MRS. IVA BROTT

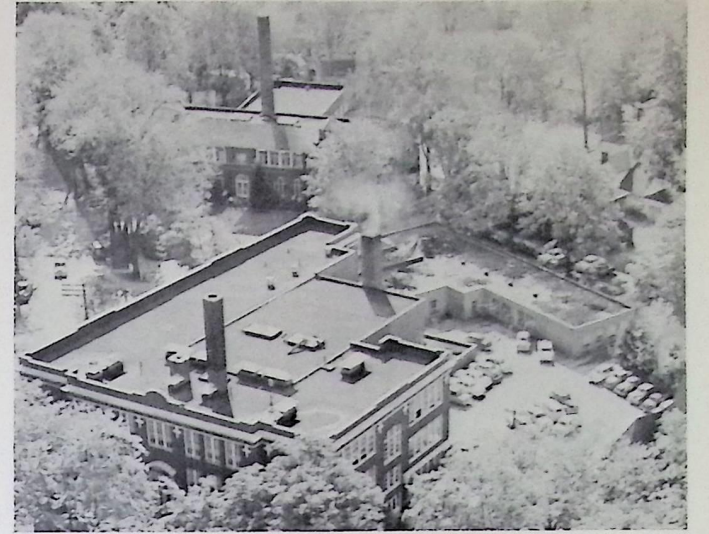

Dedication

THE greatest appreciation of a friend comes with the loss of one. Mrs. Iva Brott, Dean of Girls of Willoughby for the past five years, was a friend and guide to all the students of our school. It would be hard to count the number of times she went out of her way to help Willoughby students with their problems.

Besides doing outstanding work as Dean of Girls and adviser of the Student Council, Mrs. Brott did a great deal to help every other school organization.

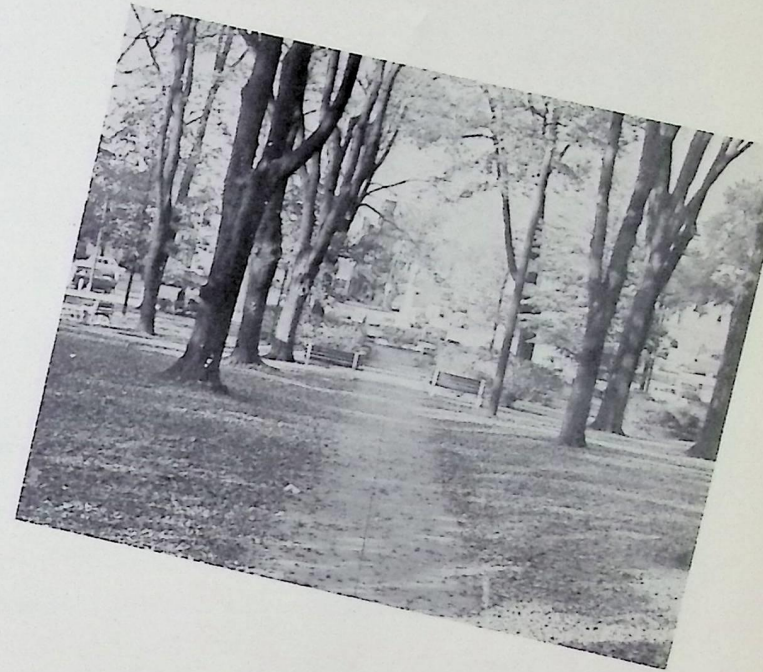

Willoughby feels deeply the loss of this great leader, educator, and friend; but through her deeds of kindness and understanding, she will live forever as an influence for good in Willoughby High School.

As a token of our respect and appreciation, we humbly dedicate our 1955 Lens to Mrs. Iva Brott.

Alma Mater

To our own dear Alma Mater,
This the song we raise,
Ascends from hearts that love her
And will echo now her praise.
Oh may we strive to do her honor
And live by her rule.
So come and join us while we cheer
For Willoughby High School.

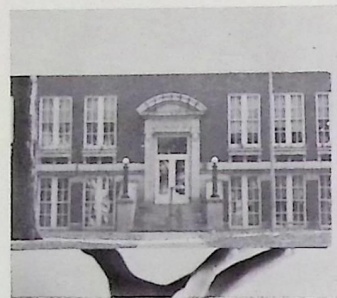

"Count that day lost whose low descending sun
Views from thy hand no worthy action done."
The helping hand that treats all brothers well
And seeks to understand and fears dispel
Reaps rich rewards, for it has good will made.
Stretch out thy hand, and friendship will not fade,
But flourish, firm and strong, if you but share
Your heart and soul and mind. And with the pair
Of good and honest hands that are God's gift
You'll never be alone while you can lift
A burden, ease a load, or bravely stand
Up straight and be a part of our great land.

Into your hands we humbly place our book,
That there it may inspire you all to look
Ahead, to mold your lives with hands of care,
And open your heart that love may nestle there.

ADMINISTRATION

Into trained hands let us entrust our lives,
That we may learn the better way to live.
Our guides are with us if at work or play,
And they are ever ready to advise.
With patience and with sympathetic hearts
They pilot us through stormy sea and calm.
Experience has lent its learned hand,
So they are qualified to caution us.
"We need the comrade heart that understands,
And the warmth, the living warmth of human hands."

Board Of Education

SUPERINTENDENT J. B. WOODSIDE

OPERATING behind the scenes and receiving little credit, the school board and the superintendent stand as the key of our educational system.

Working with Mr. J. B. Woodside, a Superintendent who does his job efficiently and ranks high in popularity with the student body, the members of the Willoughby-Eastlake Board of Education serve a growing school system in a growing city.

These wise and experienced leaders help the Willoughby-Eastlake Schools keep pace with a record enrollment each year.

The student body says "Thank you" for your planning and efforts which have surmounted huge problems to give the youth of our community opportunities for the finest type of education.

Administrators

INSPIRATION, guidance, service--all great leaders must have these qualities. Willoughby High School is fortunate in having such fine leaders as O.H. Farrar-principal, Mr. Milan Stefanik-assistant principal, Mrs. Iva Brott-dean of girls, and Mr. Arthur Holloway, administrative assistant.

As overcrowded school demands much time and brings many burdens upon an administration. Despite this, each student knows that our leaders will gladly take time to discuss his problems and help him solve them.

To these fine people, who have been tireless leaders and trusted friends, we express our gratitude. We hope that our achievements in life will be worthy of the time and effort they have given us.

YOU'LL NEVER FORGET

- ..When first you ventured forth into a strange world to seek your vocation;
 - ..All the fun you had in the four happy years of high school;
 - ..Your Sophomore year - how rapidly your small class grew with the addition of the 10th graders from Eastlake, all the new acquaintances you made, the sense of really belonging;
 - ..The Coral Ball, the event everyone looked forward to, and all the tax stamps you collected to make that dance a success;
 - ..Your Junior year with all its new experiences - the tax stamps you now collected for a more important reason, the charm bracelets you sold, and the sock hop you sponsored to raise money for the big dance;
 - ..The most glorious night of the year - the unforgettable Junior-Senior Prom;
 - ..Your Senior year - the most important of all - how you anticipated graduation yet hated to leave all the fun of school days;
 - ..The dances, football, basketball, and baseball games, track meets, plays, concerts, and parties.
- No, you'll never forget all the wonderful events that are behind you, and their memories you'll cherish always as you go into that greater life that lies beyond graduation!

Class Prophecy

IT'S 7:55 P.M. June 11, 1975 and we're in the beautiful ballroom of the luxury space liner, the U.S.S. Long, named for the Commander-in-Chief of all U.S. Naval Forces, Fred R. Long Jr. The event is a masquerade ball to celebrate the 20th annual reunion of the Class of 1955 of Willoughby High School. The members of the class are dressed to represent the type of work that they do.

First to enter the royal blue draped ballroom is John H. Bradshaw, dressed as Don Juan. It's possible that this playboy owner of a chain of night clubs in this country and abroad might be here looking for ideas to use in his own club.

Next aboard, dressed as Albert Einstein, comes the noted Doctor of Science of the University of Florida, Bill Tate. Following him are five ladies dressed in their graduation robes-Gay Hahn, Kathy Hanratty, Mary Ellyn Goga, Nancy Elson, and Pauline Carpenter. These five teach Latin, Home Ec., Gym, English, and History respectively at the ultra-modern Willoughby Educational Institution of 1975.

Here comes the millionaire owner of a ten car fleet of solid gold Cadillacs, Bob Kennelly, dressed as John D. Rockefeller. Next come a deeply tanned California-attired couple, Bob Murray and his Mrs., the former Shirley Wilson.

It's now 8:30 P.M. as the filled ballroom is brightly lighted and NBC-TV begins its world-wide coverage of this event with "Hello out there all you cool cats" by Ray Oddis, the nation's no. 1 disc jockey, dressed as his protege, Phil McLean.

Looking over this gay assembly we notice four of our classmates-Kay Myers, Polly Jordan, Marianne Gurbis, and Pat Peace-members of the Florida Chamber of Commerce, dressed as oranges. It seems they're discussing methods to detour hurricanes to the North Pole to increase the tourist trade in Florida.

What's this, a Persian Sultan and two harem girls! How about that, it's Herb Schneider, president of the Ace Costume Company, and his secretaries, Laura Belle Merz and Darlene Myrtle, doing some company advertising.

Bill Ziemak, dressed as a lumberjack, is telling TV reporters Loretta Saunders and Beatrice Brettrager, dressed as Louella Parsons and Hedda Hopper respectively, about the exploits of his five boys who have their own basketball team called "The Five Zekes."

George Herron, dressed as Admiral Byrd, is telling housewives Barb Pour, Carol Jones, and Gail Davis, dressed as Eskimos, that the penquins at the South Pole wave Confederate flags and say "Smoke Kools, you all." The girls are listening to (or should we say humoring) George intently while Andy Klug and Larry Hayward in their white coats are preparing the nets and straight-jacket.

Two more Eskimos, Bertha Bancroft and Kathy Preston, have gone into business raising cool cats at the North Pole.

Butch Lauderback is here as a politician; he plays a second base for the Washington Senators.

Tom Kraus, Secretary of the Treasury, is wearing a green suit. It's funny that he never mentioned that he was Irish.

Mike Lisi, Willoughby's leading dentist is here with his aid, Viv Sajovec. They are dressed as Satan and his first lieutenant.

Another guest dressed in green is Jim Crawford, coach at Notre Dame. He is here with "six-gun" John Murney, Lake County's famed sheriff.

Swami Carl Bauman is reading the future for crusaders Ann Montgomery and Teresa Graff. Carl teaches fortune telling at WHS. That course recently replaced history on the curriculum since the administration figured the students were better off knowing the future than the past. Ann is president of the Women's League to Combat Alcoholics.

