

Ranger Nation

Ranger Nation created by Dennis Reilly, North High's Athletic Director, is a student spirit group formed to support athletic contests. It started as an idea for students to be able to afford as many games in each sport as they would like to. Since its introduction, in one year it has grown into 100+ students strong. Students pay one low fee for a year-long, unlimited pass to all of North's athletic events.

Ranger Nation Members attend games, perform chants and support their teams with an emphasis on sportsmanship and school pride. All Ranger Nation members sign a sportsmanship pledge to receive entry into all sporting events. To recognize their commitment to Ranger sports they get a Ranger Nation t-shirt with their membership.

Dan Hoberney wins the PAC in wrestling at 119 lbs.

Spirit Week

Spirit Week 2010 was full of the usual excitement that this tradition brings to the Rangers every year. It is a chance for students to show their school pride in a new way each day. Monday was Superhero Day, Tuesday was Ugly Sweater Day, Wednesday was South Nerd Day, and Thursday was Crazy Orange and Black Day. For the first time, the senior run was cancelled but hopes were still high for the North v. South game. Students and faculty enjoyed the chance to dress up and build up momentum and spirit to cheer the Rangers on for the game.

OUR STARS

The Odd Couple

Can two adult men live together?

North High's fall production of "The Odd Couple" helps answer this question through comedy. Full of snappy one-liners and basic comedy devices (the title says it all; opposites are funny), the play is about recently divorced slob Oscar Madison (Michael Moysenko) and his persnickety clean-freak friend Felix Ungar (JJ Luster). Other characters include poker players Speed (Jackson Jusko), Murray (Jason McGlynn), Roy (Flavio Adjinaj) and Vicky (Iris Telan). During the weekly poker game at Oscar's apartment, Felix shows up, despondent: his wife is divorcing him. By the end of the first act (in which all the characters are rather irritatingly angry and flustered with one another), Felix is moving in with Oscar. He wreaks havoc on Oscar's slovenly lifestyle, constantly cleaning up and insisting the poker guys use coasters. Oscar's annoyance at Felix's obsessive-compulsiveness reaches the boiling point when British birds Gwen (Shante Fencel) and Cecily (Paige Furlong) come over for dinner

and all Felix can do is weep about his ex-wife. The short time they attempt to live together, Felix and Oscar experience some tense and awkward moments because they are such opposites. Felix's cleaning, hygienic tips, and

*"Because I can't stand living alone, that's why! ...For crying out loud I'm proposing to you, what do you want, a ring?"
Michael Moysenko as Oscar Madison*

healthiness annoy Oscar while Oscar's crazy world of living like a pig upsets Felix. After attempting to work out their differences, they realize that maybe they shouldn't live together, but in the process they'll learn that love, trust, and friendship are more important than living in different worlds.

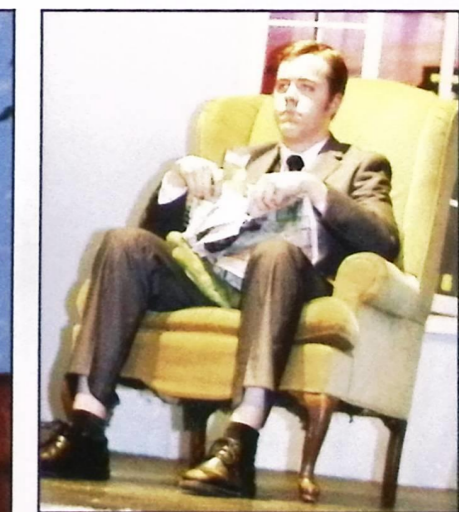

The cast of "The Odd Couple": Jason McGlynn, JJ Luster, Jackson Jusko, Flavio Adjinaj, Paige Furlong, Shante Fencel, Iris Telan, and Michael Moysenko.

Michael Moysenko as Oscar Madison.

Murray (McGlynn), Oscar (Moysenko), Felix (Luster), and Vicky (Telan) gather around the poker table.

JJ Luster as Felix Ungar

"AWKWARD!" Felix (Luster) gets stuck in an uncomfortable position with sisters Cecily (Furlong) and Gwendolyn (Fencel).

Senior Trip to Washington

Once again North seniors filled the buses to enjoy three activity-filled, memorable days in our nation's capital. The senior trip to Washington is a long-standing tradition that students look forward to. While in Washington, students visit all the national monuments, tour the capital building, and run the stairs at the Lincoln Memorial. Students were moved at the Vietnam Wall and the Korean Wall where they left flowers for all eleven NHS students who lost their lives in the two wars. Other highlights of the trip included the Iwo Jima Memorial, which is toured at night, leaving a lasting memory of the sight. Students will always cherish the opportunity of seeing the changing of the guard at Arlington National Cemetery. Because each monument proved to be a memorable experience, the students hope to have the opportunity to revisit them with their own families. Students visited the Kennedy Center to see "Sheer Madness." Everyone loved attending the murder mystery in the beauty salon which sparked lively dialogues after the show. Students also enjoyed the Medieval theater show where knights jousting was topped by being allowed to eat dinner with their hands.

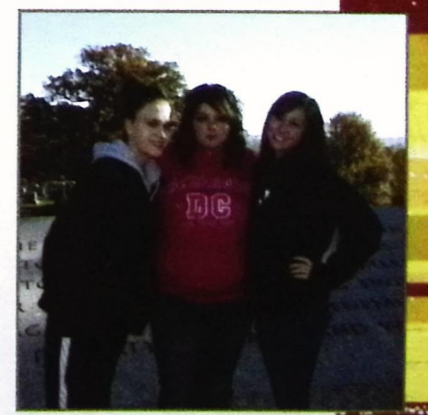

"D.C. was the greatest experience of my life and spending it with my friends made it so much better. There was so much to see and learn. None of us wanted to leave because of how much fun it was. From my experiences there, I have decided that I want to go back in the future." - Brenden Porterfield.

"For me, the best thing on the D.C. trip was the Tomb of the Unknown Soldier. It showed me the true sacrifice of our soldiers."
- David Blatnik

"I can't believe how much of D.C. we saw in 3 days!"
- Mrs. Misconin

National Honor Society

The National Honor Society (NHS) is a recognition program for high school students in grades 10-12 in the United States of America and in several other countries. The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who demonstrate excellence in the areas of scholarship, leadership, service, and character. These characteristics have been associated with membership in the organization since its beginning in 1921.

Today, it is estimated that more than one million students annually participate in activities of NHS and its middle level counterpart, the National Junior Honor Society (NJHS). NHS chapters are found in all 50 states, the District of Columbia, Puerto Rico, many U.S. territories, and Canada. Chapter membership not only recognizes students for their accomplishments but also challenges them to develop through involvement in school activities and community service. Both NHS and NJHS were founded by and are programs of the National Association of Secondary School Principals (NASSP).

Holiday Choir Concert

The 2010 holiday choir concert was a memorable one. Despite the fact that it was scheduled a week later than the original date because of a snow day, all three groups managed to pull off a well-performed concert. Mixed Choir, Northern Lights, and Concert Choir brought holiday cheer to the audience and made this concert a holiday favorite.

The Mixed Chorus: Billy Amata, Kim Appeldorn, Anthony Bagliano, Angela Benvenuto, Deidra Berhent, Larissa Boley, Iva Bradvica, Amanda Burgo, Jessica Chamblin, Jonah Chizek, Chris Elliott, Kristal Ellis, Susan Fierle, Caitlin Fish, Grace Hackett, Jake Hodges, Jess Horvat, Sami Hudak, Jessica Klein, Shannon Kokish, Fred Kovach, Ravenne Lang, Kaitlyn Lewanski, Jensen Luciani, JJ Luster, Bianca Marcellino, Jenny McCarthy, Katelynn McClendon, Kayla McKelvey, Maureen McLaughlin, Reagan Meyers, Nina Miller, Brett Molakakis, Matt Moses, Kelsey Noonan, Toni Paglio, Ashley Parkinson, Monicia Peters, Courtney Peterson, Adam Piller, Becky Piller, Ashley Prohaska, Victoria Putzbach, Hailey Ramsey, Jake Rayl, Kari Rosato, Gina Sapio, Caitlin Scanlon, Lexi Severini, Bobbie Silsby, Katelyn Slechta, Breanna Smith, Aleah Sokalski, Des' Sokalski, Sarah South, Lydia Stephens, Halie Sternot, Amanda Stewart, Michelle Swanner, Rachel Swiney, Sarah Teknipp, Joey Vahcic, Kathy Varro, Karli Voss, Brandon Watson, Blayne Wells, Jessica Yeagley.

Freshmen Trip to New York

Each year high-ability social studies students from North and South head east for a whirlwind trip to the Big Apple. This is a cultural experience that always leaves a lasting impression on the students. Many talk about returning with family members. While in New York City students tour the Statue of Liberty, Ellis Island, United Nations, Natural History Museum, Metropolitan Museum of Art, and the Empire State Building. "Every time we go to a site and give them an opportunity to tour on their own and meet back at a designated time, I am always impressed at the responsibility of our young students, usually 14 years old. They are always on time and conduct themselves in a professional manner," said Natalie Beller. Students are amazed at the grand size of New York City. They are full of excitement and surprise as they begin their weekend enjoying all the sights and sounds. This year while visiting Rockefeller Center, during the airing of the *Today Show*, some students had the opportunity to shake Al Roker's hand. A favorite stop every year is Chinatown. Everyone is excited to visit the vendors and shop for cheap goods. Students return to the bus with their knock-off versions of designer products, sunglasses, T-shirts and an array of clothing items. "This is one of the best groups we have had over the years. They were well behaved and on time every time," said Joseph Bozic. "Each year we have the opportunity to enjoy a Broadway play. Students saw *Million Dollar Quartet* this year with positive reviews." He continued, "I am proud every year to take the kids on this trip; they always exceed my expectations."

Little Shop of Horrors

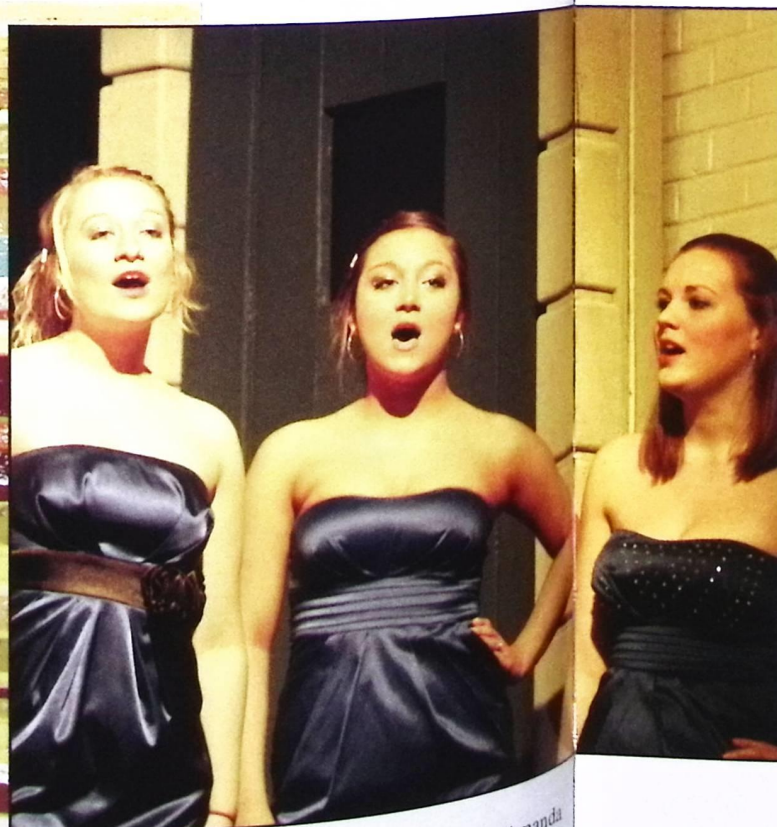

"On the 23rd day of the month of September... in an early year of a decade not too long before our own... the human race suddenly encountered a deadly threat to its very existence and this terrifying enemy surfaced as such enemies often do...in the seemingly most innocent and unlikely of places."

This quote opened the spring play *Little Shop of Horrors*, a musical with catchy songs and comedic lines. The major roles were those of Seymour (JJ Luster) and Audrey (Taylor Tanski). Seymour, a clumsy, poor boy, secretly likes Audrey, his fragile co-worker who has an abusive boyfriend. Seymour and Audrey work at a flower shop owned by struggling businessman Mr. Mushnik (Michael Moysenko). Woven throughout the play is the sassy trio of Crystal (Grace Hackett), Ronette (Amanda Stewart), and Chiffon (Brie Taylor) who seem to know what's going to happen in the near future. The flower shop is struggling to stay in business with very few customers until Seymour introduces a strange new plant he named Audrey II. Seymour is puzzled as to why the plant isn't growing and soon discovers that it needs to eat blood. Seymour gives it his blood to sustain it for a while. The plant brings fame to the little flower shop and to Seymour who is now a rising star in the neighborhood. Mr. Mushnik wants his part too, so he adopts Seymour. Meanwhile the plant starts to talk and tells Seymour that he wants food. Seymour can't supply any more blood and doesn't know what to do. It takes a visit to Dr. Orin Scrivello (Joey Vahcic), Audrey's "semi-sadist" boyfriend, for Seymour to plan to kill him both for Audrey and Audrey II, but he doesn't have the courage. However, after Dr. Scrivello dies by suffocating in his gas mask, Seymour feeds him to the plant. Because Mr. Mushnik becomes suspicious of Scrivello's disappearance, Seymour tricks him into being eaten too. Then, Seymour and Audrey confess their feelings for each other. Everything seems like it will work out for the couple until one stormy night. Audrey goes into the shop alone and is almost devoured by the plant. Although Seymour pulls her out, Audrey knows she will die anyway. She asks him to feed her to the plant. Seymour tries to kill the plant but becomes the plant's next dinner. Audrey II is later cultivated and spread throughout America which had been the plan all along. Some of the plants are shown with the faces of Seymour, Audrey, Mr. Mushnik, and Orin. Though they ask for food, whatever you do, don't feed the plants!

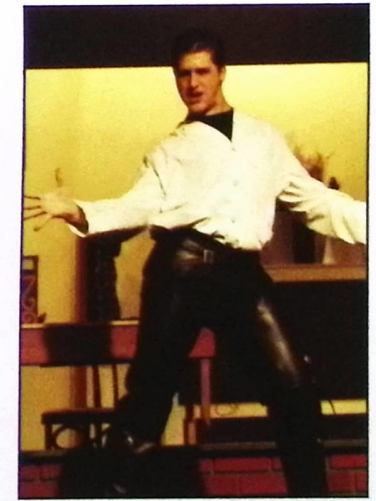

Audrey (Taylor Tanski) and Seymour (JJ Luster) sing of living together in "Somewhere That's Green"

*As our seniors leave to start their new lives
so do two familiar faces as
Karen Donahue and Bill Juliano retire*

Karen Donahue taught for eight years before taking time off to raise her children. After being a stay home mom for seven years, Karen returned to teaching. Karen began her teaching career at Northridge High School in Dayton for four years. She continued teaching in the Cleveland area at Charles Elliot Junior High in Cleveland for one year, Lindsey Elementary School in West Geauga for two years, Center Street School in Mentor for one year, and South for one year. Karen joined North twenty-five years ago and never left. Karen is a teacher that believes in being fair and having a sense of humor to deal with students in a positive way. Some of her favorite memories include singing duets with Mr. Reilly to the students and the Root Beer Float/Caesar Salad Party. In parting her words of wisdom for the students are, "think before you speak." In retirement she hopes to visit Alaska, tour the west coast of California, and visit Italy to see Rome, Florence and Venice. She also plans to kiss the Blarney Stone in Ireland.

