Dear Patrons:

I am honored to have joined the Willoughby-Eastlake Public Library in April to replace Kathy Williams as Director.

In my short time here, I have learned the great strengths of WEPL as well as those of the seven strong communities that the Library serves. From our friendly and accessible staff to our creative and focused programming to our wide-ranging and significant community outreach, WEPL wants to strengthen and improve the communities it serves.

Please call me at (440) 943-2203 or email me at rick.werner@welibrary.info if you have ideas on how the Library can do even more to contribute to the well being of the whole community.

Thanks,

Rick Werner