Marilyn Hill and Marsha Heinz, writer and illustrator of English novels are here as Lady Macbeth and Lady Macduff trying to decide whether to spend their vacation at "Czar" Herb Roskamp's Siberian summer resort or on sponge fisherman Ron Shoemaker's Caribbean cruiser.

Monica Mullen and Donna Gilmour have a business in Africa knitting sweaters for monkeys. Monica is there because of a bet she lost to Mr. Wike. She and Donna are wearing one of their creations for Siamese monkeys.

Joan Morley, lady admiral of her own fleet of sailing vessels with headquarters in Maine, is arguing with Indian-garbed Chuck Thomas, who has been sitting on a flagpole since his graduation waiting for Cleveland to win another pennant, whether there are more rocks in her front yard in Maine or in the heads of the Indian's managerial staff. Listening intently in his crown of grapefruit peels is the owner of the world citrus monopoly, "King Fruit" Ed Sulecki.

Military officers Margaret Luning and Ron Christian are planning with car-design prince, Jack Naglich, the details of a new army jeep with power steering power brakes, power windows, and power cigarette lighters.

I see the space-ship tycoon financier, Dave Luse, is with us tonight along with scientists, Judith Haak, Kurt Johnson, and Ernest Thurman and ace space pilots Denny McMullen and Bob Orford. All are heavily disguised because of the importance of their secret project, perfecting a space ship fast enough and small enough to get a parking space in a crowded solar parking area.

Class Prophecy

Rose Trivisonno is dressed as a snail to further her campaign to have Florida speed limits raised to 200 MPH so she can see what her 1975 Cadillac can do.

Commodore Erwin Reed is persuading two wild and woolly cowboy millionaires, George Schaefer and Allen Sawitke, to back his new jet-propelled yacht company.

It looks as though fortune-telling has come into vogue. Shirley Rose, dressed as a gypsy, is teaching Doris Freeman, mink-raiser, and Diane Winter, clad in a football uniform, to read all types of tea leaves, even those in a coffee cup.

The floor show tonight is provided by two "Bobs" dressed up as "Tommy and Jimmy" with their special "Class of '55 Dance Ensemble." Shroyer and Martin are the Bobs while others in the group are "Bullet Bill" Dort, "Crazy Fingers" Bacon, "Happy Dan" Haar, "Taciturn Tom" Stull, and "Hill-billy Dave" Cody. The boys are wearing bright orange suits, with pink shirts, yellow spats, open-toed sandals; and red and green striped turbans. Tom Stull is also wearing a Lone Ranger mask.

In real life they are as follows: Shroyer--top band leader in U.S., Dort--designer of zoo cages, Bacon--first piano in Cleveland Orchestra, Haar--ambassador of bad will to the Kremlin, Stull--engineer-executive with Dupont, Cody--doctor in Florida clinic for ailing beachcombers, and Martin--player of Chinese harmony with New York Philharmonic.

Listening carefully to this group are several housewives--Anita Forrester and Wanda Yoder in choir robes and Nancy Rittenhouse, Carol Ambrose, Blanche Cage, and Janet Stump in band uniforms.

Althea Parmele, Liberace's piano tuner, is wearing a suit with 88 black and white stripes. She is informing Lois Papcke, wearing pink mink knee socks, of a new type of tuning fork made of plastic. Lois owns a chain of concert halls and is looking for ways to improve symphonic orchestras.

Master of ceremonies for the entertainment is Dave Wells, dressed as the inimitable Mr. Interlocutor. Dave has made his fortune discovering coconut mines in the South Sea Islands.

Discussing recent jazz trends are Eileen Mitchell--Lima, Ohio's top first grade teacher--and Mary Thomas publicity director for the Squeek, Squeel, and Groan Recording Company. They are dressed as Eddie Fisher and Frankie Laine, two jazz singers who were popular during their favorite year at W.H.A.

Carolyn Parks, Bob Coward, Dave Patterson and Craig Arndt are here wearing dunce caps. Carolyn is practicing her most outstanding talent, talking at the rate of 1000 words per minute, while the boys are demonstrating the latest product of the Arndt Novelty Company--earplugs. Dave has had much success as a lawyer, especially in dealing with racquets in the courts. Bob is known as a medical specialist, he is a doctor of ailing chemical engineers.

Let's listen in on the conversation of this interesting group. "Say, Wes, how's your soapless soap experiment coming, and when are you going to return those books you've got that are six years overdue?"

"Well, Pat, the soap project is coming along real sudsy, and I'll drop the books off at your library the next time I go by the North Pole."

That conversation was between Pat Lyons and Wes Spoonamore. Wes is wearing a Tarzan suit made of soap boxes, and Pat is in an eskimo outfit.

Doris Carman, in a Grandma Moses outfit, is making a deal with Dick Hollingsworth to have his Foam Rubber Cushion Company install comfortable chairs in her art gallery.

Richard is wearing a conservative business suit with blue-green and yellow green stripes.

Betty Baker and Joan Young, noted journalists, are wearing matched suits--like a pen and pencil set. Betty has just returned from a jaunt to Ethiopia where she was reporting the favorite recipes of the native head-hunters for Holiday Magazine. Joan has just written a book called "Living with Insanity and Liking it."

In chef's outfits we see Carol Charvat, owner of Carol's Lakefront Steakhouse and Frampton Davis, headwaiter at the aforementioned establishment.

Fore! Everyone under the tables! Bob Shave, National Pro Golf Champ, is practicing drives with his caddy, Dave Alpeter. Dave and Bob are wearing the latest golfing styles--white overalls splashed with different colors of paint.

How about that--it's midnight already and our space liner has completed its tour of well-known planets ending our 20th annual reunion.

Hear Ye, all '55 grads: Be here one year from now to celebrate our 21st get together. Come dressed as your favorite animal.

We Remember

HERE are some of the events, classes, people, and idiosyncrasies of W.H.S. that stand out clearest among the memories of the class of 1955.

Bob Kennelly and Butch Lauderback recall Mr. Foster and the great baseball teams of their high school days.

Dan Haar, Althea Parmele, Blanche Cage, Judy Haak, Bob Shroyer, and John Bacon remember the marching band of their senior year with its long bus rides to football games and the long, long ride to Columbus. They also recall the band's tremendous spirit, Tag Day, the Homecoming float, the marching band dinner, the wind and snow at Cleveland Stadium, and --most of all--Miss Kelly.

Ray Oddis remembers his year as sports editor of the Searchlight.

Jack Naglich remembers his first pep rally at W.H.S. as a sophomore.

Marsha Heinz remembers the Jr. Council on World Affairs carolling parties and chili suppers every Christmas.

Marilyn Hill recalls the F.C. Carnival in September, 1954.

George Herron and George Schaeffer remember Latin club initiation in Nov. 1953 when they sent the new members on a barefoot trip through a gooey, gooey mess and scratched their fingernails on a blackboard.

Jim Setele recalls the 1955 Lens assembly with Mr. Tambo, Mr. Inter-locutor, and Mr. Bones.

Chic Santoro and many other seniors recall the warm thrill they felt when a surprised little girl was chosen Queen of the 1954 Homecoming Dance.

Dick Kitzel remembers the interception and 72 yard touchdown run by Wayne Williams in the 1953 football game with Brush that sent W.H.S. into the final game of that season with Mentor with a perfect record.

The choir members recall the concerts, contests, solos, and ensembles that "happen every spring" at W.H.S. They especially recall their trip to Newark to win a superior state rating in April, 1954.

Anyone with music in his soul remembers Dave Cody, Jack Naglich, Linda Mook, Dick Byers, and Diane Winter in "H.M.S. Pinafore" in February, 1955.

Gail Davis, Mary Ellyn Goga, Tim Walters, and Dave Patterson recall the double overtime thriller between W.H.S. and Kent Roosevelt in the regional basketball tournament at Kent State University in March, 1954.

Joan Young, Midge Wells, and Polly Jordan recall their shaky knees before the Junior and Senior Class Plays.

Carol Charvat, Ron Christian, and Wes Spoonamore remember the dreamy Hi-Y Formal in December, 1954.

The Class of '55 remembers the unselfish service of its Junior Class president and Student Council president, Dave Alpeter.

Barb Pour remembers the Army-Navy basketball game at the "W" Club Sports Frolic of 1953.

Betty Baker remembers her induction into the National Honor Society in 1954 and the induction assembly of 1955.

Sports fans recall "Slammin'" Bobbie Shave and the Ranger golf team that rated among the top three in the state all through our high school years.

Nancy Jackson remembers Mr. Stefanik standing at the top of the long stairways to see whether anyone came up the "down" stairs.

Carolyn Parks and Donna Gilmour recall the muddy trips between the annex and the main building.

Tom Kraus remembers those Hi-Y "pie nights."

Carol Ambrose, Chuck Thomas, Delores Glover, Judy Barnes, and Diane Glasscock recall the big night of the 1955 Prom.

Dennis McMullen and Fred Long recall the hot football practices in August.

Brian Hobbie recalls the cracks in the walls of W. H. S.

Andy Klug remembers the senior trip to the Health Museum.

Ted Potts remembers Mr. Grether dislocating his knee in the Faculty-Senior basketball game in 1952.

Craig Arndt recalls the tuxedo that he and "the boys" bought for a certain teacher during the band rummage sale of 1953.

Frampton Davis remembers greeting the famous celebrity at the Cleveland Airport during the Christmas vacation of 1955.

Wanda Yoder recalls "Trial By Jury," an operetta presented by the choir in 1953.

Ernest Thurman remembers his trip to New York and Washington D. C. as U. N. delegate for the Junior Council on World Affairs.

Dave Wells remembers how the enrollment at W. H. S. grew larger, and larger, and larger, during his four years here.

Laura Belle Merz and Tom Stull recall the friendly way which they were accepted by students and teachers as newcomers to W. H. S.

