The responsibility of the 1975-76 Lens Yearbook is one I will remember and hold in my heart always. It's completion would not have been possible without the help of my dedicated staff. I understand we cannot please everybody, but we feel this book will satisfy the majority.

I would like to thank our patient and understanding advisor Mr. Andrew Hobart. Mr. Donald McCoy and Mr. Paul Goodwin also were there during trying times. A special thanks to Morris and Douglas Levine of Raimor Studio and their helpful Staff for always coming through.

Sincerely yours,
Gerrie Demore