Karen will do volunteer work for Hospice and has already completed their training course. If Karen could be someone for a day, she would be the Queen of England to have people wait on her and never have to cook or work. She would enjoy having all the Queen's money and wearing crazy hats. Karen leaves North by saying, "I hope my students remember me and the many students I lent money to will pay me back."

For many people, retirement represents a point when they are able to pursue their passion or things they have missed out on doing during their career. I, however, am very fortunate to have had the opportunity to not just enjoy many of my passions during my career but to have been involved with them as part of my career. I have enjoyed going into work every day and facing various challenges over the past 30+ years that have made my career interesting and meaningful. I have had the privilege of working with students and seeing them go on to lead successful lives as attorneys, nurse practitioners, law enforcers, and more! I have also been able to work with people who have become lifelong friends. In addition to teaching, I have had the opportunity to coach football and track for 30 and 28 years, respectively. I have seen one of my football teams make it to the State Championships (1986), several to district championships, track athletes compete at the district and state levels, and even a track athlete who has gone on to and is still competing at an Olympic level.

Looking back on my teaching career, my beliefs have consistently reinforced that changes in life cannot be avoided. Change promotes growth, and growth enables you to lead a satisfying and fulfilling life! In the ever-evolving field of education, change is inevitable. It is with this that I advise each of you not to fear change. Embrace change as an opportunity to learn and grow as an individual. Retirement should not be viewed as an end. It is really just another opportunity in life to allow yourself to head in another exciting direction! There is so much more to life than what happens after you retire. Whatever experiences you choose to have in life, make them based upon what you enjoy. You have the power to either make it miserable or enjoyable. You have the ability to choose to make it become whatever you wish! In doing so, you will be able to look back upon your life with a sense of peaceful satisfaction and no regrets.

Ranger Sports

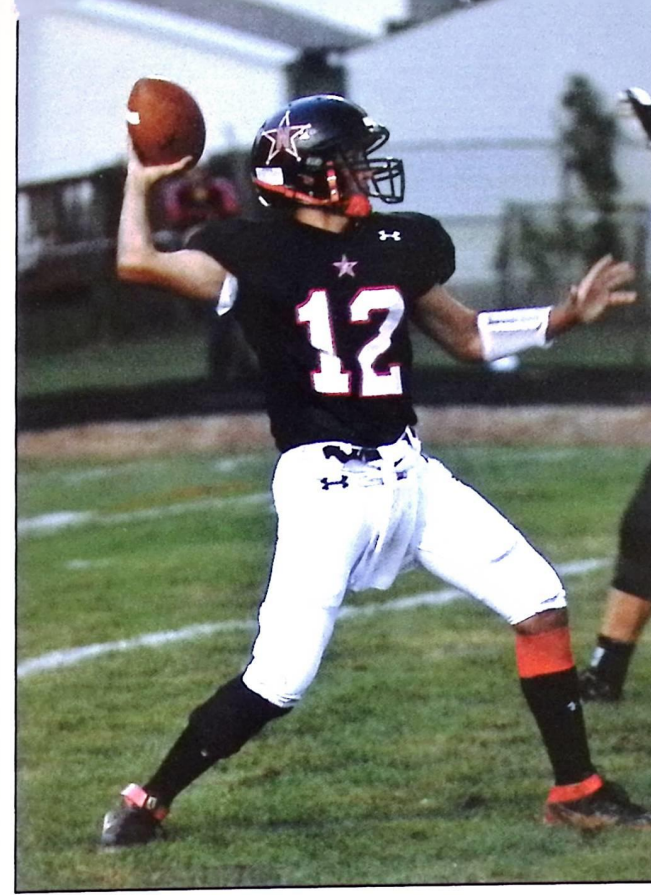

The 2010-2011 football team, under the direction of head coach George Burich, continues to improve every season. Beating last year's record the Rangers ended their season with a record of 5 wins and 5 losses.

Defeating Chardon at Chardon for the first time, having the game versus South televised on Fox Sports, and beating Bishop Ryan 51-0 are just a few highlights for the Rangers this season. Senior captain Ante Lozancic finished his stellar high school career with 366 tackles at middle linebacker, while senior Brent Bryner led the Rangers by completing 54 receptions. Junior Jordan Morris was the first 1000-yard rusher in seven years and junior George Gresko threw for over 2000 yards in back-to-back seasons.

When asked about the departing senior Rangers, Coach Burich said, "We will truly miss this year's seniors because they are such a likeable group of young men. Each one of them found a way to contribute to the team."

North High is proud to have raised over \$3,000 for the Wounded Warrior Project. The Rangers wore camo jerseys on Military Appreciation Night and enjoyed a victory, defeating Bishop Ryan 51-0.

Who do you want to beat next year?
 Coach Burich's answer was simple:
 "S-O-U-T-H!"

The 2010 season under the direction of head coach Jennifer Orlando started off at Americheer camp at Otterbein College. The squad competed against other squads on various levels competing for different titles in a very competitive field. The girls won Top Squad for the 3rd year in a row. They were also named an All-American team and earned superior ratings at the camp. "The girls showed off their abilities during the football season. They always made an effort to show their spirit, energy and enthusiasm throughout the year," said Orlando.

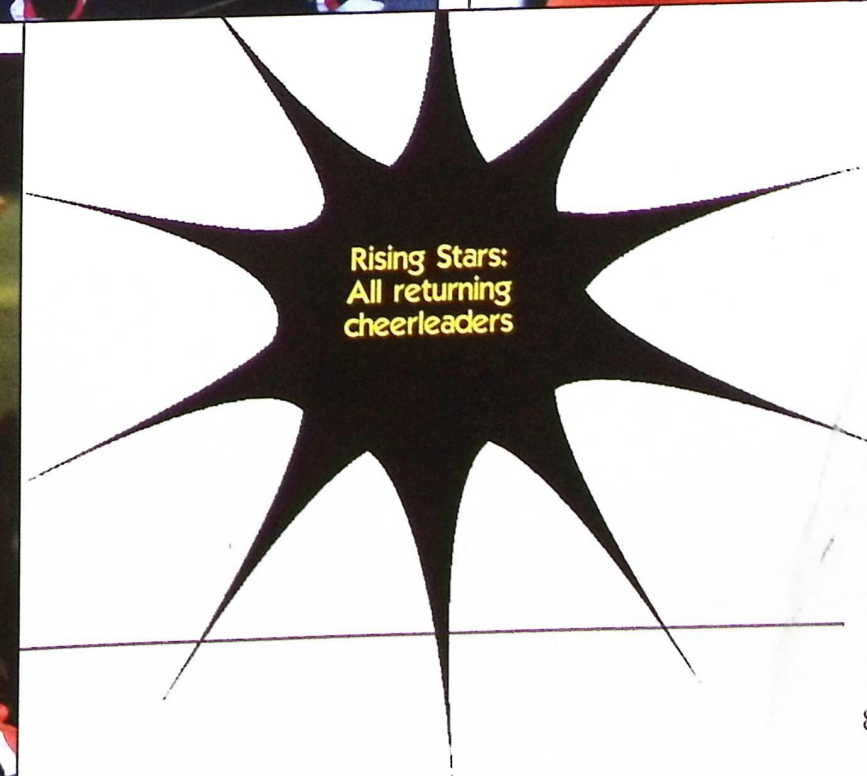

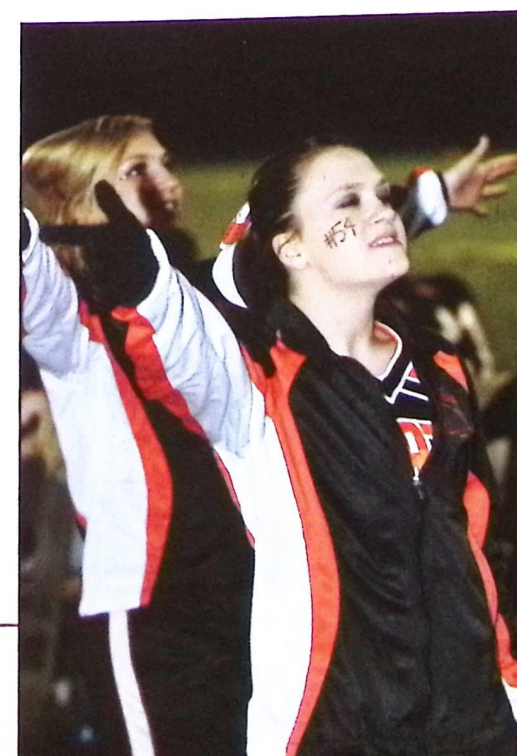

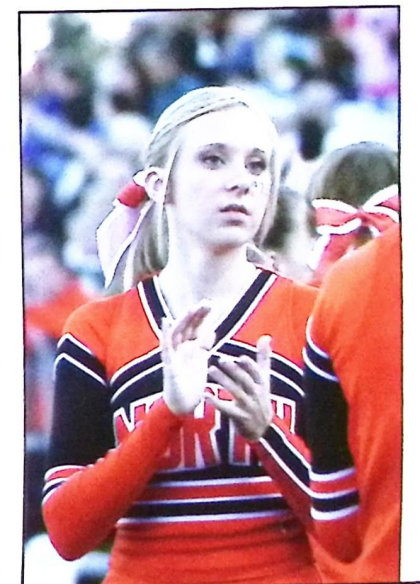

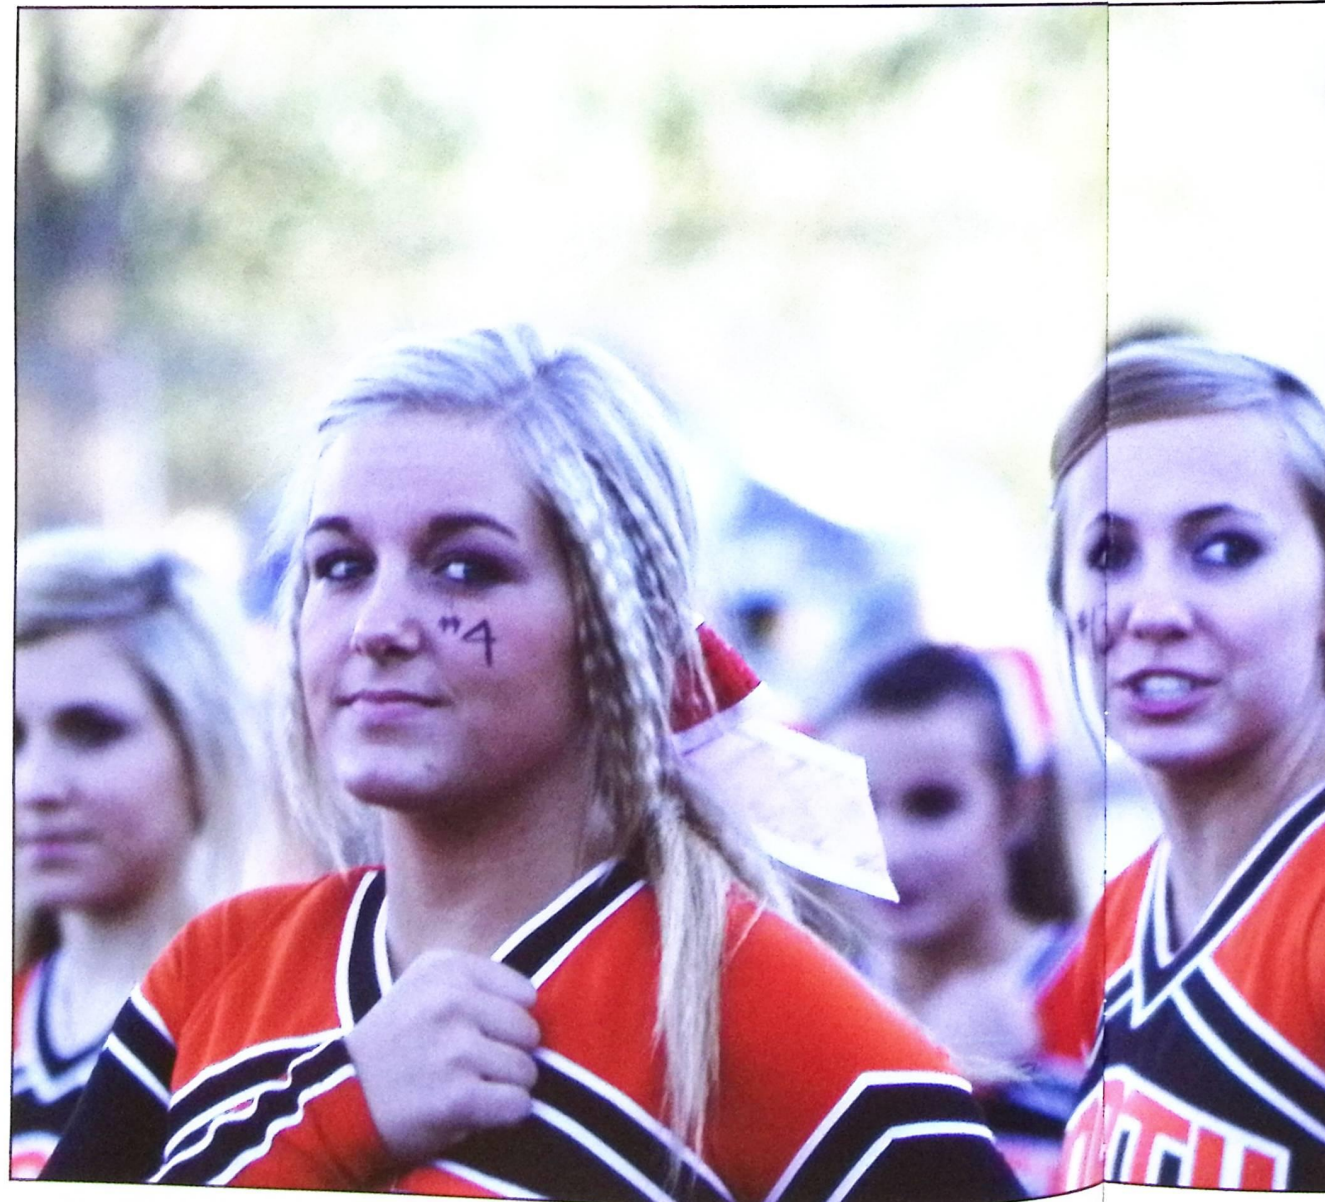

The season ended at the Monday night Malta competition at the Boneyard. They competed against Lake and Cuyahoga county teams for top honors in the area. The girls were successful in capturing first place out of eight teams, marking the season's best moment. "I was extremely happy with how the girls competed and represented North High. They always smiled and showed how much they cared about their team and school," stated Orlando.

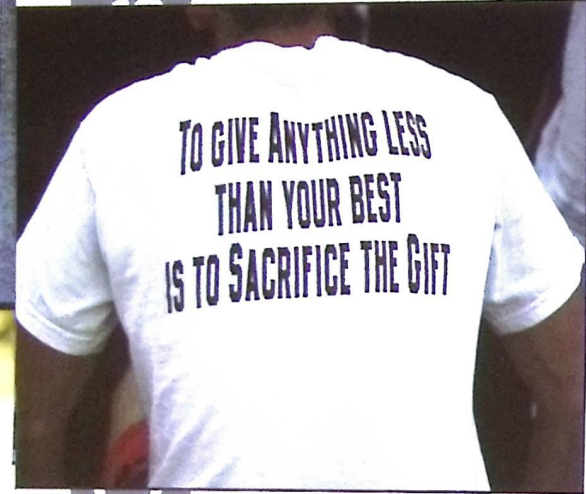

This season, six seniors participated, two of which had never cheered for North before. They proved to be extremely talented and were instrumental in guiding the squad. Departing seniors are: Samantha Chmielewski, Hannah Weaver, Taylor Tanski, Hope Bratcher, Julie Vathananonh, Kelly Grauel.