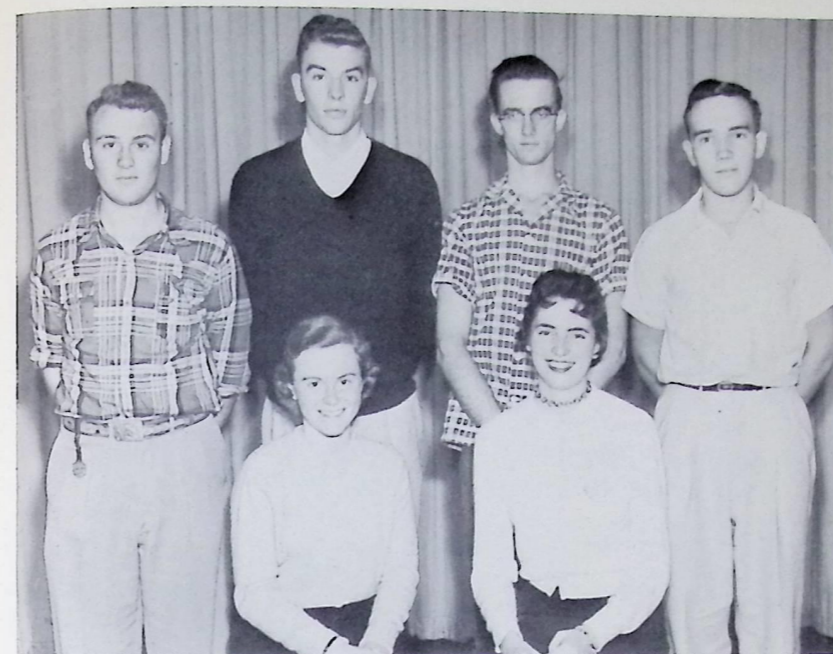

Bob Coward is remembered as the "walking encyclopedia" of W. H. S.

Joan Morley recalls the many times she was crushed into the corner while trying to open her locker between rooms 303 and 304 when the doors of both rooms popped open at once.

The memories of every senior will include the Orange and Black Week before the W.H.S.-Mentor football game of 1954. That mad, marvelous week during which W.H.S. school spirit reached an all-time high included snake-dancing through the school halls and through town, the knee sock fad, and the big orange and black flag that was found flying from Mentor's flagpole one evening.

These are merely a drop from the ocean of memories that belong to every student who has been fortunate enough to spend his high school years at Willoughby Union High School.

- ...How you struggled to make your Junior Class Play the best yet - all those practices, the lines you memorized, the dress rehearsal, and finally the "big night" itself;
- ...The Junior-Senior Prom - the most enchanting night of the year - you danced and danced and it was so much fun.

No, you'll never forget your Junior year at W.H.S. - its trials and tribulations, but most of all you'll never forget all the fun you had in your first year as an upperclassman.

MUSIC

Music doth caress the soul
 -Like soothing hands;
 The pictures it creates do change
 -Like shifting sands .
 Its moods, like tides, do flow and ebb
 And we are caught up in its web .
 The only universal tongue
 O'er many lands
 Breathes hope into the hearts of men
 -Like peaceful hands .

Marching Band

MARCHING along, 60-strong, in flashing orange and black uniforms, the Ranger Band appeared at all W. H. S. football games and in the annual Memorial Day parades.

The strutting Rangerettes--Lois Papcke, Janet Stump, Vicky Tyler, Priscilla Ruddick, Diedre Haag, and Diane Radebaugh--appeared at all band performances.

The band's season began with a memorable trip to the Ohio State-Indiana football game at Columbus.

The band's float entry in the Homecoming Parade, with "Tag Day" as its theme, won the \$25. first prize in that contest. The following week the band members built a second float to add to their annual Tag Day activities.

A performance at the Cleveland Browns-Detroit Lions football game on a snowy, windy December day brought the band many compliments from a nation-wide TV audience.

Director Charles Ruddick was honored at a silver anniversary party celebrating his 25th year at Willoughby, after the W. H. S. -Mentor football game.

Miss Jean Kelly and Mr. Raymond Rinaldi, Mr. Ruddick's co-workers, were honored for their work charting formations and arranging music at the band's yearly Spaghetti Dinner.

The nine squad leaders--Nancy Rittenhouse, Carol Ambrose, Althea Parmele, Janet Steinbrenner, Marty Brott, Sandy Haag, Bill Dort, Terry Hemeyer, and Bob Martin--received silver loving cups at this dinner, and many band members with two or three years marching service received letters.

Thanks go to the Band Boosters, a parents' organization, for supporting the many band activities.

Officers for this group are Bob Martin, president; Jim Hartline, vice president; Carol Ambrose, treasurer; and Nancy Rittenhouse, secretary.

A Cappella Choir

THE A Cappella Choir of Willoughby High School has done much to increase the prestige of our school, not only in the community but also all over the state of Ohio. Under the direction of Mr. Hamer Mitchell, the choir has presented choral music for the enjoyment of the school and the community.

The choir did a fine job of singing for many organizations and various assemblies. Who will forget the haunting "Salvation" they sang at the memorial service for Mrs. Iva Brott or the "Three Kings" which they did for the Christmas Concert. Other events were the operetta, "H.M.S. Pinafore," which was a great success, the Spring Concert, the contests, and the Brush Festival. They also sponsored a dance after a football game.

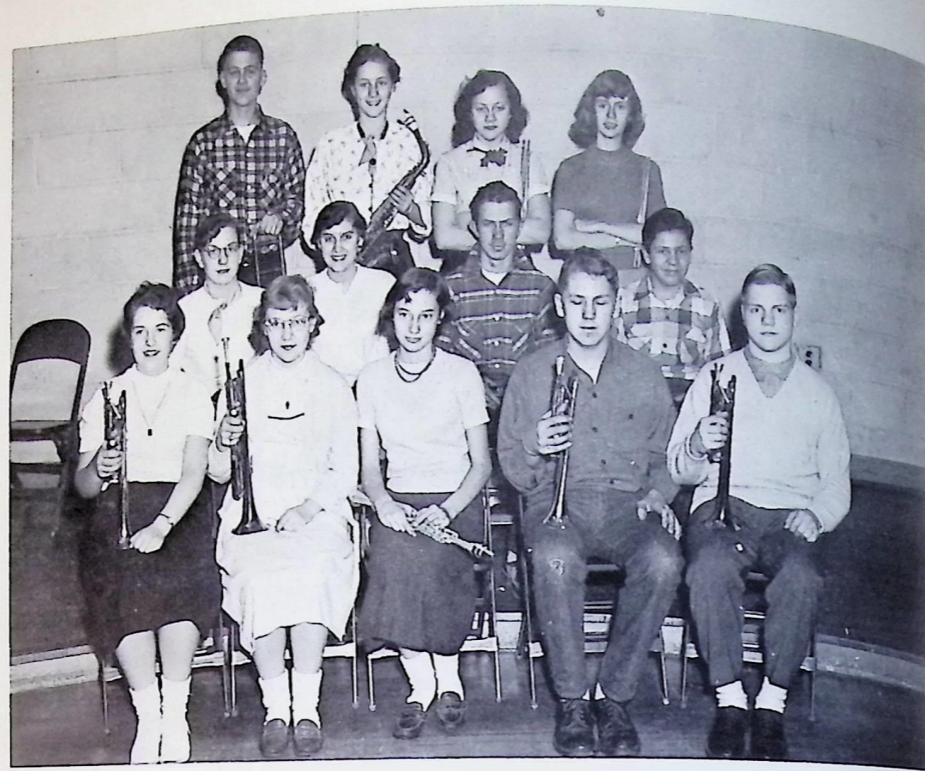

Officers for the choir are Dave Cody, president; Jack Naglich, vice president; Wanda Yoder, secretary; and Eileen Mitchell, treasurer.

Cadet Band

First Row: S. Kohler, B. Harvey, N. Rosenberger, B. Janis, A. Stephens. Second Row: J. Yug, D. Radebaugh, D. Switzer, L. Conley. Third Row: D. Pepin, B. Crego, D. Telling, J. Appenzeller.

ISTRUMENTAL music students in the Willoughby-Eastlake School District are trained in a chain of musical organizations that extends through grade school, junior high, and high school.

The cadet band is the final step for Willoughby musicians before being accepted into the concert band. This group serves as the top "farm club" in which instrumentalists receive musical experience before coming into the "big leagues" of concert band literature. Mr. Charles Ruddick directs this group.

ALTHOUGH few in number, the orchestra is an essential part of the music department. It is the only music group at W.H.S. that includes string instruments.

Its members meet five times a week to interpret and enjoy orchestral literature. They learn to read music, to play with expression, and to follow their director, Mr. Charles Ruddick.

Concert Band

RATED as one of Ohio's finer musical organizations, Willoughby's 75-piece Concert Band gives a Spring Concert and appears in a Christmas program with the choral groups each year. Besides these, the band plays for many other events, including an All-City Music Festival in the spring.

Each year the band competes in the district music contest and consistently receives high ratings. Many band members have received superior ratings in both district and state solo and ensemble competition.

Willoughby annually sends representatives to all-star bands at Canal Fulton and the Ohio State Fair.

Much recognition comes to the band because of its many graduates who have gone on to successful careers in college and professional music.

Social activities in the 1954-1955 season included two swimming parties at Fenn College, a Valentine Party at which new members were initiated, and a summer picnic.

Completing his 25th year as Willoughby's band director, Mr. Charles Ruddick was honored at both the Spring Banquet and the Spring Concert.

Band officers for 1954-1955 are Bob Martin, president; Jim Hartline, vice president; Carol Ambrose, treasurer; and Nancy Rittenhouse, secretary.

DURING the noontime meetings of the Lens Staff, we were faced with the tremendous tasks of choosing a theme, selecting a cover, and designing our yearbook. The confusing lunch periods made it difficult of us all to attend these meetings, but members willingly stayed after school or on Saturdays to do the cutting, and mounting of pictures which is such a tedious, but necessary, job in the production of the Lens.

While the staff worked hard at their jobs, the salesmen did their best urging students to purchase their yearbooks as soon as possible. The assembly, a minstrel show which started our sales campaign, was as much fun for the participants as the audience. Who will forget Tom Stull's leaky trombone or "Little Nell?"

Yes, it was work, but there was nothing to compare to the thrill of watching the Lens come to life before our eyes. Carolyn Parks, our editor, and advisor, Mr. Moyer, worked constantly to keep everyone organized and busy at their appointed jobs.

EVERYONE knows that the purpose of the Thespian Society is to promote dramatics. The club's major events of the year were the Christmas Party, the Senior Play, a trip to the Kent Dramatics Workshop, a Theatre Party, and the annual One Act Plays. Aside from these more usual occupations of their time, they decorated the school for Christmas with posters, wreaths, and tinsel.

The officers this year are Margie Steele, president; Monica Mullen, vice president; Polly Jordan, secretary; and Bob Shroyer, treasurer.

Club advisor, Miss Mary Gemmill, has worked long and hard for the Thespians and given wonderful inspiration to them.

Searchlight Staff

WORKING in cooperation with the News Herald, the Searchlight prints a two page newspaper for the student body each week. The aims of the Searchlight are to report news, to foster school spirit and to promote an appreciation of W.H.S.

Editor, Marilyn Hill, Assistant editor, Bob Martin, and feature editor, Ann Montgomery attended a ten-state publications clinic at Ohio University last summer to become better acquainted with the fine points of producing a school newspaper.

