

## CAMP

YMCA Day Camp offers children positive developmental experiences and encourages them to forge bonds with each other and with staff, building confidence through skill-building activities suited to their age. Children experience a sense of achievement through opportunities in the outdoors and are welcomed to a physically and emotionally safe and stimulating environment whether in a Y facility or at an outdoor day camp site or park.

Day campers are able to explore creativity, teamwork and leadership in a wide range of physically active programs that influence lifelong healthy living. They have the opportunity to enjoy an outdoor environment where they develop an appreciation of nature. Day camp builds an interest in community with experiences in local and global cultures where campers gain an appreciation for others different from themselves. Today, Day Camp is more vital than ever, with an increased emphasis on child safety, summer learning traditions, personal values and social skills.

As with any Y program, the purpose of Day Camp is to help youth grow spiritually, mentally, and physically. Day Camps give young people an experience that can last a lifetime and inspire them to continue an involvement with the Y for years to come.

## CAMP LEADERSHIP

Erin Litwiler returns for her fourth summer of Day Camp at West End. If you would like to learn more about day camp, feel free to call 440.946.1160 ext. 109 or email [elitwiler@lakecountyyymca.org](mailto:elitwiler@lakecountyyymca.org).

**Unit Coordinators** are the front line staff for their child's daily activities, **Camper Buddies Coordinator** helps children from a variety of backgrounds transition into camp, and our **Assistant Camp Director** is Kelsey Bujdos, who can be reached at email [kbujdos@lakecountyyymca.org](mailto:kbujdos@lakecountyyymca.org).

**Counselors** are focused on creating physically and emotionally safe experiences for children along with providing outstanding lessons in values and character. Selecting excellent staff members to lead day camp is essential and providing the most relevant training and supervision for all staff is a key ingredient in our day camp program's success. We nurture great staff to return in future summers and carefully recruit, screen and select new staff that will be responsible and positive role models for campers.

## CAMP ORIENTATION

**Sunday, May 20, 1:30 pm**

**West End Multipurpose Room**

All new campers and parents should attend. Past campers are also welcome to come, meet staff and pick up camp shirts.

## SHIRTS

Camp shirts will be available for purchase at the Day Camp Orientation on May 20, 2018 and on the first day of camp. We strongly encourage all parents to attend the camp orientation.

## A ONE-OF-A-KIND OUTDOOR Y

In addition to the great facilities at the West End Y, day campers can also look forward to visiting the Outdoor Y in Perry. The Outdoor Y has a large Family Aquatic Center with an Olympic size pool, spiral water slide, and a drop slide along with two aqua climbing walls. The Family Aquatic Center also has an interactive spray-n-play area including a double dump bucket that gradually fills itself and then spills, a rain castle, a rain hoop that produces a rainbow-like shimmer of water, circle jets, and rain tunnel with jets of water coming from the concrete pad at such an angle that they "sculpt" a tunnel.

On the rest of its 177 acres, the Outdoor Y has an in-line skating rink, basketball court, tennis court, volleyball court, playground, athletic fields, and scenic wooded trails leading down to the Grand River.