"I am looking forward to the younger girls coming up. They possess the experience and talent to keep the tradition of winning and school spirit high." Orlando continued. "I am always so proud of the girls. They are able to carry honors and AP classes as well as keep their grade point average at 3.5 or above to remain on the squad."

The boy's cross country team under the direction of coach Rob Grove and assistant coach Chris Smith finished the 2010 season in third place among the

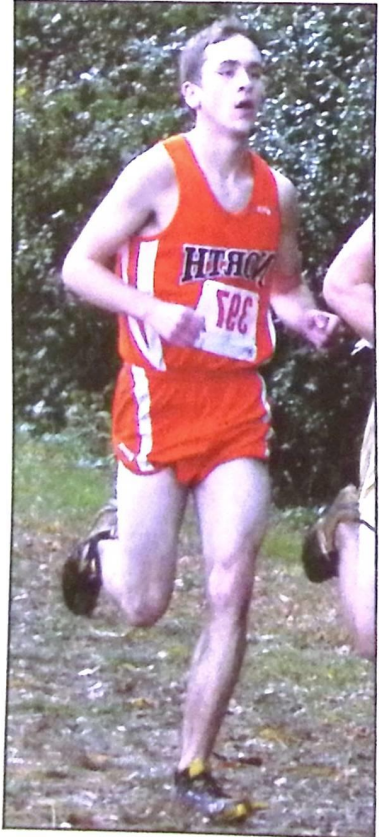

Three seniors will be leaving the team. Coach Grove said, "I wish our seniors Scott Wright, Dean Gugliotta, and Nick Murg the best of luck in their future endeavors. Thanks for the memories".

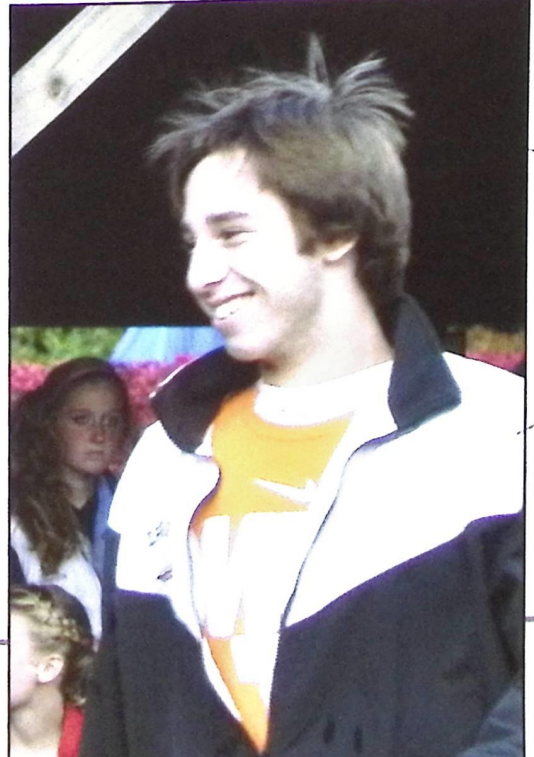

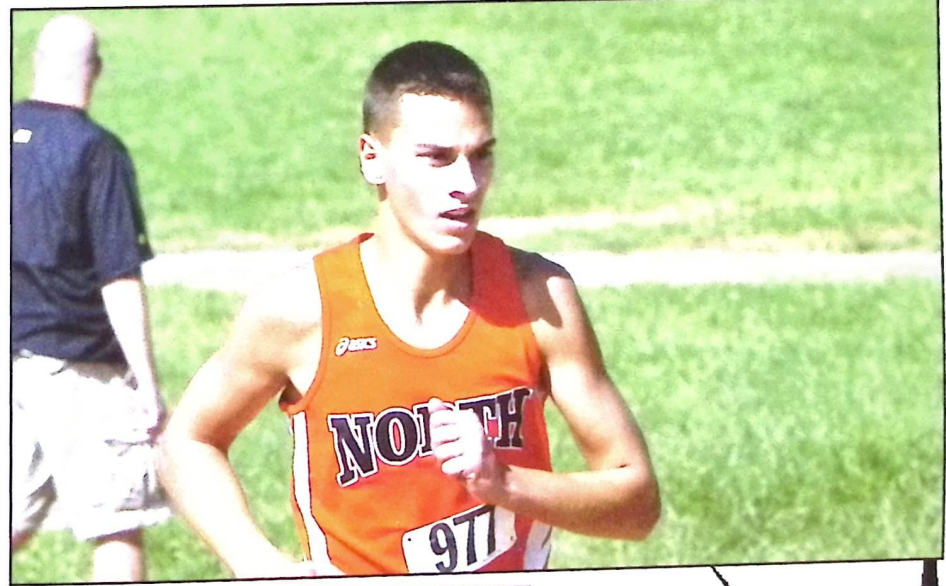

Anthony Car and Brandon Green were First Team All PAC. Anthony finished Second in PAC while Brandon finished sixth. Scott Wright was Second Team All PAC finishing fourteenth.

eight teams in the PAC. Another highlight this season was the performance of Anthony Car who qualified for regionals by finishing sixth in the District Competition.

The Girls Cross Country season came to a close with less than expected results despite the dedication and effort of the girls under the direction of head coach Tara Smith. As a first year head coach, Tara brings with her the experience of being an assistant coach for the past seven years. Tara said, "After the challenges of the paperwork, it is important to remain close with the girls. This is the part of the job that I cherish the most. Each year I grow close to the girls and I am very fond the squad."

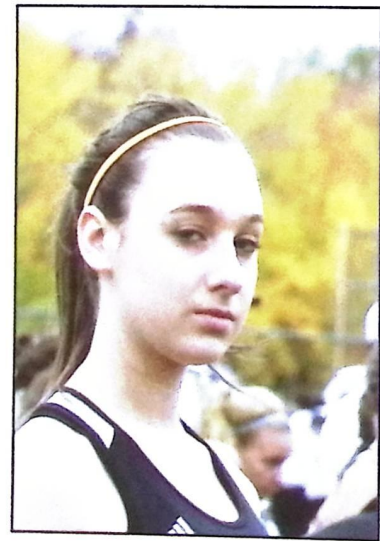

This is a very difficult sport that requires a certain type of athlete to be competitive. Every season has a rough start because practice begins the first week of August. The girls struggle with the heat and humidity early on. "I would like to see more girls try out for the team. Dedication and hard work always pay off in any sport, and especially in ours," said Smith.

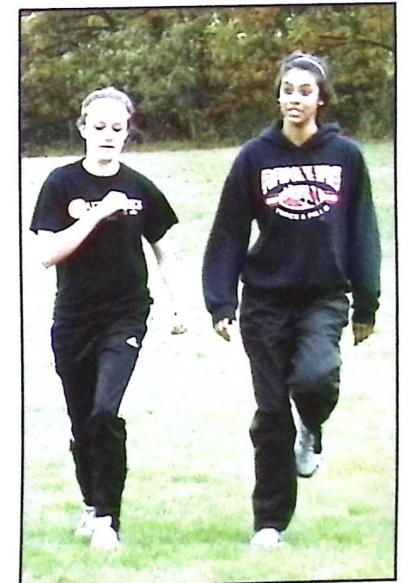

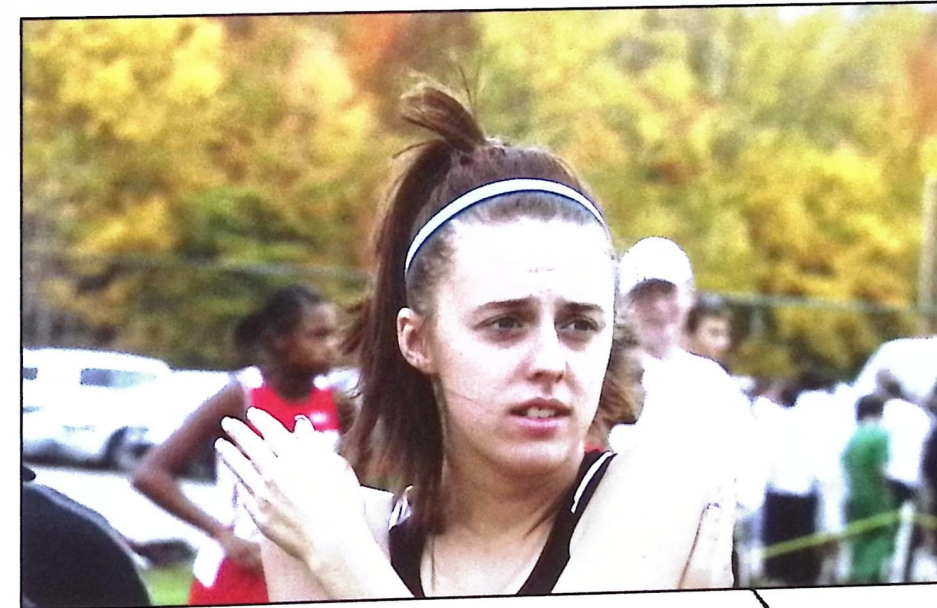

The team was a small one with less girls than is ideal, forcing the girls to compete with only 6 runners at a time. "With the number of girls that participated, I was pleased with their efforts. Many of the members had to work very hard to remain competitive."

"To my seniors, Best of Luck in college and I hope that you transfer all the hard work that you did during your competitive seasons to all that you do every day of your life. I know you will succeed," said Tara. Departing seniors are Letitia Scavnicky and Desire Gay.

Ending her first season with a notable record was freshman Stephanie Chlad, who became the number one runner for the team. During the first meet at South, Stephanie was in the top 20, and earned a metal. Adrea Ayres was committed to improving her abilities while being a member of the marching band at the same time. She had to juggle her schedule to attend practices and events.

Boy's Soccer under the direction of head coach Steve Misick and assistant coaches Max Wrnyak, Vjeko Dedk, Nick Ban experienced their first losing season since 1997. Misick attributes the season's results to a senior laden team returning from a disappointing 2009 season and the most aggressive schedule he had experienced in 22 years of coaching. Despite the hurdles the team had to face, Misick felt everyone competed pretty well, even without placing wins in the win column. The team can be

very proud of their efforts throughout the season and for placing 2nd in PAC play for Northeast Ohio.

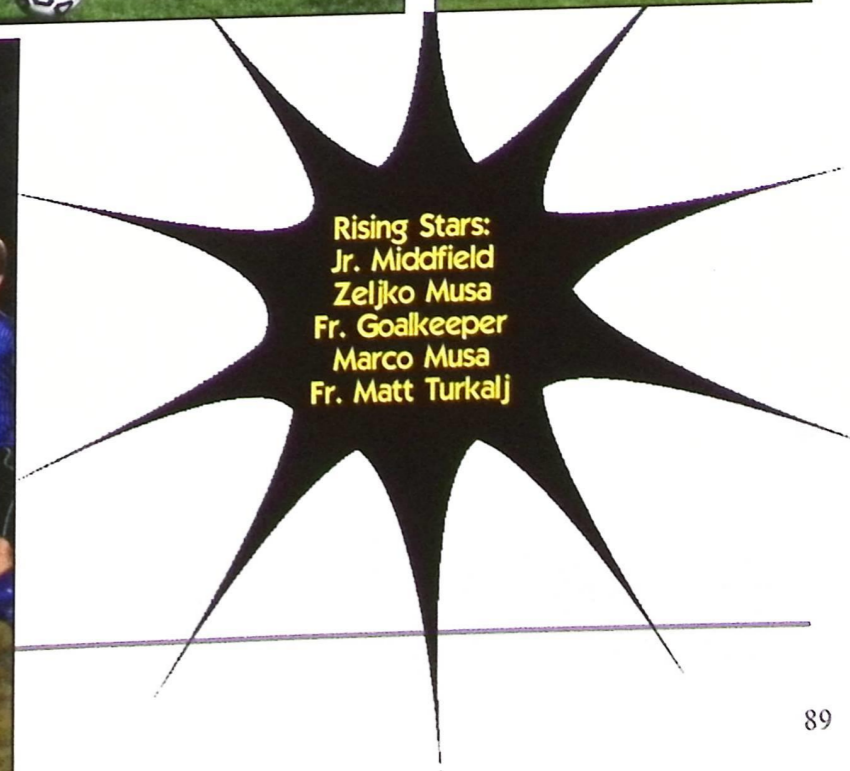

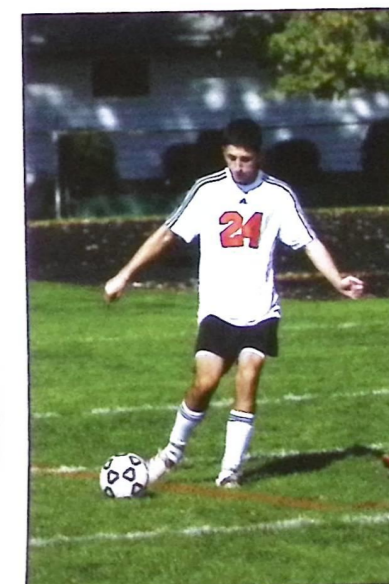

The season was not without memorable highlights, such as holding eventual division 1 State Champs St. Ignatius scoreless for 65 minutes. It's this type of accomplishment that the athletes should always hold dear. He states that St. Ignatius was their toughest game of the season and one he looks forward to in a rematch.

This season's stars were:
Sr. Goalkeeper- Kyle Shockey
Sr. Defender- Jesse Moore
Sr. Midfield- Anes Slijvo

Misick wants to pass these words to his seniors, "Give a great effort; expect great results."

North girl's soccer under the direction of head coach Tony Rados and assistant coaches Sean Dorsey and Jim Chlad enjoyed an excellent season with a record of 4 wins.

The season was full of many highlights with seven freshmen playing starting positions. Stephanie Chlad came out strong as a freshman with an impressive eleven goals for the season. Along with the new team members, returning players also saw tremendous growth. Returning player Justyn Bencina finished her season scoring 7 goals in 2010 compared to 0 in 2009. As a team there were many top moments to remember, like scoring

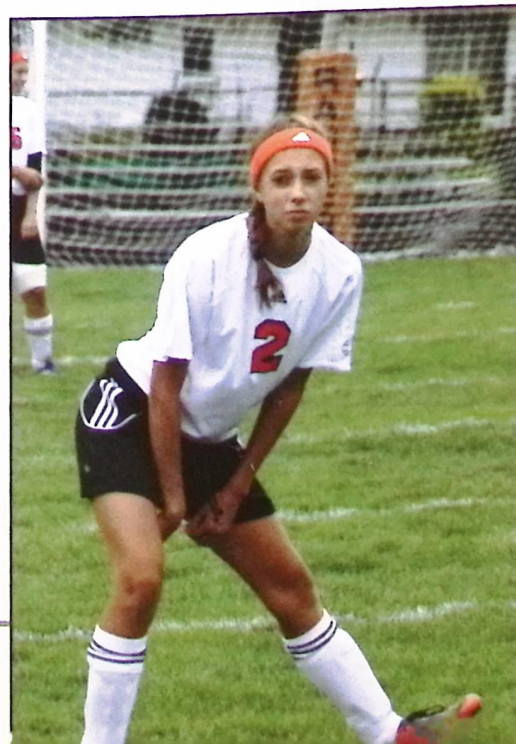

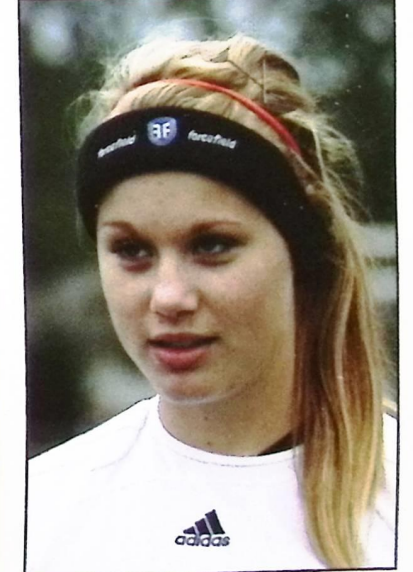

a win over Lakewood, a top-rated team, with a 2-0 victory. The girls not only played tough and competitive during the season, but in their playoff game with Chardon, the girls kept the score tied at 1-1 for 68 minutes, proving that these girls are staunch competitors. One of the hardest moments for the team was their loss to Nordonia with a 0-1 final because they had been unable to capitalize on several chances to put a win on the board. Rados said, "I look forward to every game next year except for our three departing seniors. We will have a strong team with all of our players coming back for the 2011 season. I have a great group of girls! I would not trade them for anything."