The Searchlight staff and advisor, Daniel Friedberg, sponsored an all-school talent program last spring. The Searchlight hopes to give W.H.S. an even bigger and better paper in the future.

EDITORS AT WORK

Office Staff

GIRLS of the office staff do the important job of delivering messages, collecting absence slips, and running errands to make the school run more efficiently. Junior and senior girls from the business department give up a study hall a day to do this work. Under the direction of the office secretaries-Mrs. DeJoy, Mrs. Wilde, and Mrs. Mills-the girls get a chance to use the new switchboard and get practical experience in office procedures.

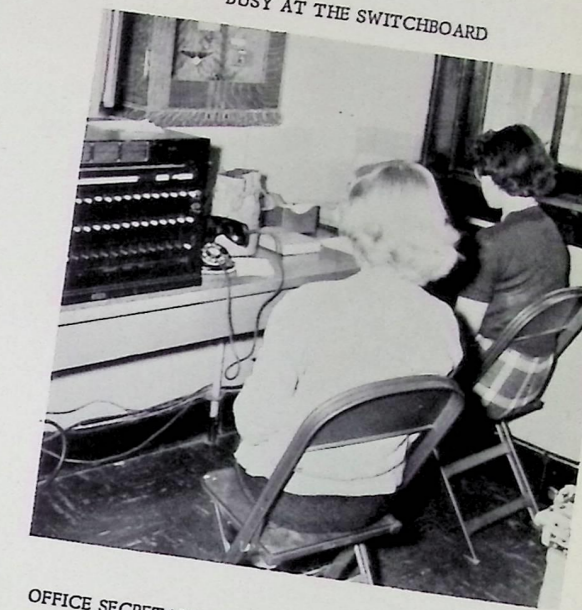

Everyone in the school should be grateful to them for the smooth and excellent job they do.

THE purpose of the Student Council is to stimulate the desire in every student to become a first class citizen and to inspire the student body to work together for the good of W.H.S. To accomplish this aim the Student Council members are constantly working to promote loyalty, cooperation, and good school spirit. This year, the tremendous school spirit built up before the Mentor game during School Spirit Week was a good example of the fine work of this important organization. Aside from their regular milk sale at noon, they sponsored the exchange assembly with Harvey High, the Honor Day assembly, the Homecoming Dance, and many dances given after basketball and football games.

This year's officers are Dave Alpeter, president; Jim Blumel, vice president; Carol Boyd, secretary; and Annie Bass, treasurer. Mrs. Iva Brott and Mr. Arthur Holloway were the club advisors.

THE main purpose of the Camera Club is to foster interest in photography among the students of Willoughby High School. Members have busied themselves all year taking, developing, distributing photos, and enjoying themselves in the process.

At the bi-monthly meetings of the club, lectures are given on camera techniques, pictures are developed in the darkroom, and the work of the members is shown and discussed. When weather permits, the club members go on picture-taking field trips.

Perhaps the biggest and most helpful job the club does is taking photos during the school year for the use of the Lens and the Searchlight. This year the club also took class pictures at Lincoln and Garfield Schools.

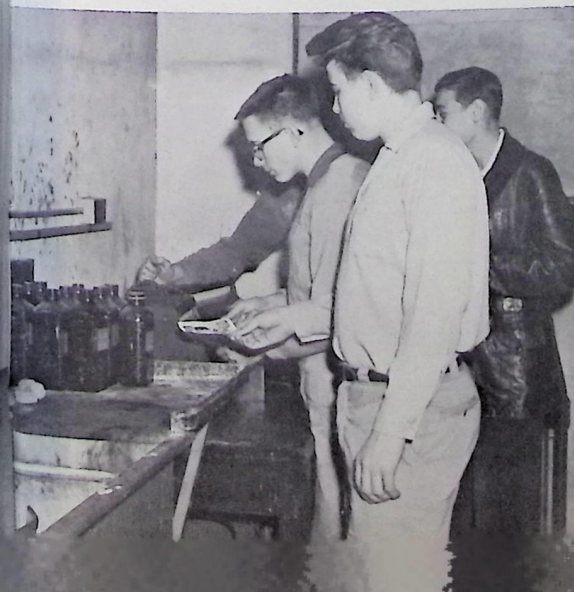

The officers are Craig Arndt, president; George Herron, vice-president; and Peggy Quinn, secretary-treasurer. Mr. D. J. Hewitt was advisor.

INVITACION PARA EL TANGO!

QUIERE usted hablar Espanol? This is the reason these boys and girls get together once a month. When they meet, they have a business meeting, play games, give skits, and have friendly conversations, all "en espanol," naturalmente!

Although they planned a float for homecoming, and El Senor Toro was all ready, la lluvia (rain to you, amigos) forced them to cancel it.

However, en marzo, they held a fiesta with the Spanish students of Wickliffe and Riverside as their guests. In June everyone will be saying, "Hasta luego" to all underclassmen and "Adios, muchachos, y buena suerte" to the seniors.

Officers of the Spanish Club are Jim Blumel, el presidente; Janet Yerse, la vice presidente; Vivian Sajovec, la secretaria; Tom Kraus, el tesorero; and Mary Ellyn Gog, la periodista.

THE French Club, which has recently adopted the name Les Chanteclers (du Cercle Francais), is made up of those students who are taking French here in high school. Members of this club hope to increase their knowledge of the French language and culture and enjoy themselves while doing it.

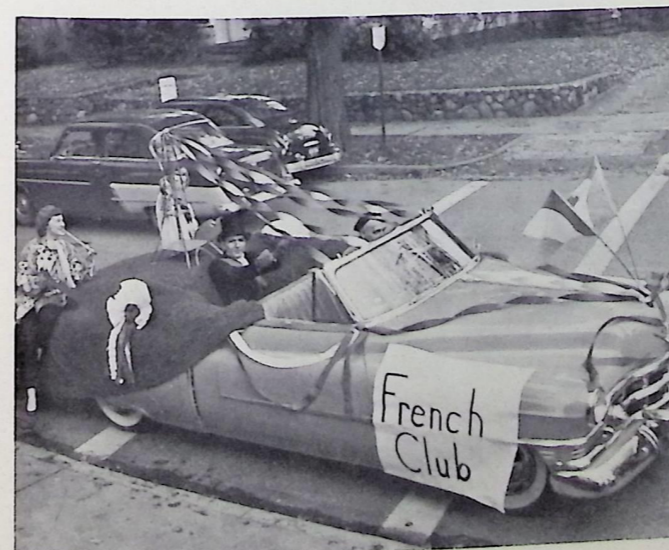

At the meetings, which are held every four weeks at homes of the members, the programs are devoted to simple games in French and projection of strip films which emphasize various features of French life and culture. Another major activity of the club was the production of a one act play in the spring.

Mr. Lake, the club's advisor, has helped members to increase their enjoyment of the language immensely. This years officers are Bob Shroyer, president; Joan Young, vice president; and Betty Baker, secretary.

THE Latin Club is open to any student who has finished one year of Latin satisfactorily. It meets monthly at the home of one of its members. The evening consists of general conversation, reports, Latin games, Latin conundrums, and refreshments.

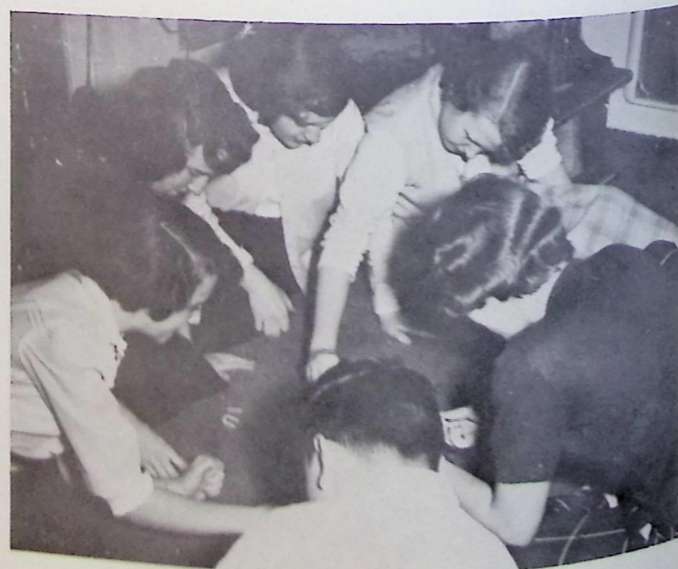

The big event of the year is the annual Roman Banquet, which is held in May and is completely prepared by the club members themselves. The proper attire is, of course, a toga, and members enjoy the meal while reclining on a bench and watching the finest entertainment Rome has to offer.

This year, the club got off to a rather late start, so a giant Roman banquet-initiation combination was held which surpassed anything ever attempted by the club.

The officers for this year are Claire Floria, consul; Judy Rogers, vice-consul; Bob Hardgrove, scriba; and Vicky Tyler, quaestor. The club is ably advised by Miss Adele Knight.

THE purpose of the Future Teachers of America is to encourage students to choose teaching as a career. Under the direction of their officers--Torri Speers, president; Lois Papcke, vice-president; Joan Morley, secretary; and Judy Haak, treasurer--the club had a busy year.

They sponsored the College Day Tea, the retarded children's party, and a trip to a college; they also ushered at N. E. O. T. A., sold the lovely orange and black book covers, held a spring picnic, and presented money to the Retarded Children's School.

A new project of the club was the questionnaire sent to former FTA members who are now in college in order to gain information that will help those graduating from high school this year to plan their college careers.

Scholarship Club

HERE we proudly present our 1954-1955 Scholarship Club. The members, chosen from the upper three classes, must maintain a three-point average determined by the grades they have had for the two preceding semesters.

The purpose of the club is to give an honored recognition to those who work diligently in their studies. This does not imply that it is all work and no play. Ask anyone who has attended the annual banquet! This year's banquet was held at Mentor Shore Junior High School. It featured a fine dinner, a talk by Mr. Louis B. Seltzer of the Cleveland Press, and some fine dancing to the music of the Mentor High Swing Band.

The advisors are Miss Margaret Gibbs and Mr. Herbert Lake. Officers are Dave Patterson, president; Carolyn Parks, vice president; Carol Charvat, secretary; Mary Ellyn Goga, treasurer; and Craig Arndt, county representative. Craig served in this capacity as treasurer of the combined four organizations.

GENTLEMEN AT EASE

National Honor Society

WHAT a thrill it is to hear your name called as a member of the National Honor Society.

This is a national, honorary high school society composed of second semester juniors and seniors who rank in the upper 25% of their respective classes, only 15% of each graduating class may be elected to membership. Eligibility is based on Scholarship, Leadership, Character, and Service to the school, faculty, and pupils. There are many ways of being of service--by showing courtesy to teachers and pupils, selling tickets to school functions, active membership in clubs, service on the LENS staff, and many others. Eligible students are voted on by pupils and teachers.

