulary and complex combinations.

Ages are approximate guidelines. Students are placed in class based on experience and current ability.

Dance classes (except for Yoga classes) will perform in either the Early Childhood Dance Showcase, the Junior Recital OR the Senior Recital. These will be held at Andrews Osborne Academy. There are no costume fees for this year's recitals. Complete information will be distributed during the Spring 2018 session.

Recital Dates & Times:

Early Childhood Dance Showcase: Saturday, June 9, 2018 at 11:00 am

Junior Recital: Friday, June 8, 2018 at 5:00 pm

Senior Recitals: Friday, June 8, 7:30 pm and Saturday, June 9, 2018 at 2:00 pm

The Visual Arts Program at Fine Arts

Drawing Classes

Small class sizes, studio-based setting and professional instruction are the basis of FAA drawing classes. Project and technique focus varies with each session, allowing students to acquire skills in various mediums. Mediums include: chalk, crayon, graphite, marker, pastel, pen and ink, colored pencils and more! Teens are invited to bring a picture or other object to class as a core project which they complete during their class session.

Painting Classes

Want to learn something new or perfect your technique? The Fine Arts Association's painting classes provide the novice through advanced student the opportunity to explore paint mediums (acrylic, tempera, watercolors and more) while working in a studio-style, supportive environment.

Creative Painting and Drawing Classes

The perfect combination! Students learn the basics of drawing and painting as they work in multiple mediums: pastels, charcoal, tempera paint, watercolors and more. Observation and imagination are encouraged as students develop their creative and technical skills and create their own art portfolio.

Mixed Media Classes

Want to explore a bit of everything? Learn something new? From self-portraits to collage to cartooning to sewing and design, these classes provide opportunities for creative people.

Ceramics

Students create projects from clay, then glaze and fire them onsite at The Fine Arts Association. Ceramics projects vary by age and interests. Examples include: trinket boxes, animals, plates, cups, frames, coil pots, piggy banks, baskets, tiles, beads and more!

Ceramics classes for teens and adults have an additional clay fee of \$10 per bag. Ceramics tools are also available for \$12 per kit. Tools and clay can be purchased at the Customer Service Center. Unless indicated, most courses are designed to permit students to continue from previous sessions. New students are always welcome!

Only ceramics projects completed onsite during class at The Fine Arts Association will be fired using Fine Arts equipment.

Please note that ALL Visual Arts courses have new projects each session. Materials fees are included in the class tuition unless indicated otherwise. Cover-up smocks are provided for preschool art classes.

Early Childhood Classes

New projects EACH session! Ignite your child's imagination – fuel their creativity!

Young children are natural explorers and the visual arts provide sensory, expressive and social opportunities. Early childhood classes are designed to provide experiences with multiple mediums (paint, drawing tools, clay) and value the process of art-making over the products created. Dress for mess and come for fun! Smocks and all materials are provided.

Parents/guardians of preschool-age students (below kindergarten age) are requested to stay onsite during classes. Please be in proximity to the classroom space in order to assist your child with toileting needs and/or need of additional support.

Painting Explorations (ages 1-3 w/adult) *Choose one session.*

Little ones with a favorite adult explore homemade paint recipes (food-based) with a variety of kid-friendly painting tools and toys in an open, creative environment. Adults create a seasonal keepsake artwork with the hand/footprints of the munchkin attending class.

Private Visual Arts Instruction

Private instruction in visual arts is available. Visual Arts classes at The Fine Arts Association are designed to provide students with a balanced and progressive instruction in all art media. Individual instruction should be viewed as a supplement to regular art classes, not as a substitute. Students may be asked to purchase their materials (i.e. canvas, paint, etc.) For more information on available times and pricing, contact Jeannie Fleming-Gifford, director of education at 440-951-7500 x118.

Art Therapy – For individuals with special needs

Art Therapy... “the therapeutic use of art making,” used to promote physical, social and emotional health and well being.

Everyone... can make art. In Art Therapy, ANY person can be successful, regardless of their ability. No prior arts experience is required.

Benefits... of Art Therapy may include improvements in fine motor skills, participation, attention span, social skills, turn-taking, quality of life, creative expression and self-awareness.

Assessment... is required for new clients. During the one-hour assessment session, the potential client is exposed to a variety of art mediums in which the art therapist makes observations regarding behavior, motor skills, cognitive skills, language/communication skills and interest. Immediately following the assessment session, the art therapist discusses potential goals in Art Therapy with parents/caregivers and makes a recommendation for inclusion into the program. To schedule an assessment session, contact Jeannie Fleming-Gifford, director of education at (440) 951-7500 x118.

Collaboration... is key! The Art Therapist (ATR) works closely with parents and caregivers to develop goals based on the individual’s physical, behavioral, social, emotional, cognitive, language and communication needs.

Sessions... take place once a week for 45-60 minutes where the art therapist works with an individual or group to participate in art-making experiences. Sessions provide a balance of art-making, talking and processing. Each session is unique and driven by the unique goal(s) of the client(s). Art Therapy sessions may take place onsite at The Fine Arts Association (38660 Mentor Avenue, Willoughby) or at an offsite location.

Art making sessions may include:

- » Drawing
- » Painting
- » Creative Sculpture

Fees... for assessments, adapted art lessons, individual and group Art Therapy sessions can be obtained by contacting The Fine Arts Association Customer Service Center at 440-951-7500. Scholarships are available through the United Way of Lake County for those families who qualify. Please contact Jeannie Fleming-Gifford, director of education at 440-951-7500 x118 for a scholarship application or for offsite Art Therapy services and rates.

For information on Art Therapy services or to schedule an assessment, please contact Jeannie Fleming-Gifford, director of education at (440) 951-7500 x118.

Theatre students of all ages explore and develop their acting skills through a variety of immersive, hands-on theatre classes designed for learning and fun. For each age level we offer both beginning and advanced level classes depending on the student's needs and ability. Basic techniques include, but are not limited to: vocal projection, diction, memorization, and blocking (stage placement). In advanced classes students will hone their craft, as well as become more comfortable with character choices and development, script analysis, stage presence, and line delivery. Students with prior training from outside organizations will meet with faculty to determine placement in various programs.

Silly Shenanigans (ages 6-9)

If you are a Shel Silverstein fan or you just love acting wickedly silly, this class is for you. In this theatre class, you will BECOME the caricatures that Shel creates in his off-the-wall, slyly giddy mind. Leave your everyday ordinary humdrum lives at home and step into the skins of wildly imaginative, cunningly clever, vivacious characters. Character development, monologue preparation and auditioning skills will be emphasized. Class culminates in a performance for family and friends in a *Sharing Day* on the last day of class.

TSP1805	Thursday	4:30-5:30 pm	18 wks	Steck	Room 156	\$216

----------------	---------------	---------------------	---------------	--------------	-----------------	--------------

Shake It Up! (ages 9-12)

Ever wish that you could become your favorite character from your favorite book? If so, then this is the class for you. Bring your favorite characters to life through YOUR imagination and talent. Play theatre games, do "on the spot" improv work and work on confidence building, vocal projection, movement, diction and pronunciation. There are opportunities to present various kinds of writing: poetry, newspaper articles, literature, and self-created speeches. Feel free to bring your favorite piece of writing to the first class. The last class of the session is dedicated to a *Sharing Day* where you present your new skills to friends and family in the Corning Auditorium.