Parting with the seniors, Rados adds:
*Kristina Petrovich: "I am going to miss your tough play and winning attitude."
 Claire Fredriks: "I am so proud of how you played through all your injuries."
 Courtney Adams: "You were a real anchor for the defense, even though you were playing hurt."*

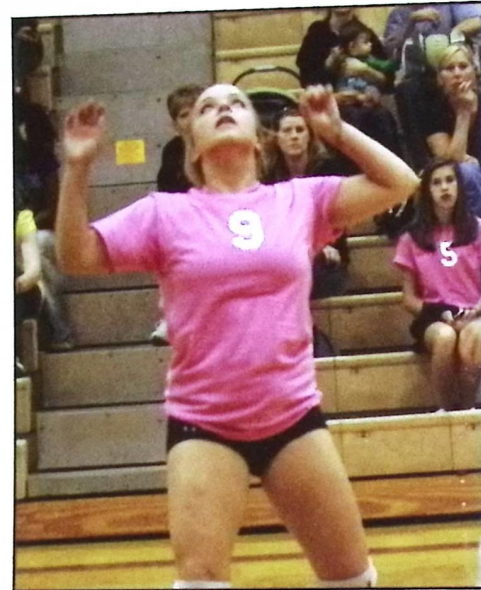

The record does not reflect how successful the season was because the ladies were rebuilding after losing some key seasoned players. Coach Rados reports, "I was very happy with our results this season. This is an improvement over our previous year." This season's stars were Stephanie Chlad, Justyn Bencina, Ashley Sosic, Marcy Araps, and Gabrielle Iacona.

North girl's volleyball completed their season under the direction of head coach Erik Poje and assistant coaches Andrew Palermo, Jamie Smrdell, and Christine Flynt. Poje calls this season "a rollercoaster ride" because the team did not have a winning season, but it gained experience through competition. Many players earned their first varsity letter, which will set the team up for future success. The team's 3 seniors embodied all the program demanded. The remaining girls were young players who were asked to play significant roles and so gained invaluable experience through trial and error. "No coach is happy with a less than expected record. The hard work and effort of our players made me happy to be their coach."

There were many highlights as the girls gained experience and confidence. One of the brightest moments was North and South combined to play a fundraiser for Hannah's Home raising more than \$1,500. Poje reflected, "Riverside was the toughest game of the season; they made it to regionals in consecutive years raising the level of play for everyone." He is looking forward to their rematch next year and to beating South. He adds, "Beating any PAC foe will be a good motivator for us next year!"

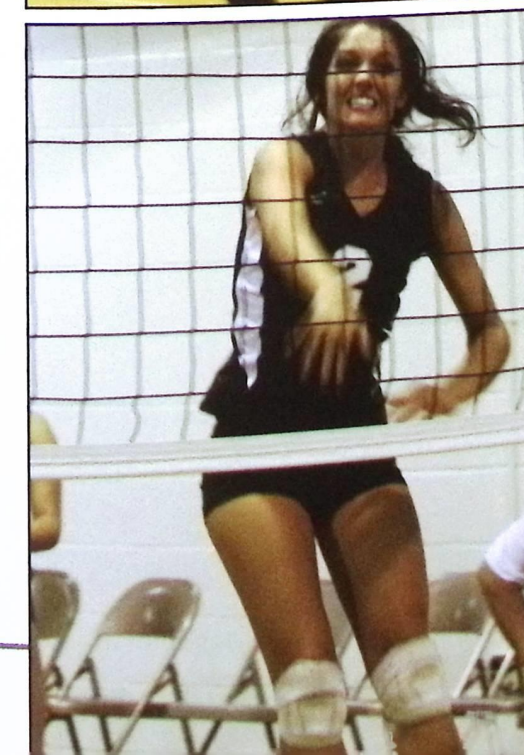

Poje continued, "The seniors will be missed. Their commitment to our program is something that we will use for the years to come. They will be remembered for their contributions and leadership for a long time."

Sophomore Samantha Sulecki and Junior Wanda Snyder were our MVPs.

Departing Seniors are: Becky Slocum, Lindsay Zollos and Katerina Hohlfeld.

The lady golfers proved that practice is the name of the game. The girls improved on last year's one-win record to a season finale of 6 wins and 12 losses under the direction of head coach Jack Zenz and assistant coach Dan Phillips. Zenz was pleased with the girls' progress and development of skills. He said, "The season was very productive. We are making improvements and looking forward to next season." One of the toughest matches of the season was against South, a team they are looking forward

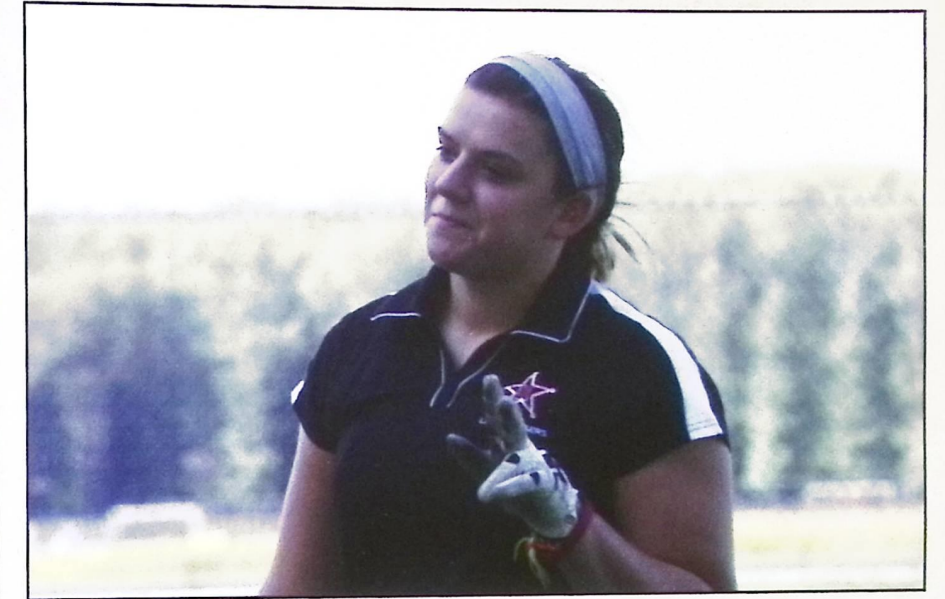

playing again next season. Zenz is confident that as the girls master their golf skills, they will be contenders to qualify for the districts in the coming seasons. Improvement was evident with Amber Smalley earning a League Honorable Mention. MVP honors went to Rachelle Martinez. Susan Fierle earned Most Improved. The team hopes to improve their skills through practicing golf in the summer and using the driving range to strengthen their game.

*"We will miss our seniors. Good Luck with your,"
Jack Zenz.*

Graduating seniors are:
Amber Smalley, Kara Fitzgerald and Katie Braun.

This season's stars who led the charge were Amber Smalley, Rachelle Martinez and Kara Fitzgerald. It was their competitive nature and dedication that got the girls into the districts. Just competing at the districts was an honor and a sweet memory for the girls.

Boy's golf under the direction of head coach Matt Kozlevcar and assistant coach, Matt Fundak finished their season with a 2-13 record. Kozlevcar reflects on the season, "This season was tough. Our team was

To his seniors Kozlevcar said, "I wish the seniors the best of luck in the future. They contributed so much to this team and they will be sorely missed. With their success on the course, I know they will be successful in their futures. I look forward to meeting them on the greens in the future."

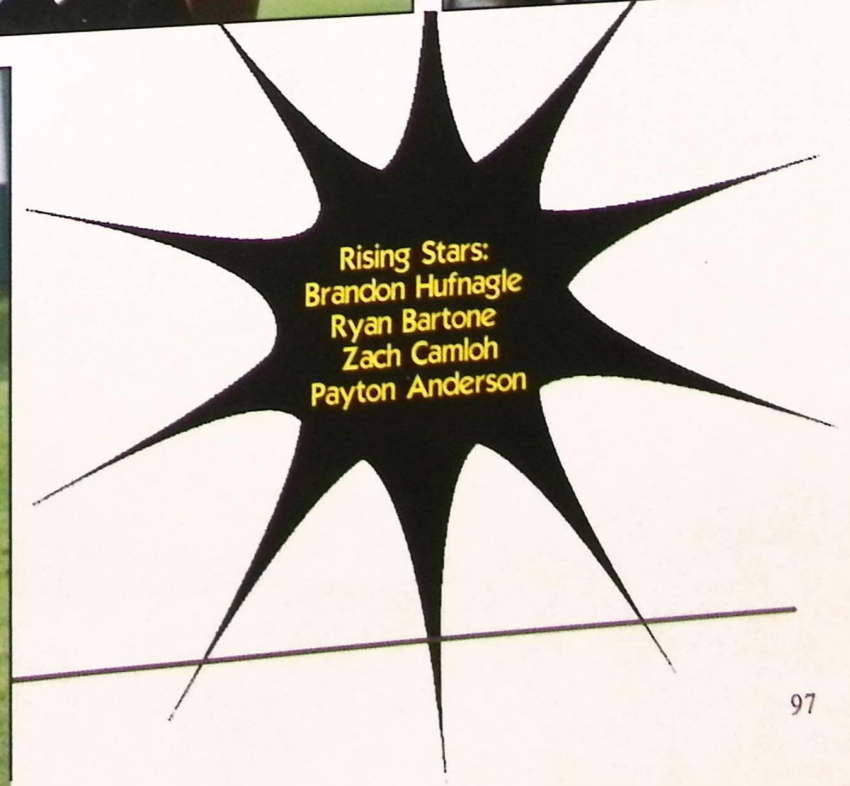

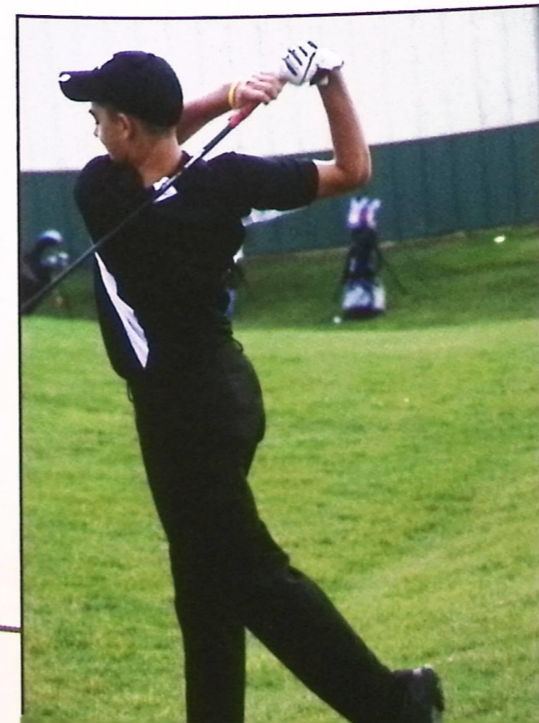

This season was not without some impressive highlights such as defeating tough competitors like Benedictine at home by 3 strokes. Another impressive win for the season was taking Brush at home by 1 stroke. The team fell short in two matches against South. "Of course, South is a tough loss, but we look forward to taking them on in the 2011 season," said Kozlevcar. "Next year we will have the talent to beat them. It's up to the players to come through."

young and had to go through some growing pains," he continued. "Next year will be a better year after this year's experience. I am looking forward to next year's successes." Records never truly reflect the importance of a season. The team grew through skills and team building which will reflect upon next season.

Girl's tennis under the direction of head coach Eric Kemelotis wrapped up their season with a disappointing 0-16 record that did not reflect the hard work and effort of the girls. Though unable to score a win, the young team really put forth an effort every time on the court. Kemelotis stated, "We were becoming very competitive by season's end. With more practice and time to grow, we would have had better results." During season play the team was not without memorable moments.

Halle Butler really grew as the number two singles player through hard work and competing with a sense of wanting to win. Her determination was an inspiration for the girls. Komila Mirolimova joined the team from Uzbekistan and competed against some of the strongest #1 singles players in the PAC. Our toughest match was a tournament against Andrews Academy, Lake Catholic, and NDCL, three very high profile teams in the area. The girls really worked hard in that tournament.

*This years star's were:
Komila Mirolimova - MVP
Halle Butler - Most Improved*

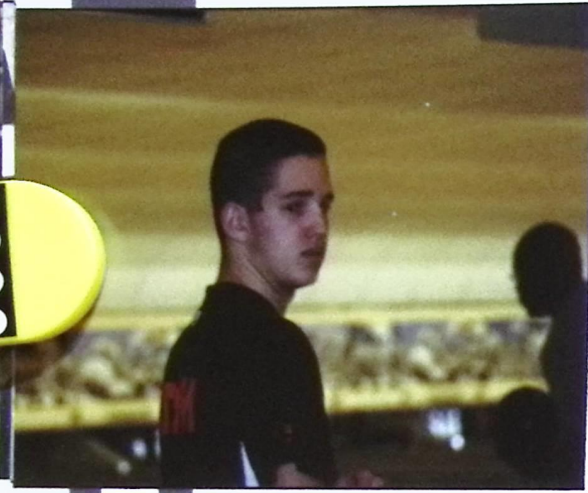

Coach Kemelotis is looking ahead and anticipates a stronger team with great results at every match next season. He is hopeful that all the girls will return for the 2011 season. Because of their experience from this year, he knows the girls will have a successful return.

Bowling has been a sport that has suffered at North High in the past. Keeping this sport active has been difficult in past seasons due to budget issues. First time coaches Christine Flynt and Kim Comella finished their first season enjoying their time with the Rangers. Coach Flynt had previous experience coaching this sport, as well as being an active bowler growing up when she participated on bowling leagues herself. Coach Flynt reflecting on her first year said, "My first year went well. I now know how difficult it is to get good attendance at away games because bowling does not get bus transportation. I also learned that the Baker Games were much more important than I thought."