The pin of The National Honor Society is worn by members only. It shows a keystone and flaming torch, symbols of a member's life. Located at the base of the torch are the letters C, S, L, S, which stand for the basic precepts of the society.

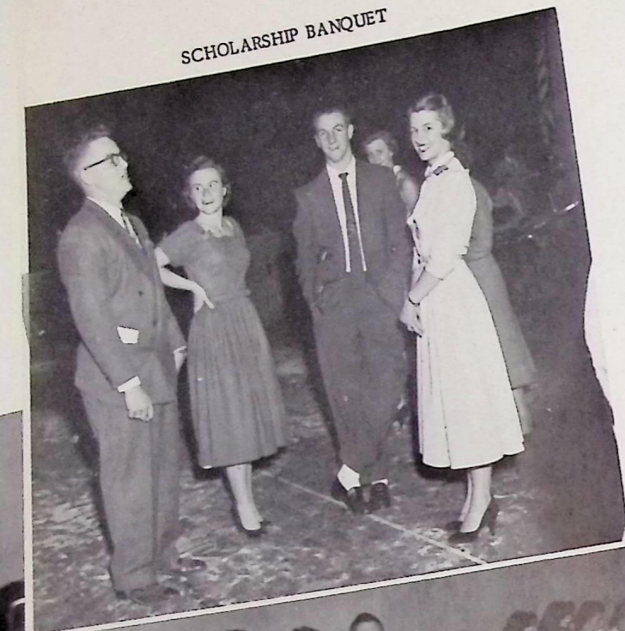

The Willoughby chapter of the Society is sponsored by Miss Margaret Gibbs and Mr. Herbert Lake. The major activity of the National Honor Society was the formal induction ceremony led by President Dave Patterson. The other officers of the society are Eileen Mitchell, vice-president; Carol Charvat, secretary; and Craig Arndt, treasurer.

Audio-Visual Aids

ANYONE who has seen a movie or heard a tape recording in class, listened to a disc jockey show at noon or the regular morning announcements over the P.A. is familiar with the work of the Audio-Visual Aids. Primarily a service organization, the members provide entertainment for the school and supplement the teaching by showing films, operating tape recorders and other sound equipment for classes, assemblies, dances, clubs, and various other organizations.

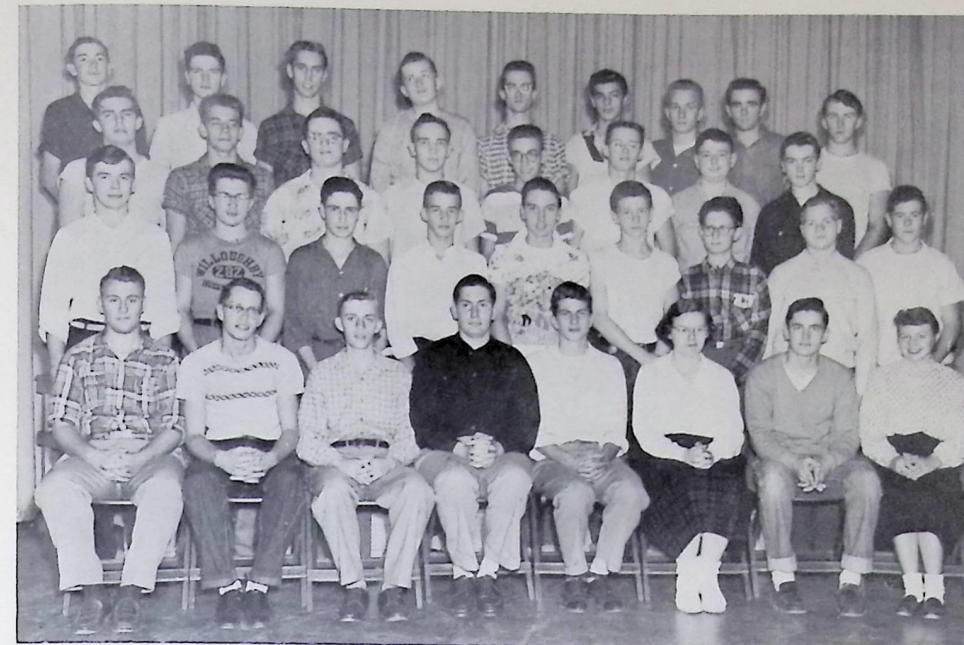

The group is under the direction of Mr. Donald Bowland.

One of the more interesting projects for the members was the building of robot. They got the idea from one featured in a LIFE magazine article. Members also entered projects in the Northeastern Ohio Science Fair, conducted field trips, and used their meetings for watching movies and hearing lectures on various fields of science.

Officers of the Science Club are Carl Bauman, president; Allen Sawitke, vice president; Dan Haar, secretary; John Evans, treasurer and Joe Reigle, sergeant-at-arms. Mr. Artale is the advisor.

THE purpose of the Math Club is to develop a greater interest in mathematics and to investigate topics which are not covered in school math courses.

The club held many interesting meetings where they played games with mathematics, listened to various reports on related subjects, and learned new things of interest about numbers and formulas. This year they had a Christmas Party and all had a wonderful time.

The officers are Ernest Thurman, president; Craig Arndt, vice president; and Nancy Jackson, reporter. Mrs. Randles is the advisor.

ERNEST THURMAN - U. N. DELEGATE

AT the monthly meetings of the Junior Council on World Affairs, you are likely to run into almost anything from a lively discussion on the state of foreign trade to a delicious chili supper.

The purpose of this organization is to discuss current world affairs and to help the members have a better understanding of world problems.

The club alternates its business meetings with social affairs such as the carolling party, chili supper, and a banquet held at Lutz's Hotel. Other events for this year were the United Nations Mock Assembly, Parents' Night, and the U. N. Dance. One honor conferred by the club is the selection of one of the members to visit the United Nations in New York.

This year's officers are Frampton Davis, president; Jim Crawford, vice president; Judie Morris, secretary; and Bob Hardgrove, treasurer.

The club is under the direction of Mr. Edmund Edmunds and Mr. Maurice Young.

"THIS Is Your Life," the theme of the All-Girl Assembly, opened the year with a bang. The season wore on with the gala Carnival, the Informal Initiation, and the stately and beautiful Formal Initiation. Other events were the Christmas Caroling Party, the all-girl Date Party, and the Hi-Y and F.C. joint meeting.

The big event of the year was the formal, which had "South Pacific" for its theme. As the year drew to a close, the Friendship Club held its last two social meetings, the Father-Daughter Party and the Mother-Daughter Tea, where the officers and cabinet for the coming year were installed.

This year's officers, who all did such a fine job, were Carol Charvat, president; Lois Papcke, vice president; Janet Wolfe, secretary; and Anne Colle, treasurer.

And of course no club could have a better advisor than the Friendship Club. Miss Adele Knight was "One Little Candle" to the club.

Hi-Y

THE purpose of the Hi-Y--to create, maintain, and extend throughout the school and community high standards of Christian character--was well carried out by members of the club.

Under the direction of advisor, Mr. Chester Wike, the members ran a refreshment stand at all the football games. Other events in the year were the Christmas Formal, at which Barb Manning was crowned Hi-Y Sweetheart and the joint Hi-Y and F.C. meeting. Dave Patterson, Craig Arndt, Cliff Cook, and Tim Tyler attended the Hi-Y conference at Kent. At the Hi-Y area council meeting in Painesville, Bob Kennelly was elected area vice-president and Bob Shave area treasurer. Perhaps the most fun of all were the pie nights at which members ate pies baked by Hi-Y mothers.

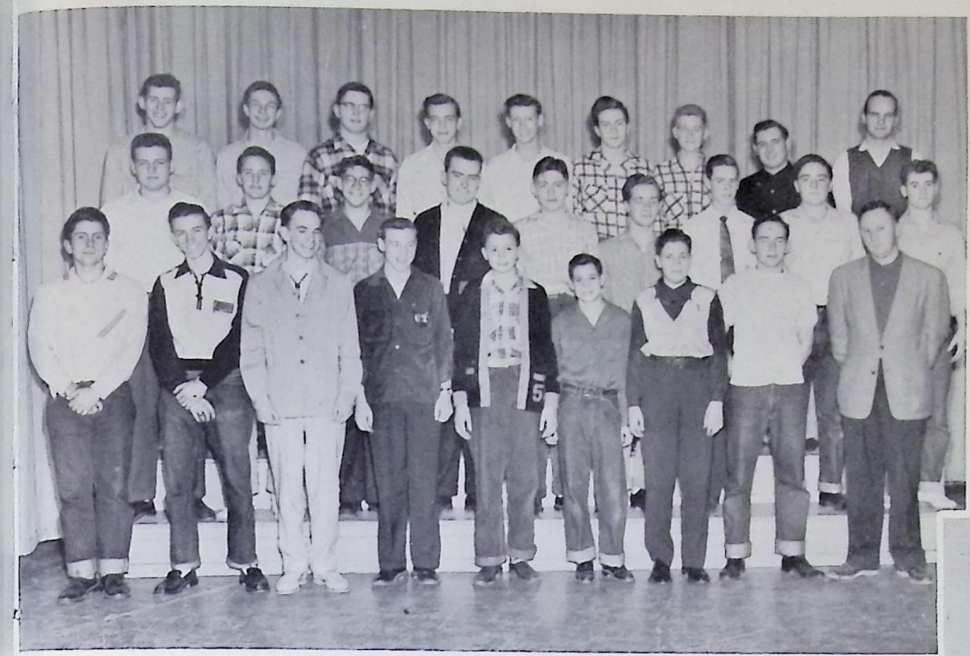

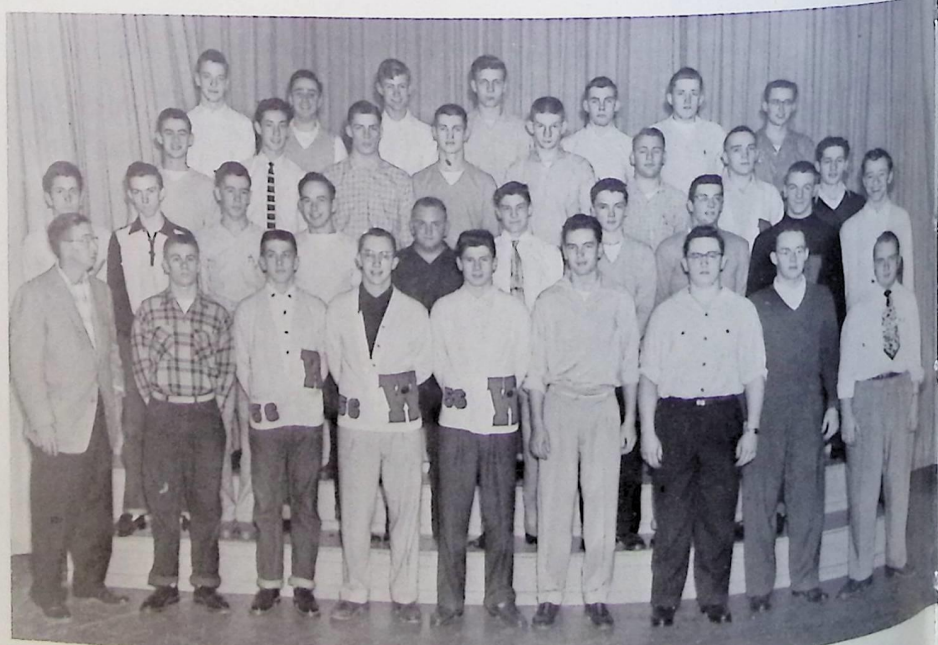

The club also sent two delegates to the Youth and Government Assembly at Columbus in the spring of 1954. These were Jim Hildebrand, Senator Alternate, and Bob Shave, Alternate to the House.