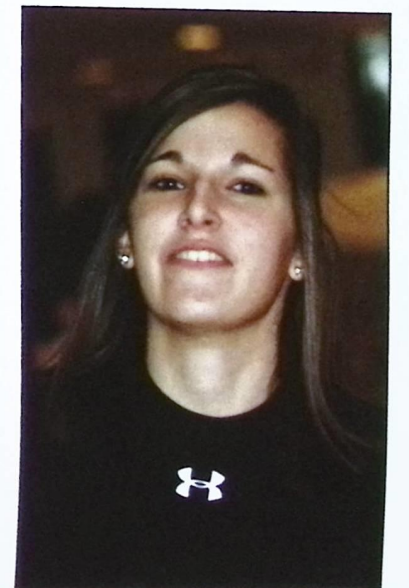

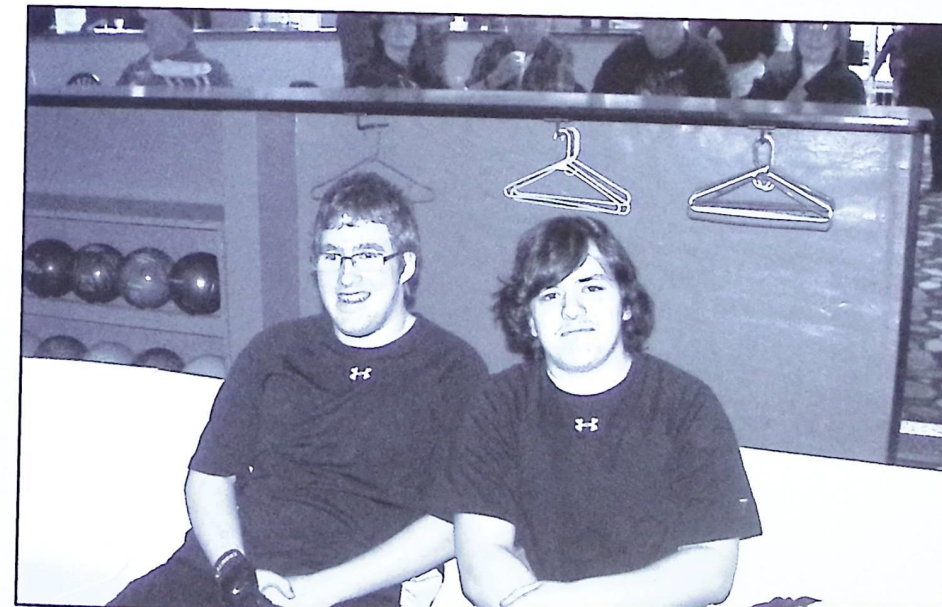

She was surprised at how competitive the sport is. Some of the team's most competitive opponents were Mentor and Fairport, who both had very solid scores in matches. The bowling team holds its practices at Wickliffe Lanes. Coach Flynt said, "I was impressed at how much everybody's average improved throughout the season. I hope that next year we will continue to improve and become the team to beat."

Coaches Flynt and Comella want to wish senior bowler Stephanie Znidarsic, "Good Luck and success in College. We hope that you will continue to bowl!"

Coach Flynt hopes to advance through the district tournament next year, hopefully at the hands of top bowlers Kyle Bush, Ryan Bartone and Ronda Strnad. Flynt and Comella know that next season will be one to look forward to.

The boy's basketball team finished their season having a good year and focused on rebuilding from last year. Their record was 9 wins and 11 losses under the direction of head coach Joe Montanaro.

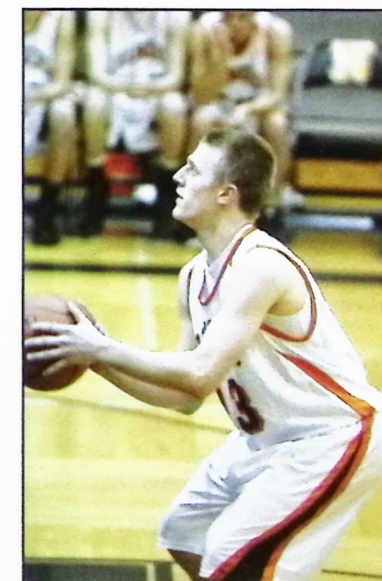

The seniors were always great role models and they led the team through difficult games. A couple of these instances include the games against Mentor, whose team is a state finalist each year, and University, whose squad was one of the best in state. Coach Montanaro says, "We will face them again next season and hope to defeat them!" One of the most memorable games of the season was the game against Madison, a pretty successful team, which emphasized how hard the team worked together to beat them. First Team all PAC- Dylan Contento
Second team all PAC- John Sauto
Honorable Mention- Billy and Paul Lang

Coach Montanaro will miss senior players, John Sauto, Bill Lang, and John Ludwig, and wants them to remember, "You will always find success if you continue to lead as you did this year on the basketball court."

He commented on this season, saying, "I was happy with how we did this season because we faced a tough schedule." Coach Montanaro was also impressed with all of his senior players. Notable was John Sauto who put forth an enormous amount of effort and along with the other seniors were great leaders for the team.

The Lady Rangers Basketball took the 2011 PAC Championship for the second time in 3 years by achieving a perfect 12-0. The girls had a great season with 18 wins and 3 losses overall and a perfect 9-0 record at home. The season included a 63-27 win over rival South at home. The girls tied a school record with 13 three-pointers vs. Lakeside and connected on 128 three-pointers for the season. Team MVP honors went to senior co-captain Kelsey Pacholke (18.0 points and 7.8 rebounds per game). Pacholke was also named First Team All-Conference along with freshman teammate Lynsey

Englebrecht (9.0 points and 3.7 assist per game). Junior Jocelyn Sefick (8.7 points and 3.7 steals per game) and freshman Halle McKinley (8.4 points per game and 33 made three-pointers) were named to the Second Team while senior Amber Smalley and junior Wanda Snyder received honorable mention.

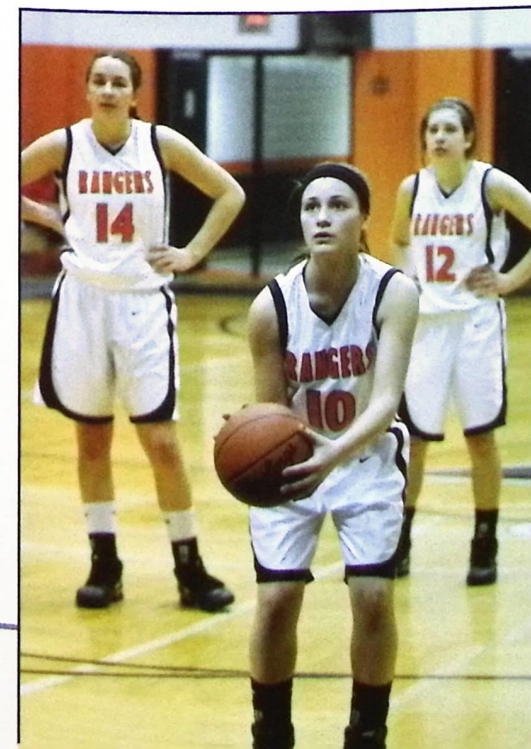

The girls will return with 4 starters and several key players from this year's team making expectations high for next year.

The team was led by five seniors: Kelsey Pacholke, Amber Smalley, co-captains Kayla Winrod, Katie Braun, and Kristina Petrovic

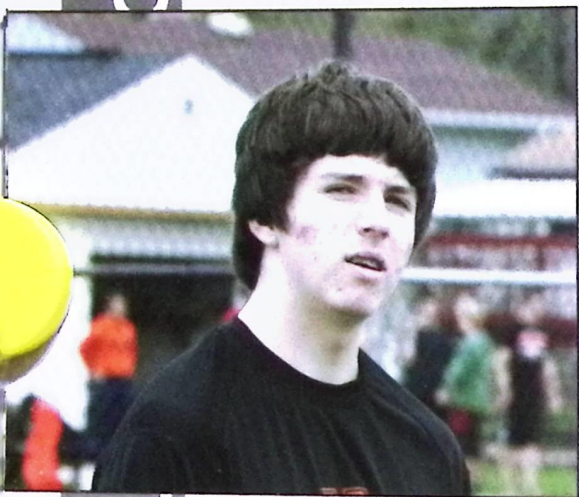

The Lady Rangers will have an opportunity to avenge all three losses this year as they play Mentor, Mayfield, and Cleveland Heights during the regular season next year. It will not be easy with the loss of five seniors, but the girls and coaching staff are hopeful to be cutting down nets next year in celebration of back-to-back PAC championship seasons!

Under the direction of head coach John Aleric and assistant coach Bill Kennelly the boys tennis team finished their season with 7 wins and 9 losses. "This was a big improvement over last year's record and level of play," stated Aleric. "We were happy with the matches that we won as well as the constant effort of our players to compete competitively in the matches that went to our opponents." Two examples that come to mind are the sweeps of both Riverside and Madison marking the effort of the players.

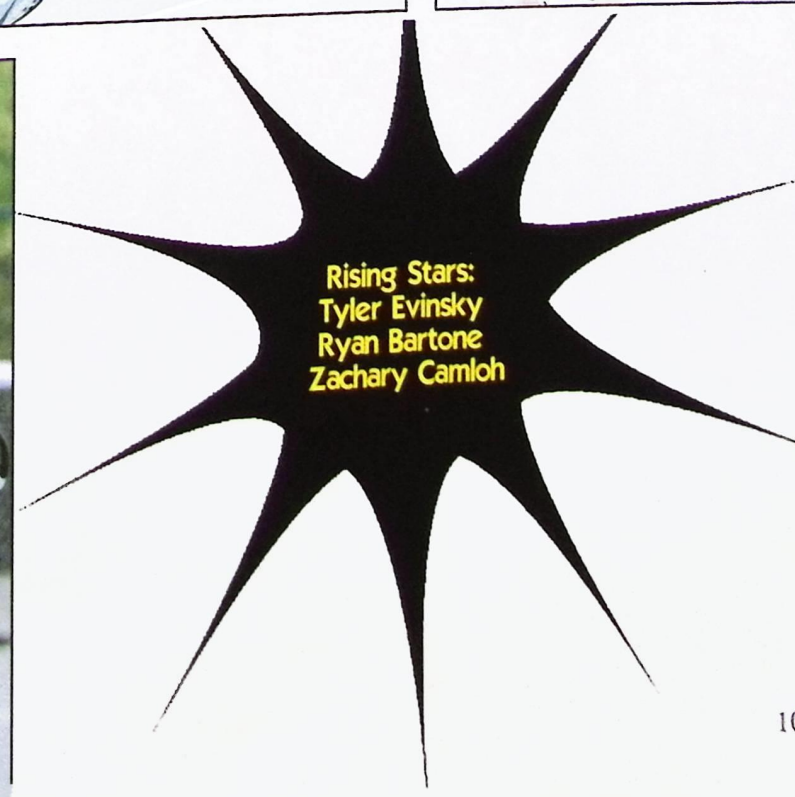

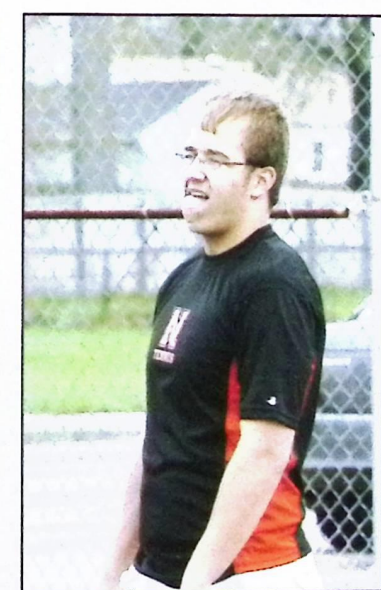

Two of the toughest matches of the season were Geneva and Lakeside. Aleric reflects, "Although we were unable to chalk these two matches up as wins, our players never gave up and fought very hard throughout the matches." Looking ahead to the 2012 season, Aleric is looking for great results in this very tough division. He hopes to take South this season and is confident the team can beat Riverside and Madison for two years straight.

Aleric is proud of his only senior Aaron Adams who won the Nansisy Award for Tough Tennis. He wishes Adam all the best in his future and wants him to remember to always push to be the best.

Aleric said, "With our returning players and their commitment to winning, the 2012 season will be a strong one for North. We are proud of freshman Brian Pohl who was able to letter this year and promises to get better each season."

This very talented and experienced Varsity Squad under the direction of head coach Jennifer Orlando worked hard to keep the crowd involved and showed why they are the best cheerleaders in the area. The Competition Squad had a tremendous year even though they were a very young squad, consisting of five freshmen, one sophomore, two juniors, and two seniors. They placed 1st in the Chardon Invitational, Lake Catholic Invitational, and Brush Invitational. They took 5th place at Ohio State University Invitational.