Officers are Bob Shave, president; Bob Kennelly, vice-president; Dave Patterson, secretary; and Dave Alpetter, treasurer.

THE Rifle Club is organized to teach boys the proper use and care of firearms. The members of the Rifle Club hold one shooting match a month with other schools and shoot for medals within the club. This year Willoughby won two out of three matches with Shaw High School.

The club used the Ohio Rubber Company's shooting range for their weekly practice workouts. Officers are Jim Freeze, president; Art Melton, secretary-treasurer; and Joe Strand and John Stange, rangemasters. The advisor is Mr. George Grether, and their instructors are Mr. Scott Edgell and Mr. A. Melton.

SHOOTING ON THE RIFLE RANGE

A small group that renders major service to Willoughby High is the Junior Police. The boys in this group help us to cross streets safely before school, at noontime, and after school. They also help park cars and direct traffic at football games and other similar events. They work, like the mailmen, in rain, sun, snow, and sleet. They deserve our deep thanks for their help to the school.

Maintenance

THESE people do the taken-for-granted jobs around the school which make it so much more pleasant and comfortable for us. They drive the buses, shovel the snow, and sweep the halls. Although we hardly notice their presence, we would surely notice their absence, for we could never get along without them. We certainly thank them for all the wonderful things they do all year to keep our high school running smoothly.

Varsity Football

WILLOUGHBY'S Football Rangers jumped off to a good season's start by downing Painsville Riverside, 24-6. Tim Tyler bulled over for two Ranger scores and Fred Long chalked up the longest run of the season with a 63 yard gallop.

Despite runs of 46 yards by Tim Tyler and Fred Long and precision passing by Don Woodford, the Rangers suffered a 40-13 loss to Harvey's Red Raiders.

Brush High's fast charging line proved to be too much for the Rangers in the G.C.C. opener. Dave Alpetter and Carl Sturm caught two passes each in the Ranger's 25-0 loss.

Willoughby's defense was outstanding in the Ranger's 19-0 win over Bedford's Bearcats. Jim Crawford and Jim Rauker played an exceptionally fine game. Bob Shave passed 52 yards to Carl Sturm for a Ranger score and Fred Long smashed over two more.

The Rangers were handed their third defeat of the season by Berea, 39-0.

Sparked by Don Woodford's 55 yd. touchdown run and Fred Long's two scores, the Rangers defeated Garfield Heights, 20-7.

Hampered by injuries throughout the game, the Rangers were handed a 39-0 loss at Maple Heights.

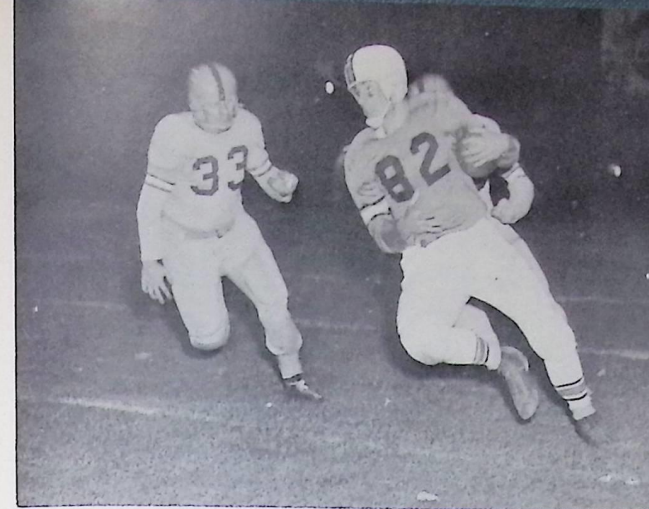

Mentor took the seasons finale, 33-8. A blocked punt by Vince Bauccho and a screen pass to Chic Santoro accounted for the Ranger scores.

With fifteen lettermen returning next year, Coach Winters is looking forward to a fine season.

WILL anyone ever forget our 1955 wonderful but rainy Homecoming game and dance? The excitement, the floats, the voting and then the big night. Margie was crowned at the dance by last year's Homecoming Queen, Doris Anderson.

WITH three lettermen returning from last year's team, which finished in the runner-up position in the District Tournament at Kent, Mr. Cupp's Rangers maintained their fine tournament record by taking the runner-up spot in the Riverside Invitational Tournament during the Christmas Holidays.

Regular season play was as spirited as ever as the Rangers posted an 8-12 record. Such highlights as the 77-49 win over Mentor and the 66-63 loss to the unbeaten Berea Braves will never be forgotten.

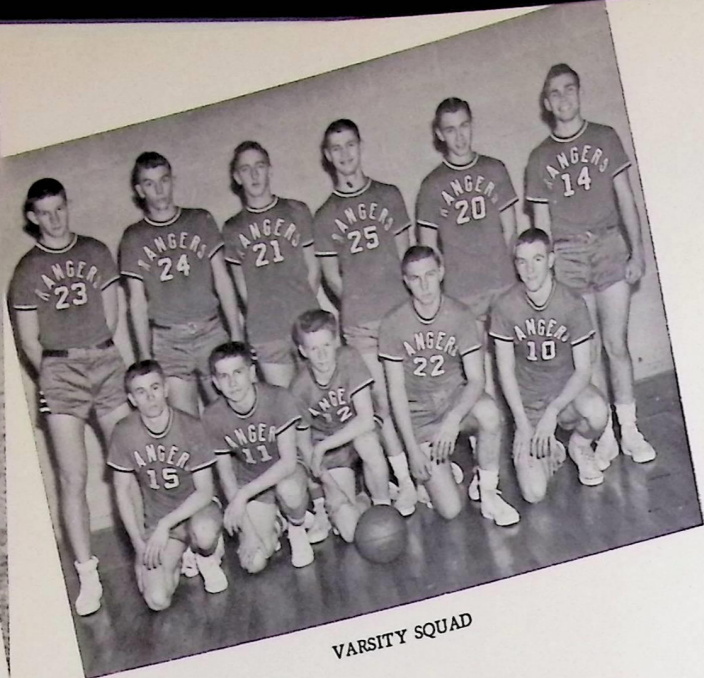

Fred Long led the Ranger team in scoring and in rebounds. He was closely followed by seniors Bob Shave and Bob Kennelly and junior Doug Pringle.

In addition to Pringle, Coach Cupp will have set shot artists Cliff Cook and George Korpi together with pivot men John MacIlwaine and Jim Thomas back next year. With these players plus the addition of talented underclassmen, Coach Cupp predicts a successful '56 season.

A CONSTANTLY improving junior varsity basketball squad under the direction of Coach Carl Custer finished an exciting season with an 8-10 mark. The Rangers hit their peak in their 45-40 win against Shaker Heights. In the last few games, Mr. Custer's squad hit on over 60% of their shots.

Jim Rauker was top scorer and rebound man for the Rangers. Jim's shooting percentage was over the 35% mark. He was closely followed by Jim Miller and Cliff Kraus. John Evans, after joining the team late in the season, helped spark the Rangers to victories in their last few games.

Other varsity prospects who contributed to the Ranger wins are Harold Hendershot, Tim Tyler, Junior Orick, Edgar Brott, Joe Lockhardt, John Matz, Chuck Loach, David George, Ray Mominey, and Bob Wendell.

Varsity Coach Marshall Cupp can look forward to having some of these boys with him next year.

COACH - STAN FOSTER

COACH FOSTER WITH SENIORS

Varsity Baseball

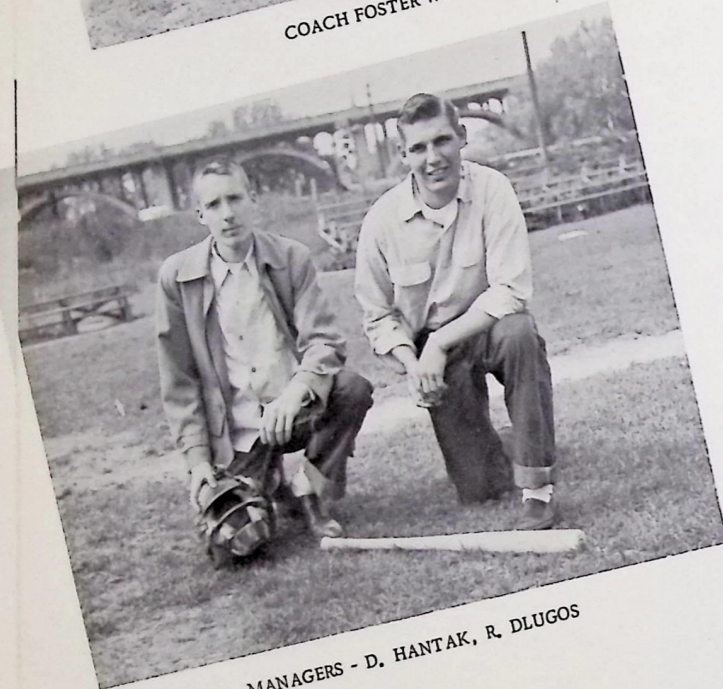

WILLOUGHBY'S Baseball Rangers finished on top of the G.C.C. for the third time in four years. Under Coach Stan Foster's direction, the Rangers won fifteen games while losing only three. After coping the G.C.C. title, the Rangers went on to win the District Championship. Although they dropped Rocky River, 8-0 in the Regional Semi-Finals, the Rangers were defeated by St. Ignatius in the Finals.