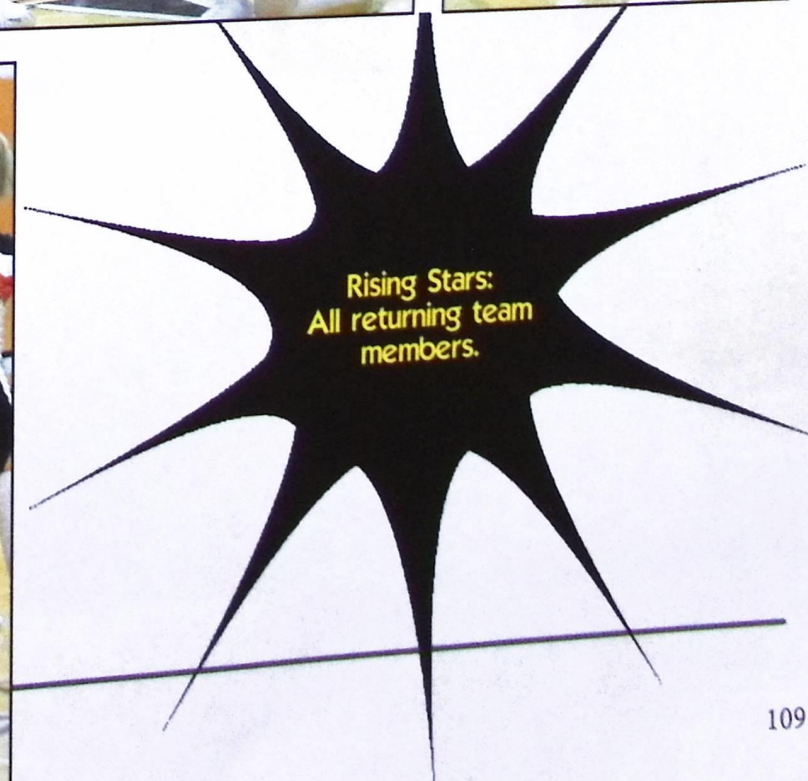

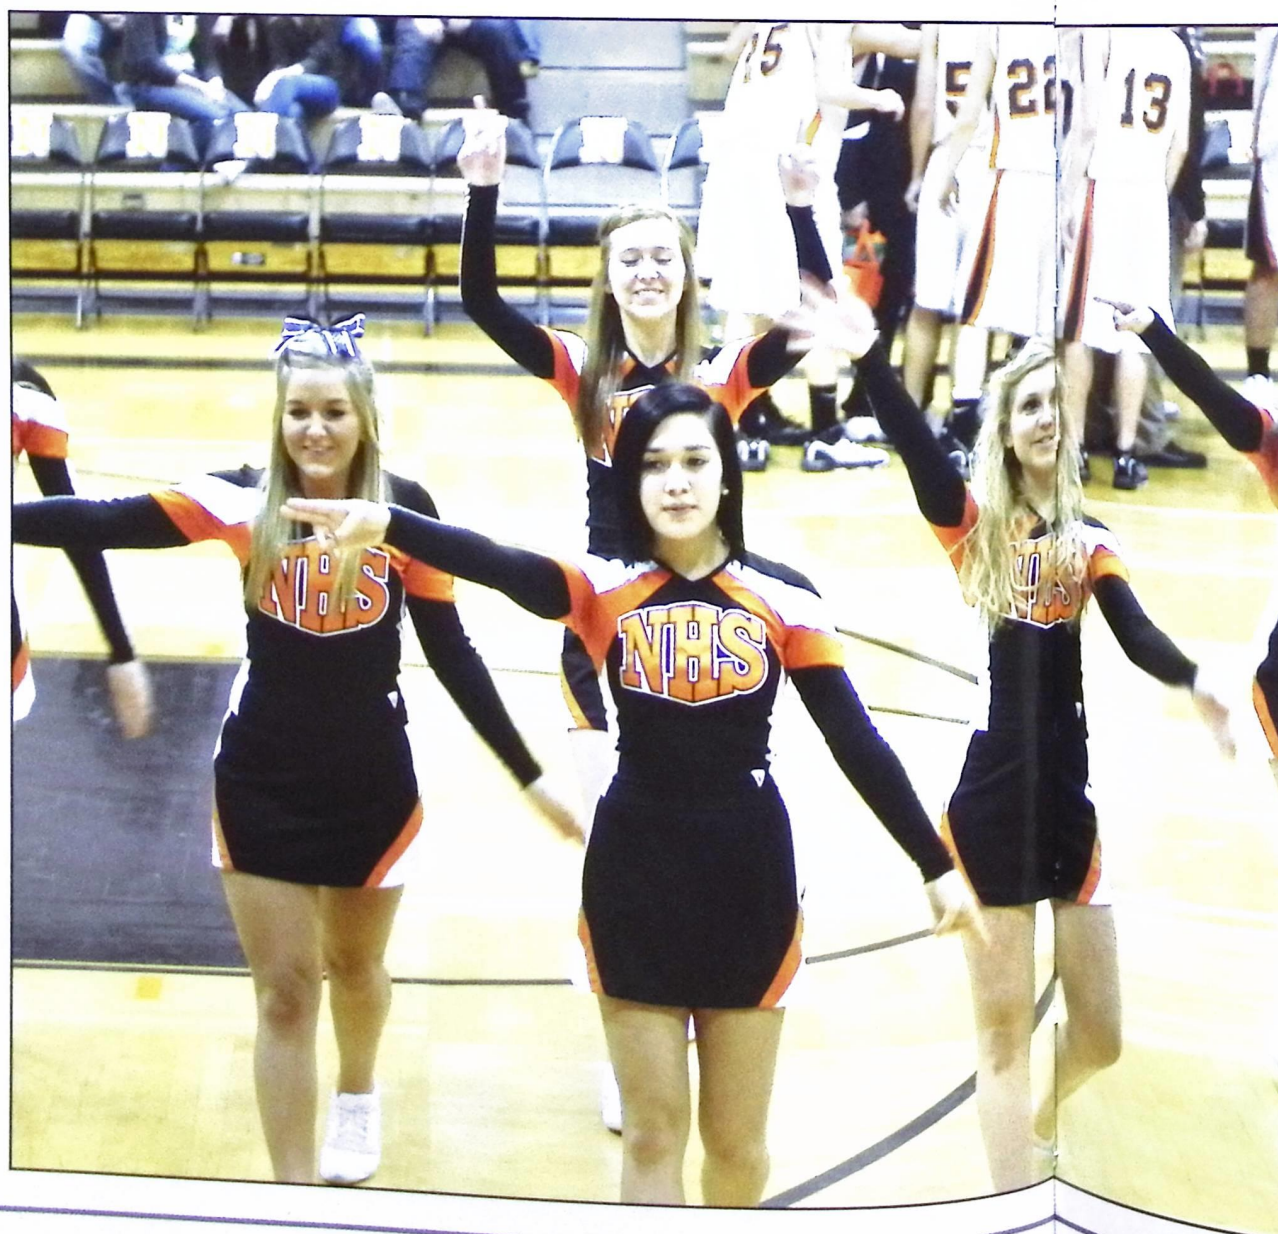

"I am extremely happy with everything we were able to accomplish this year. The girls were very motivated and committed to the squad and the school," stated Orlando. "Placing first in three competitions with such a young squad showed how dedicated this squad truly was." The 2012 squad will consist of many returning members who gained valuable experience this season.

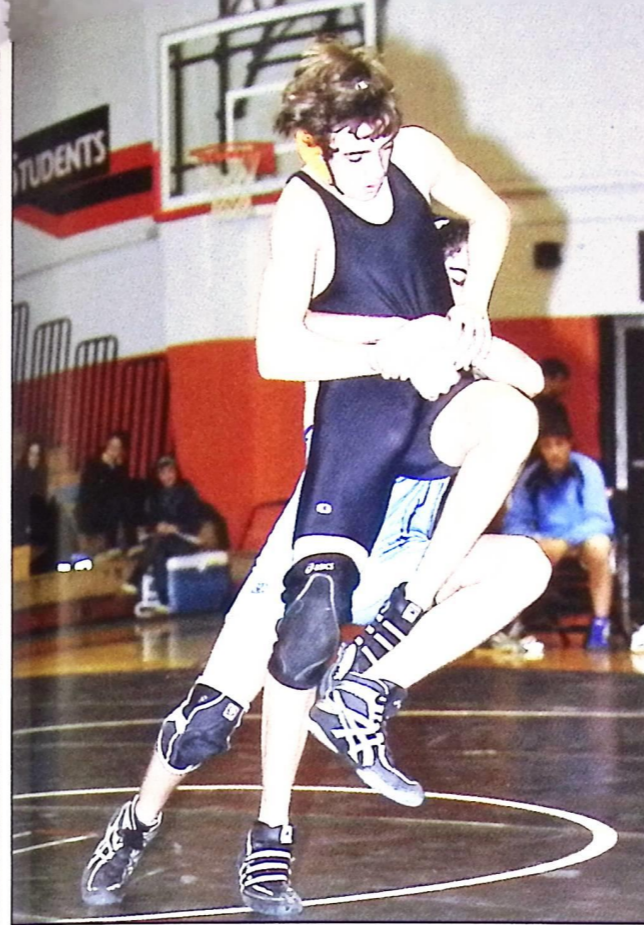

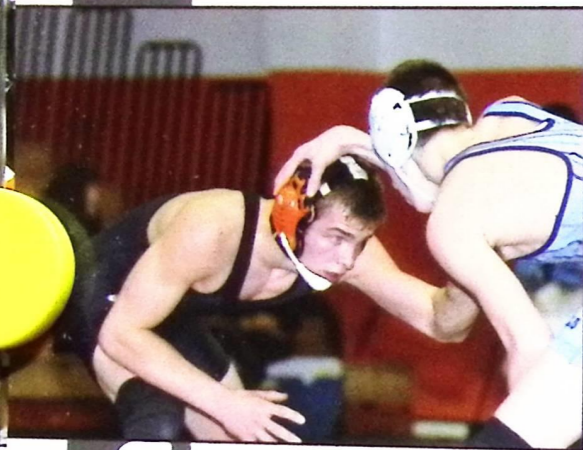

"The seniors did a great job of choreographing new dances and cheers. They ended the year with a senior dance that wowed the crowd." Seniors: Julie Vathananonh, Hannah Weaver, Hope Bratcher, Taylor Tanski, and Kelley Grauel.

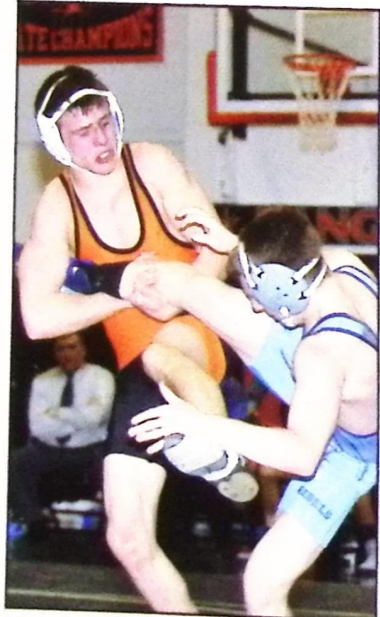

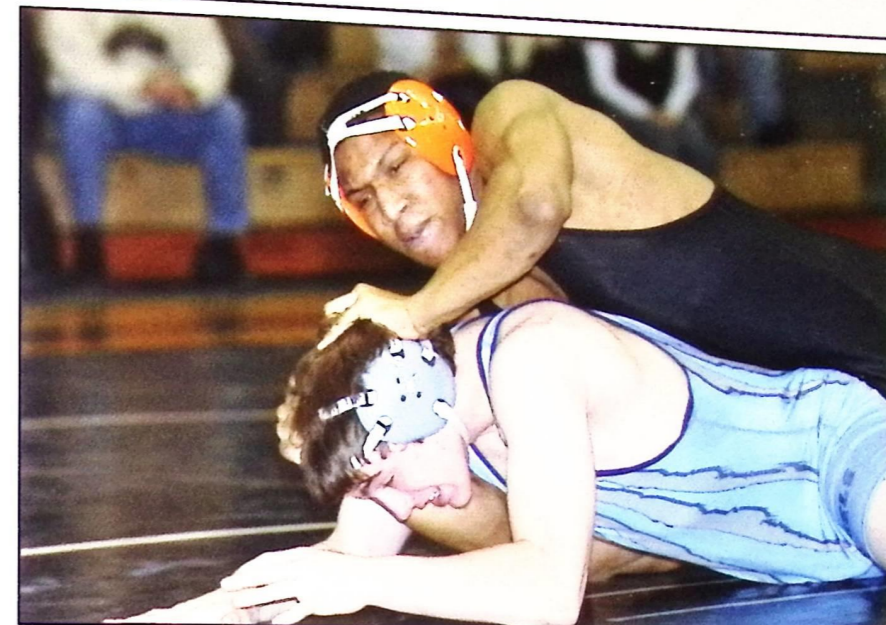

"Finishing my 10th year as a coach, I still feel that the teams get better and better each year. We have ten juniors coming up next year. I feel that they will keep the tradition going," stated Orlando.

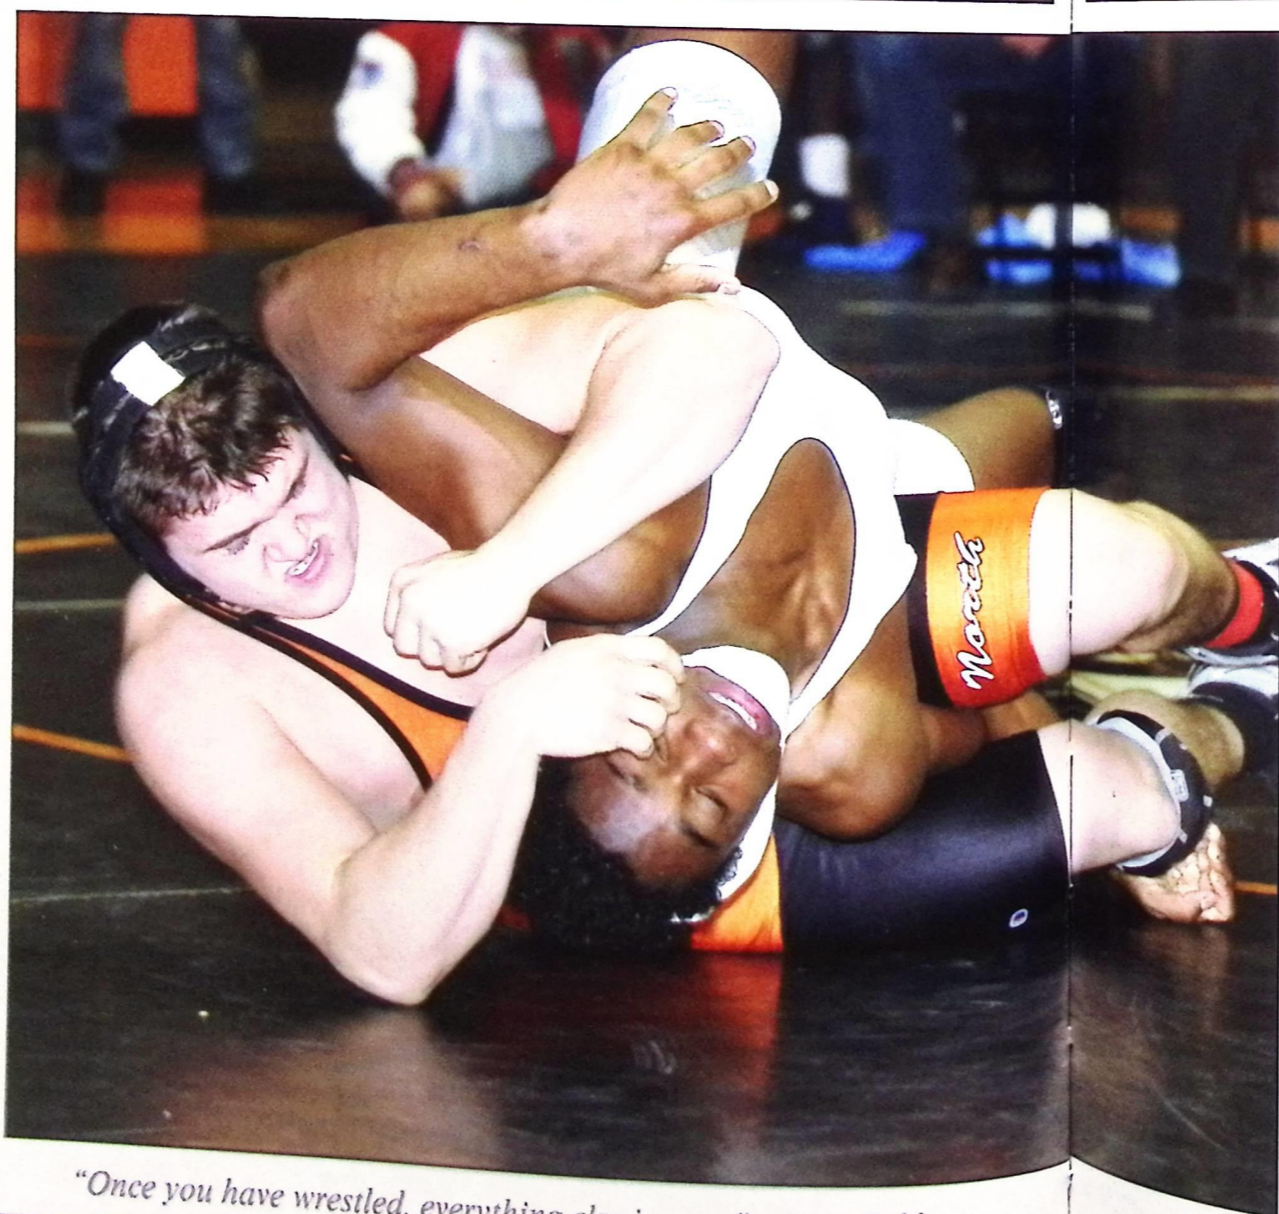

North wrestlers under the direction of coaches Mark Adkins, Gray Cooper, Kevin Pietopinto, Justin Gvora, Jeff Federico and Bob Vencil wrapped up their season with three district qualifiers. Adkins said, "The team really bonded and formed a large dysfunctional family. We improved as a team but still have a long way to go. We were pleased by the hard work and dedication of the wrestlers." Highlights from the season included Dan Hoberney (Team MVP) winning the PAC Championship and placing at the district tournament, and Freshman Shane McLaughlin (Outstanding Freshmen Award) qualifying for districts. Looking forward the team is happy to have returning district qualifier Shane McLaughlin hitting the mats next season. Losing only 3 seniors and having several returning varsity wrestlers will give the team a competitive edge. Adkins said, "We are expecting strong leadership from our returning seniors and another strong season without many injuries."

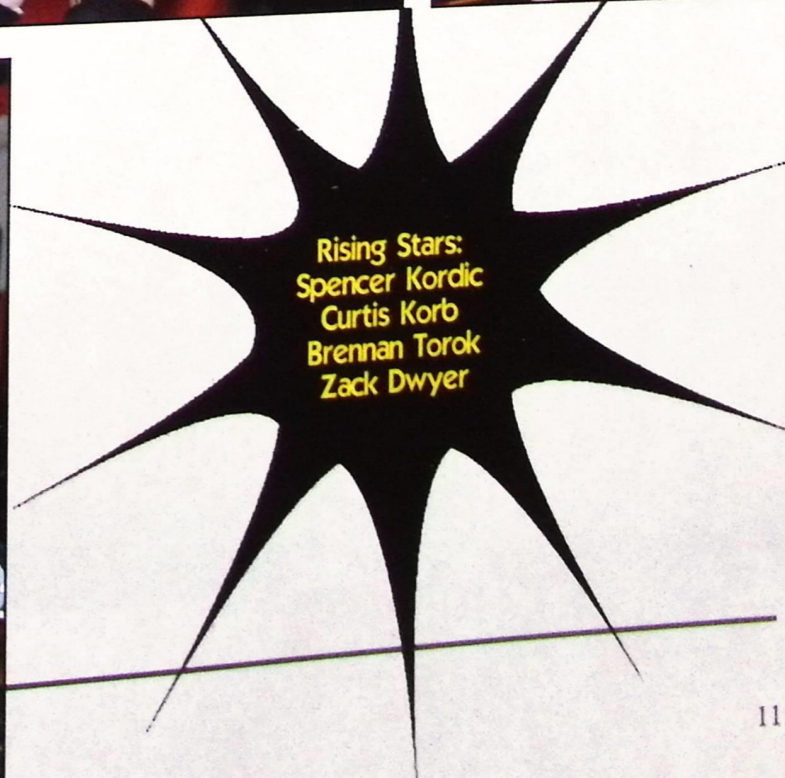

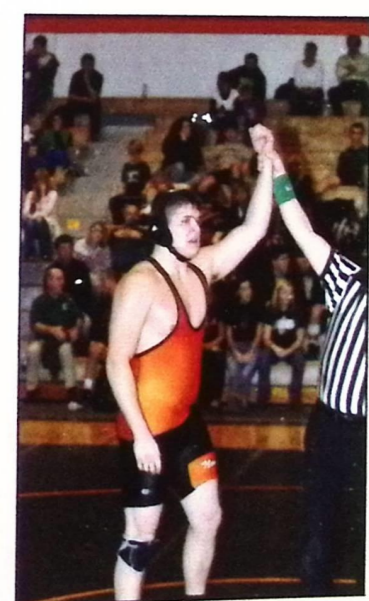

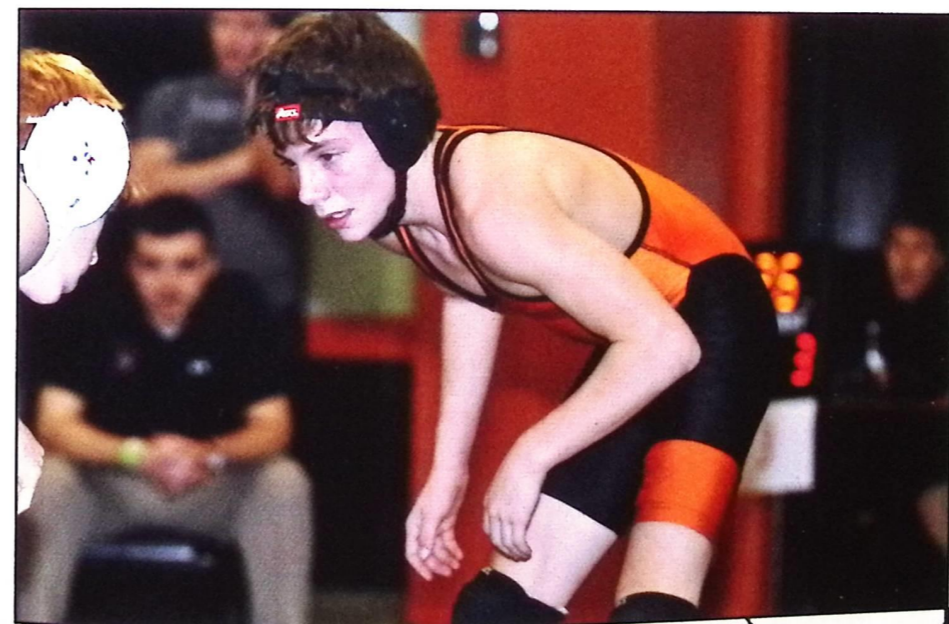

Adkins wants the seniors to remember they will be missed. He said, "Thanks for all the hard work; I wish all of you best of luck in your futures." Departing seniors are: Dan Hoberney (119) Joe Marich (215) Rory McComb (Heavy Weight)

The toughest match was the loss to South along with the frustration of not having more district qualifiers. This season's stars were: Dan Hoberney (119 lbs) District Placer and PAC Champion; Joe Marich (215 lbs); Mattuci Champion and District Qualifier and captain; Shane McLaughlin (103 lbs) District Qualifier.

"It was a rollercoaster season for the team with many highs and lows," Krause said, "The team progressed throughout the year and by the end they became a tough team to beat. Under the direction of head coach Scott Krause and assistant coaches John Sankal, Jeff Haase, and Tom Shannon, the team had an overall record of 11 wins and 14 losses. This season was especially difficult due to all the rain-outs early in the season, forcing a crowded May schedule. "I did not feel the overall record really reflected the type of ball club we were," reflected Krause. "Pitching, defense, and timely hitting were

key components in most of the team's victories." Beachwood was by far the best game of the season with the Rangers winning by 2-1. It was an especially sweet victory with the level of play by our pitching, defense, and timely hitting of our batters. These were the key components for an impressive victory. The team is always striving to win the PAC Championship which was not in the cards this season.

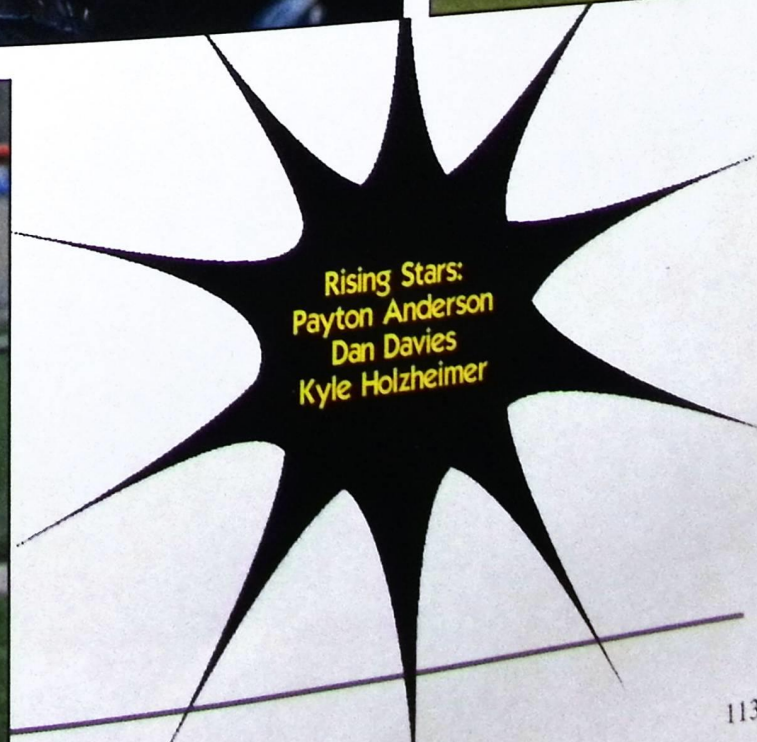

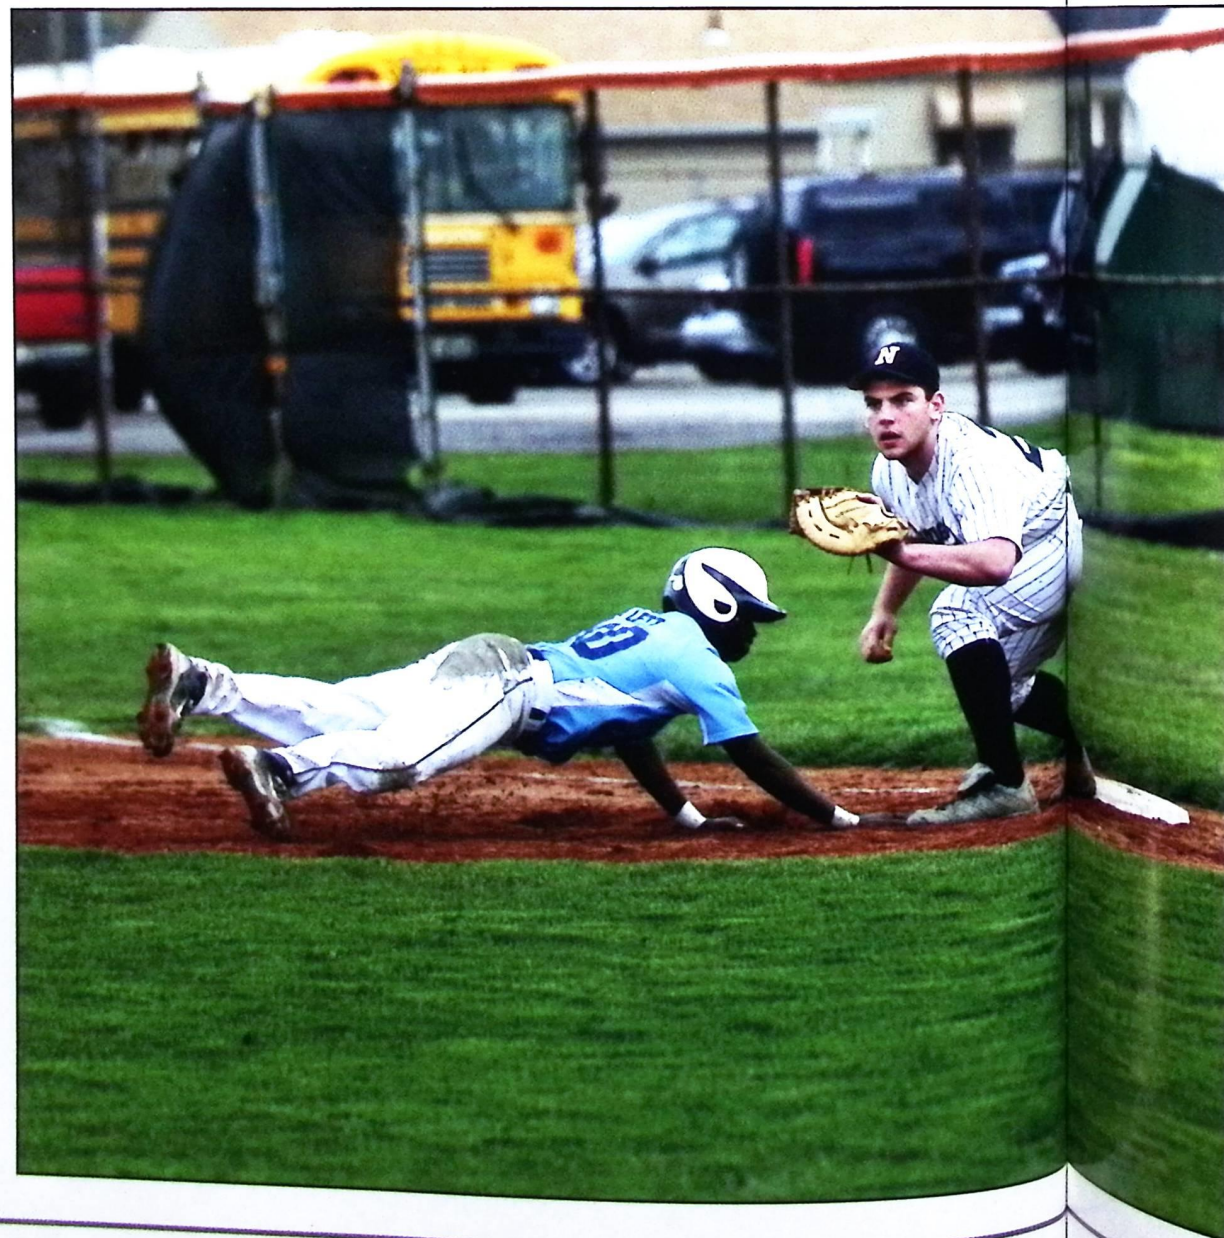

To the seniors, Krause wishes them success in their future, and reminds them that hard work creates achievement. This year's stars were:

Like all other Ranger sports teams, -up with district rival South is one that the players strive to win. In boys baseball the match-up lived up to its name this season and proved to be a truly competitive game. The players look forward to this match-up each year. Looking ahead this will be a match-up to watch in 2012.

For only the second time in the lady Rangers history the Girls Fastpitch team won the district and took second place in the PAC tying with Chardon. They were under the direction of head coach Andrew Palermo and assistant coaches Dave Eberly and Krystal Force, the 2010 season was one for the books. The girls had a 18 win 7 loss record. Palermo, although head coach for only one season, brings with him experience from four years of assistant coaching girls volleyball at North and two years of coaching baseball at South. Palermo said, "The 2012 season is promising. We have three returning seniors who have played since their freshman year. I look forward to working with the returning talent and the strong pitching of Brianna Kiel." He went on, "I was so impressed with our five returning seniors this season who had contributed to the team for the past four years. They became invaluable role models

who led the charge and kept the girls motivated." Our departing seniors were true all-stars as well as, Kelsey Pacholke and Morgan Brandt. Morgan broke North's record earning the highest batting average our history. During the season the team lost to South at Todd field 4 to 0. Palermo contributes this loss as the turning point for the team. After their loss to South the girls gained momentum and won the rest of the season.

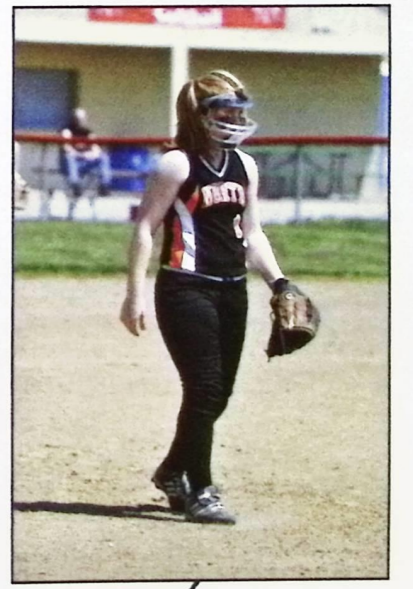

Coach Palermo wishes the girls the best of luck in the future. He said, "Their leadership abilities and role modeling will make them successful in all they do."

Boys track under the direction of head coach Rob Grove and assistant coaches Chris Smith, Tara Smith, Mike Falenstein, Gary Cooper finished their season with a team standing of 5th in PAC. While every sport strives to finish their season winning the PAC, when a team doesn't win there still are outstanding efforts made by team members. We had one PAC Champion – Josh Province (Discus) and two PAC runner ups – Zach Province (Discus) and Anthony Car (1600m & 3200m).