Kenny Miller paced the team in hitting by breaking the school record with a .452 batting average. Fred Long led the team in R.B.I.'s with 21.

Harry Lamed headed the formidable Ranger pitching staff with an eight and two record including two no-hitters against Maple Heights. He was named to the All-State team and is now pitching in the Cleveland Indians' farm system.

Three Rangers-Fred Long, Lund Jensen, and Harry Lamed-were named to the All-Conference team.

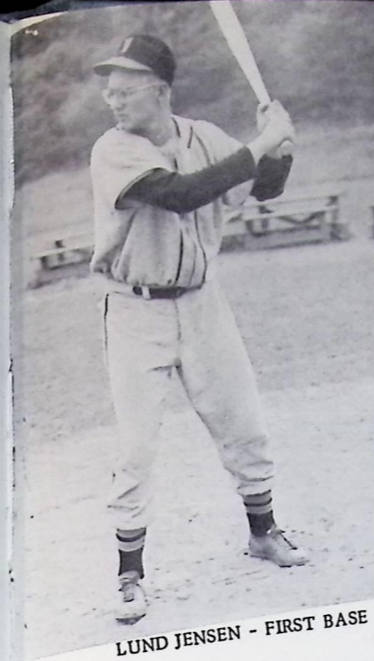

With ten men returning this spring, Coach Foster's squad should have another successful year.

THE W.H.S. Golf Squad had another terrific year on the links in '54. The Rangers walked off with the G.C.C. crown for the second straight year. His approaches dead to the pin, Bob Shave won medalist honors with a sizzling 73.

In season play the Rangers were undefeated, winning seventeen matches. In addition to the regular G.C.C. schedule, the Rangers entered several other tournaments. They turned back second-place Parma High to win the Sandusky Invitational Tournament. Smooth-swinging Jim Hildebrand was medalist with a 77.

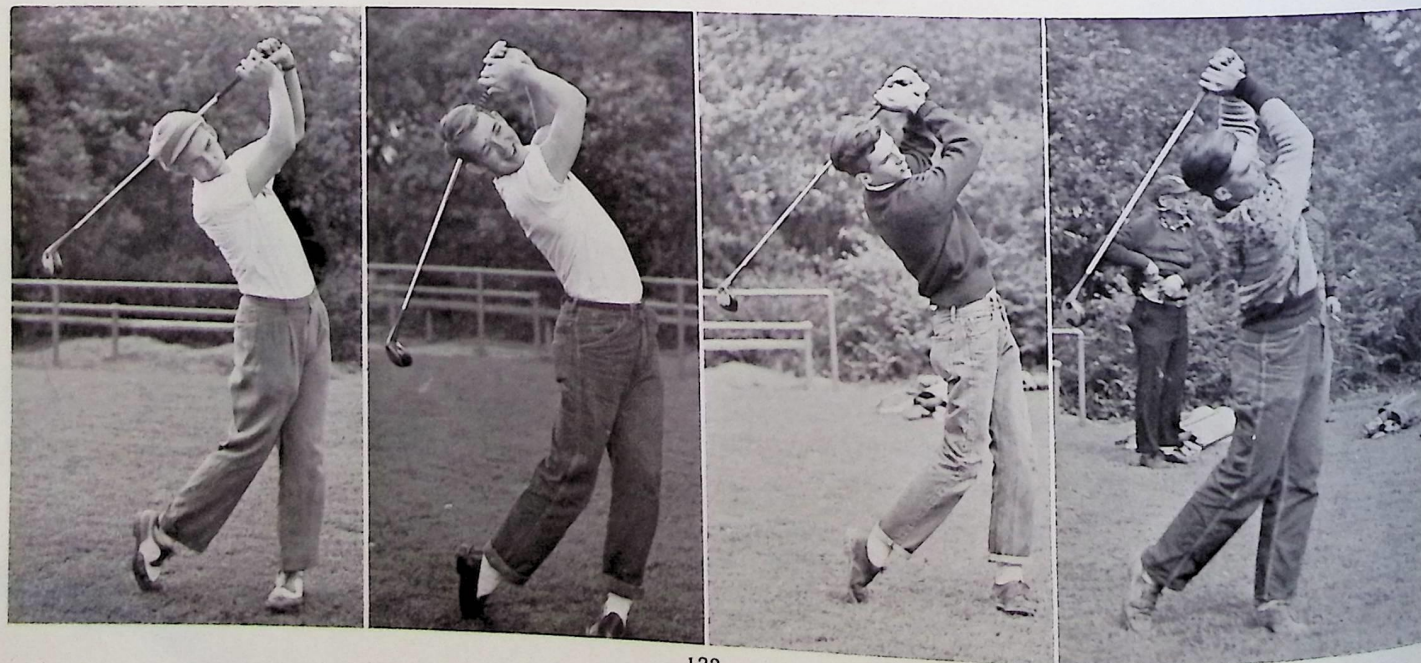

At Highland the Rangers captured the District Crown with a 327 score. Bob Shave tied Michael Montlack of Shaker Heights for individual honors with a 78.

Although Bob Shave and Jim Hildebrand tied for medalist honors in the state tournament with a 148, Willoughby finished third behind Columbus Aquinas and Upper Arlington.

The Rangers returned to add the Cleveland News Title to their already lengthy list of championships.

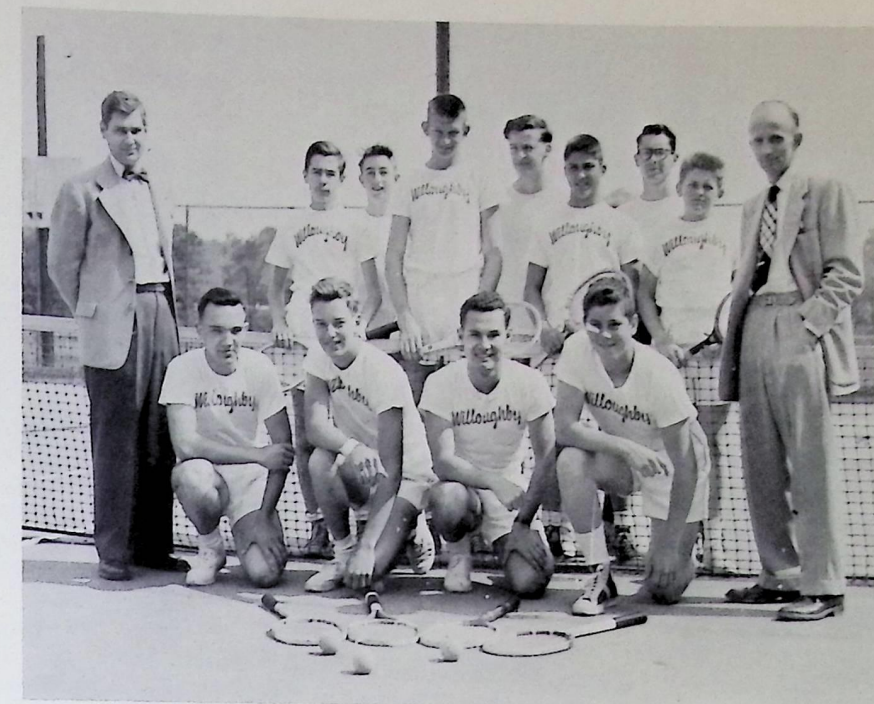

Over the summer, stylist Bob Shave won the Cleveland District Amateur, finished second in the State Junior and third in the amateur ranks in the Carling's Open.

Although the Rangers will miss Jim Hildebrand, they are looking forward to another great year. Coach Wike will have Bob Shave, Cliff Cook, Jerry Pizmoht, and Bob Beller back again.

Second Row: D. Kurrle, J. Ackroyd, J. Thomas, J. Naglich, N. Minitch, J. Ferrick, R. Shoemaker.

LAST year Willoughby High School had a Tennis Team for the first time in its history. Coached by Mr. Potter and Mr. Miller, the team took one of five matches, defeating Brush, four to one.

Dave Patterson, Scott Edgell, and Jack Naglich played the first three singles positions while George Herron and John Bacon held down first doubles.

This year the Rangers gained admittance to the Lake Erie League. The league consists of twelve teams divided into four divisions. The Rangers will start regular match play in the spring against their division rivals—John Adams, Benedictine, and Brush. At the conclusion of the season, the four division leaders will play off for the league title.

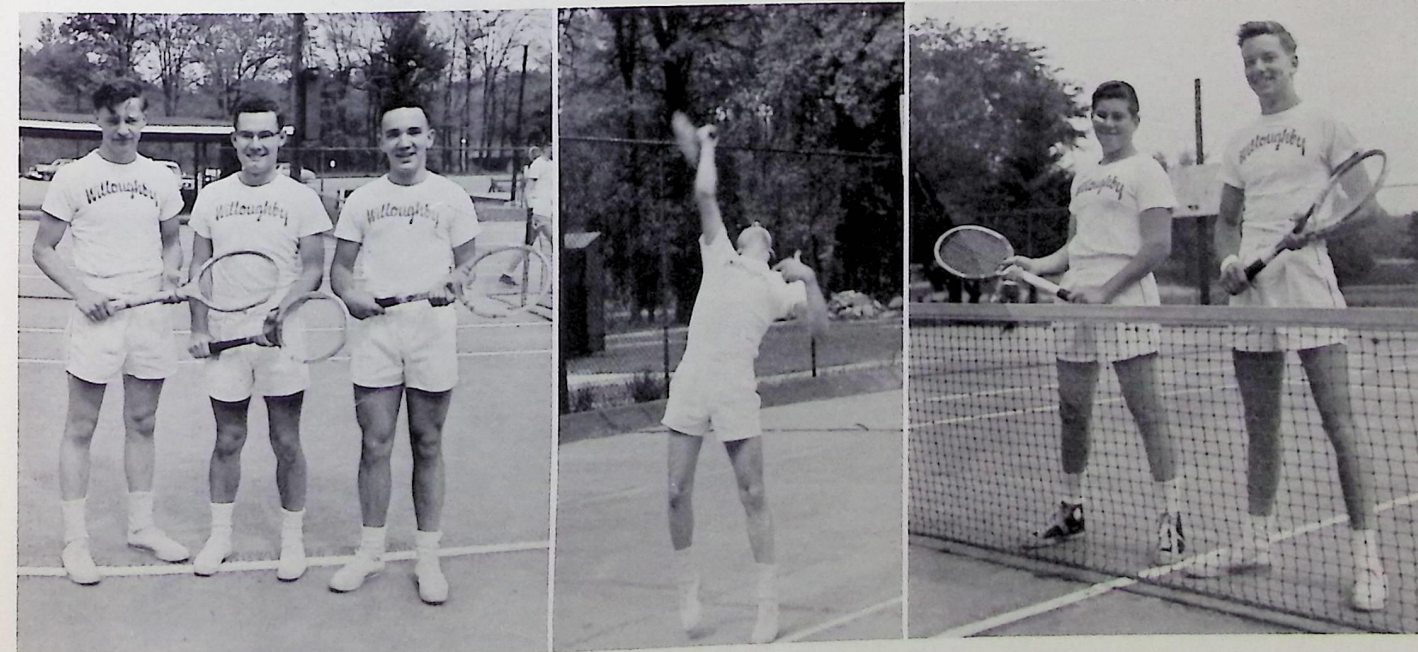

With the loss of only one senior, Coaches Potter and Miller are looking forward to a more successful '55 season.

LOW HURDLES - KINTER, STUPER, JOHNSON

ALTHOUGH Mr. Rall's track squad won only two meets against five losses during the regular season, they gained fourth place in the Greater Cleveland Conference Track Meet at Brush. Chuck Kinter brought home a first place medal for Willoughby when he won the low hurdles.

Coach Ralls had several individual stars on the squad last year. Miler Ed Sprague, defeated only twice, qualified for the state meet. Eddie, only a sophomore, won his heat but failed to place in the finals. With two more years of high school track to go, Eddie should bring back a first place medal for Willoughby before his high school career is over. Running with Eddie in the mile were Don Babson and Tom Wickersham.

The 880-yd. relay was run by Bill Shellhammer, Conrad Lemieux, Dick Stuper, and Lanny Bixel, while Jan and Joel Dyckes, Al Rossoll, and Bill Shellhammer handled the mile relay.

Speedsters Bill Shellhammer, Henry Kranz, and Jan and Joel Dyckes, and Denny McMullen carried Willoughby's banner in the 100-yd. and 440-yd. dashes.

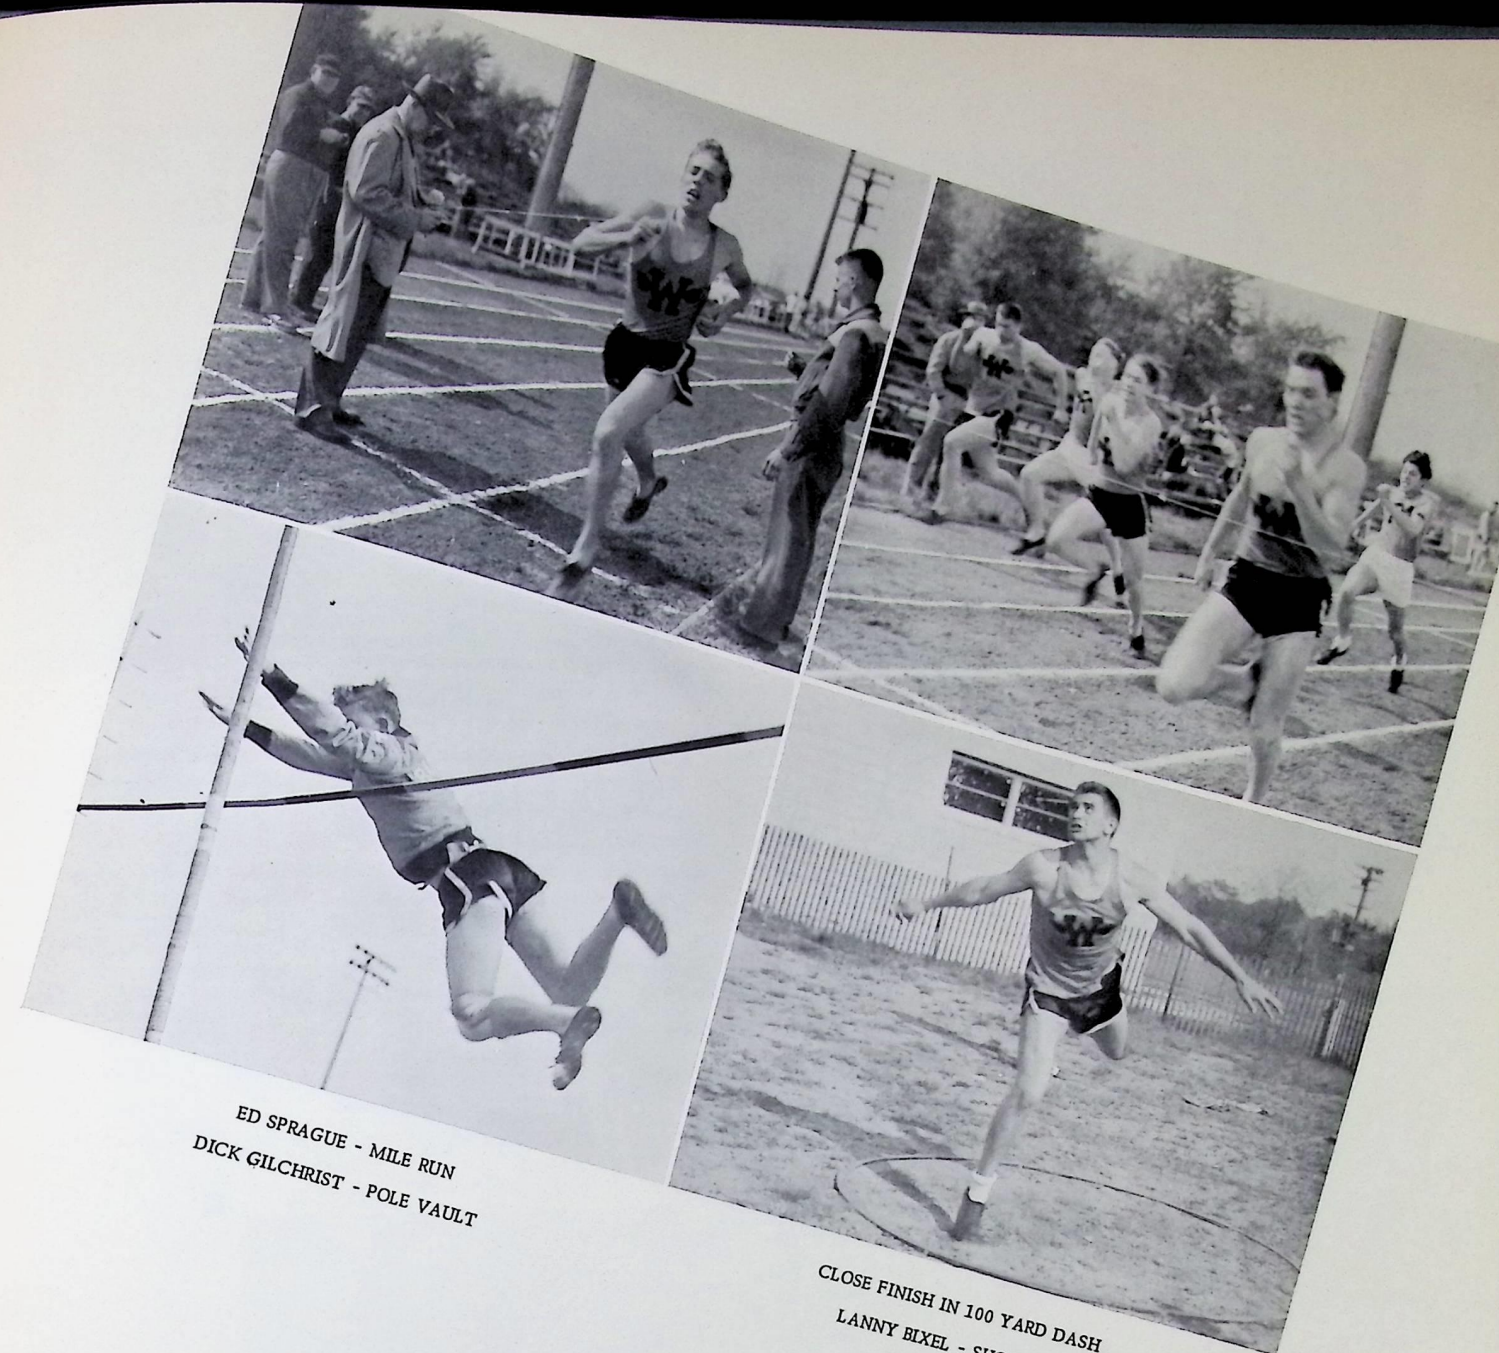

The hurdles were competently run by Don Barnard, Dave Alpeter, Gary Coates, Dick Stuper, Chuck Kinter, and Fleetwood Johnson. Ed Sprague, Don Babson, and John Conley ran the 880 for Willoughby.

Field events, shot put and discus, were in the able hands of Lanny Bixel, Jim Smith, Bill Shellhammer, Al Rossoll, Doug Lewis, and Gary Kadow.

Participating in the high jump, pole vault, and broad jump were Gary Coates, Henry Kranz, Don Barnard, Dick Gilchrist, Tom Blazy, Al Rossoll, and Dick Stuper.

With four lettermen returning and some new underclassmen, Coach Ralls is looking toward a better season in '55.

"W" Club

THE Purpose of the "W" Club is to give the girls of W.H.S. a well-planned and an interesting sports program.

Under the leadership of Miss Nancy Corl, the club gave a pancake supper and street dance, sponsored the Sports Frolic which included the annual Army-Navy game, held a play-day in May, planned Dads' Night at the football game, and dreamed up the idea of the float parade for the Homecoming Festivities.

Of special interest this year was the swimming session at Lake Erie College.

To become a member of the "W" Club, a girl must earn 95 points in various sports. She is admitted not only on the number of points she accumulates, but also on her interest, ability, and her desire to participate and to play, not always with the thought of winning.

The club also sponsors the GAA, for which a girl becomes eligible by earning 35 points.

Officers are Eileen Leyrer, President; Janet Steinbrenner, Vice-President; Barb Pour, Secretary; and Carolyn Parks, Treasurer.

HOME COMING FLOAT

MEMBERS of the Varsity Club are those boys who have won a letter in a major sport at W.H.S. The purpose of the club is to promote the highest ideals of sportsmanship, leadership, fellowship, and school service.

This year the club members entered a float in the Homecoming Parade, sponsored a hayride and enjoyed a well-attended informal dance. They helped with the intramural program and they awarded a trophy to the outstanding athlete of the school year at Willoughby. The members also attended various athletic events, such as baseball games, hockey games, the globetrotters' annual exhibition game at the Arena, and many others.

Another project that the club had was framing and hanging pictures of W.H.S. teams for the years since our school first entered the Greater Cleveland Conference and photos of all athletes who made a G.C.C. first team award.

The club's advisor is Mr. Harry Winters, and the officers are Fred Long, president; Butch Lauderback, vice-president; Doug Pringle, secretary; and Bob Kennelly, treasurer.