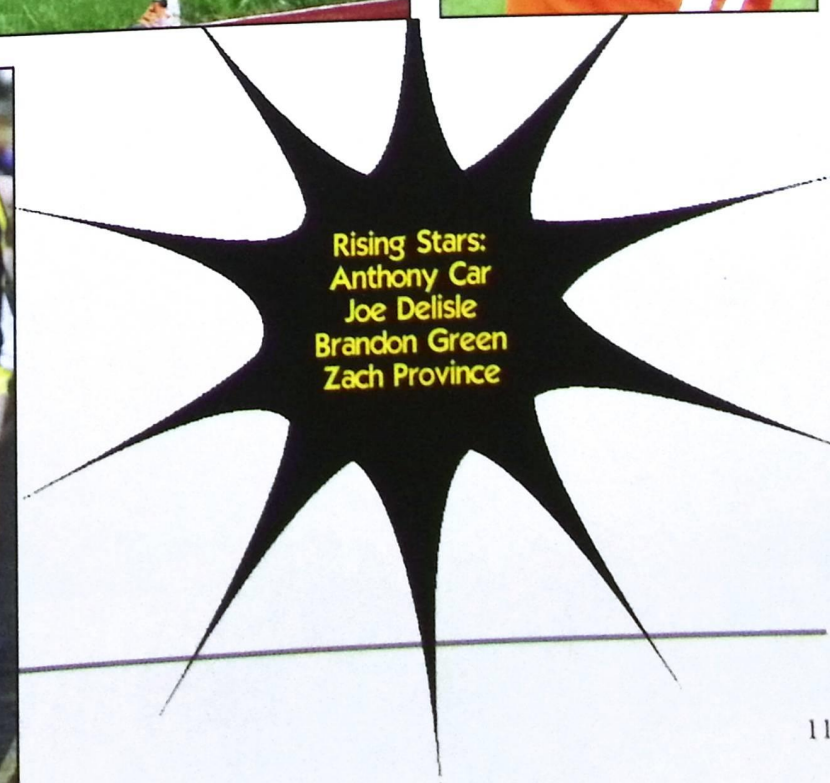

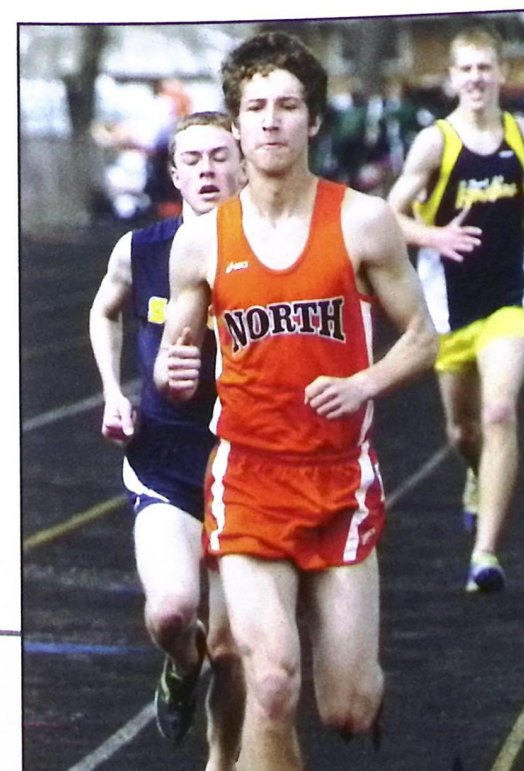

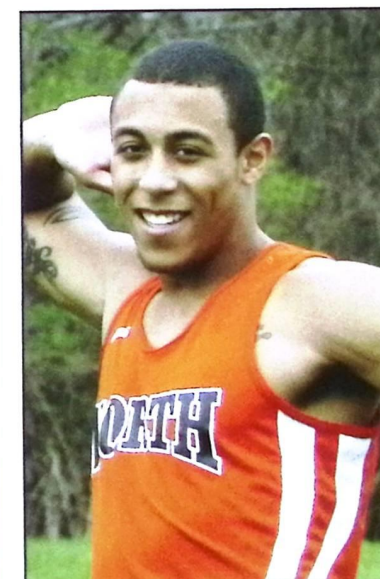

Zach Province in the Discus and Anthony Car in the 3200 m Run were Regional Qualifiers this season. Coach Grove commented, "It's always a memorable moment when a student athlete is able to qualify for Regionals. Every time an athlete is able to qualify, the season is considered a success."

Grove reflected on the season and has fond memories of his seniors. He said, "I wish them the best of luck in their future endeavors. Set the bar high and strive for excellence in everything that you do!"

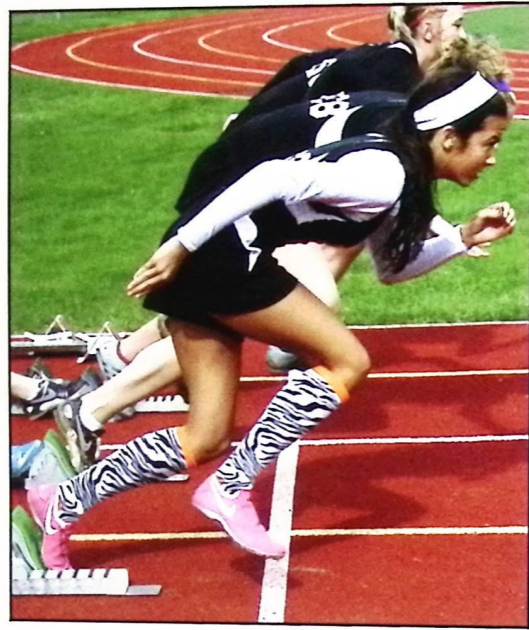

Grove also talked about his goals for next year. He said, "Next year I hope to improve even more and win the conference. Also, I'd like to see some more athletes qualify for Regionals, as that is always a proud moment. I believe that we have a lot of potential in this group of young men and hope to go far next year."

Girls track under head coach Brian Godek and assistant coaches Tara Smith, Mike Fellenstein, Gary Cooper, Rob Grove, Chris Smith, Matt McDonald was a very young team with a lot of potential. "We had a great group of girls out this year who worked very hard and are very talented. This year did not go as well as we would have liked, but the nice part is that there is always room for improvement and we have seen the drive and desire to excel develop and inspire the girls to go further. I am very proud of

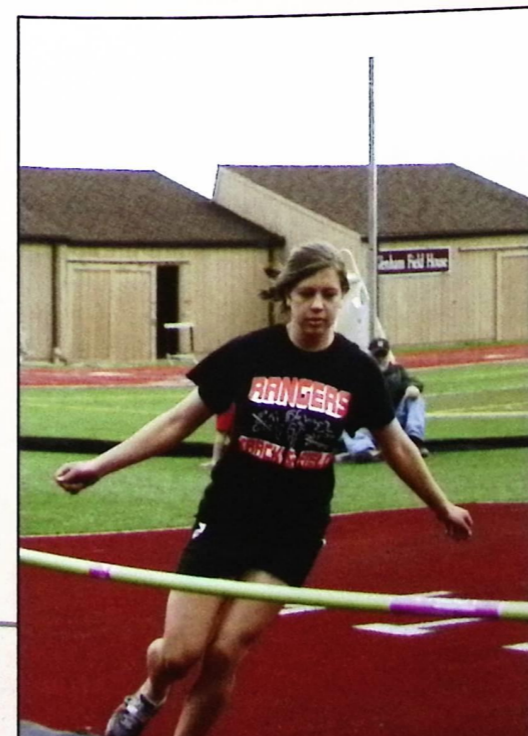

this group of young ladies and look forward to the things to come in the next few years," reflects Godek. Looking forward to next year he adds, "The competitive spirit of the young ladies of this team who are going to do great things next year." The team is fortunate to have many members returning for the 2012 season. Godek feels their improvements this year were strong in team building and pride along with skill development.

To his seniors Godek adds, "Remember this adage, This was told to me in 7th grade by one of my favorite coaches of all time: "Good, better, best. Never let it rest until your good becomes your better and your better becomes your best!" Good luck in all you do!"

AcaDec

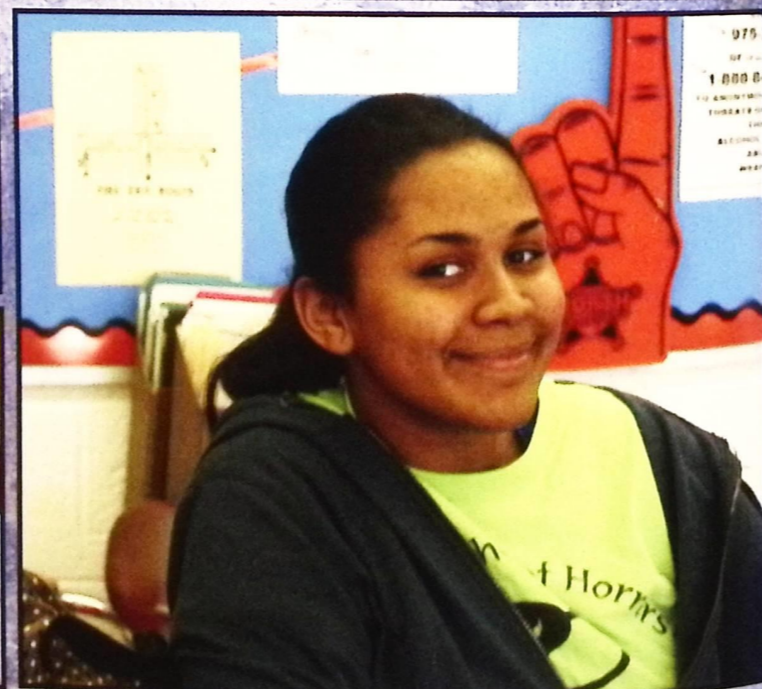

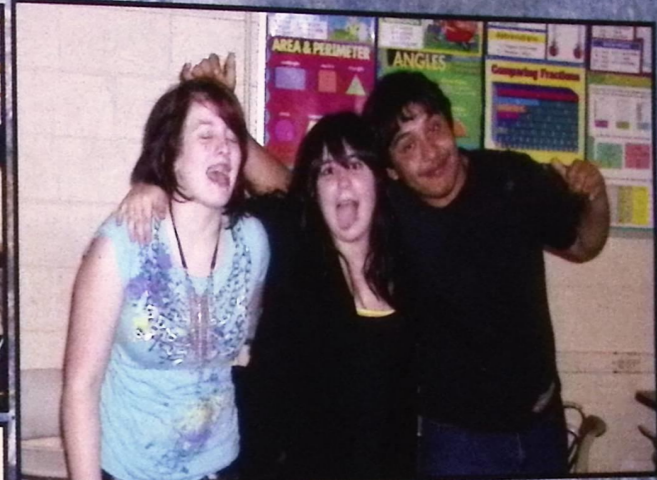

Anime

* Taking a couple of minutes to relax before the challenges begin.

* Can you say "Winning?"

* Come join us for a fun time. Anime members enjoy movies, great conversation and camaraderie.

* Somehow a normal pose is just not our style. Did you say yearbook photo?

AcaDec keeps me on my toes. You're not taking my photo for the yearbook are you?

AcaDec makes a challenge fun, yes it's hard work, but I look forward to the competitions. It's fun to win.

Students in AcaDec compete with students from other schools in Art, Economics, Essay, Interview, Language and Literature, Mathematics, Music, Science, Social Studies and Speech at an Academic Decathlon competition. Teams consist of honors students, scholars and varsity players.

The Anime Club meets every Thursday after school. The club watches animated shows that originate in Japan. After each show the members critique the plots and characters, which usually leads to a lively debate as members defend their views.

It's Thursday again; do you know where your friends are?

It takes a special student to enjoy Anime and Mrs. Comella keeps the fun alive.

Bike

Mr. Kennelly, the next Lance Armstrong, and Daniel "Nigel" Lauson, the president of the Bike Club, share a laugh during bike week.

I hereby promise to take an oath (Oh yea, raise your right hand) on my honor. I promise to wear this free shirt every Monday, Wednesday, and Friday until Bike Week. During Bike Week, I promise to wear it all day, everyday while riding my bike to school. Help me benevolent Creator.

Nice Job! here's your prize!

Whew! that ride was a lot longer than I expected! I was starting to see things, I thought I saw two Lanes!

Bike Club's purpose is to promote the many positive benefits of bicycling. The motto "Ride" keeps with the theme. The program was held in conjunction with "National Ride Your Bike to Work Week." The Bike Club hopes to motivate North students to ride their bikes to school during this week each spring. Bike Week encourages riders to improve their health, get more exercise and help the environment. Kick Gas!

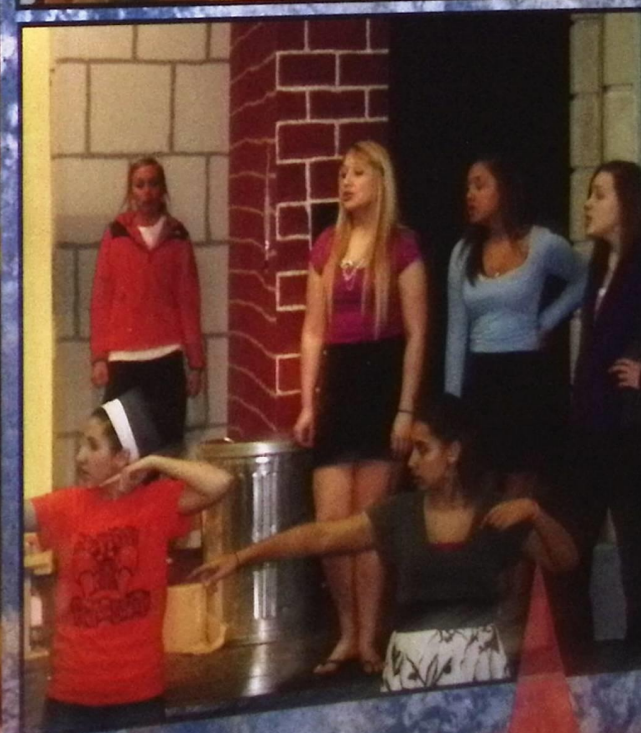

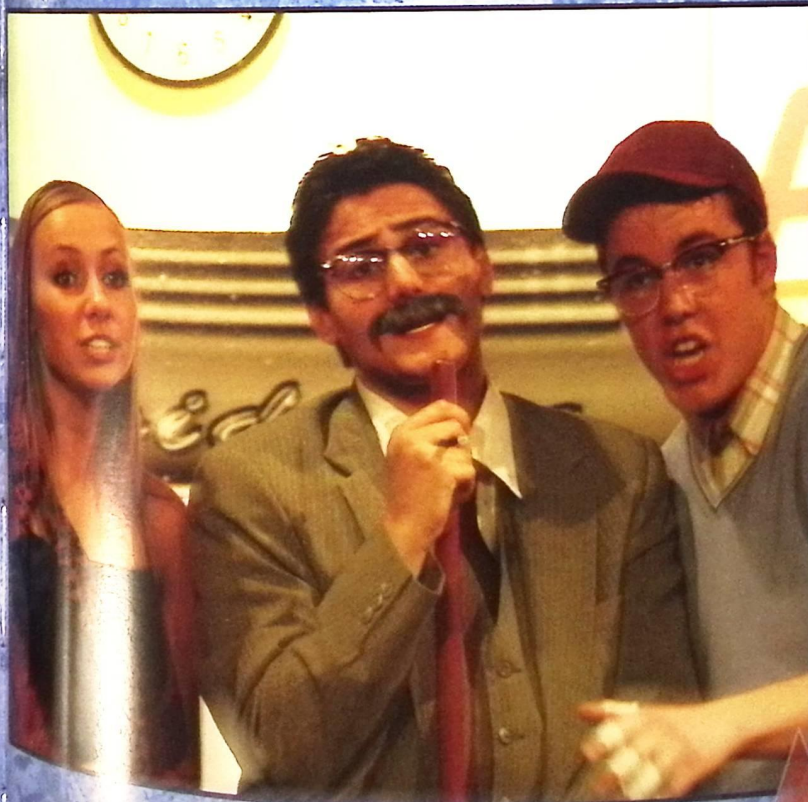

Drama

Watching them dance is always a good time. Hey is that the Jitter Bug??

Just another day on the job.

Under the direction of Mrs. Zele, the drama club lights up the stage with a fall and spring play each year. With a variety of comedies, dramas and musicals, everyone from 9 to 99 is guaranteed a treat!

Singing to a broom, really is this what my career has come to?

Left, left, right, right, smile, bow, turn, here we go again.

* Having fun is the name of the game.

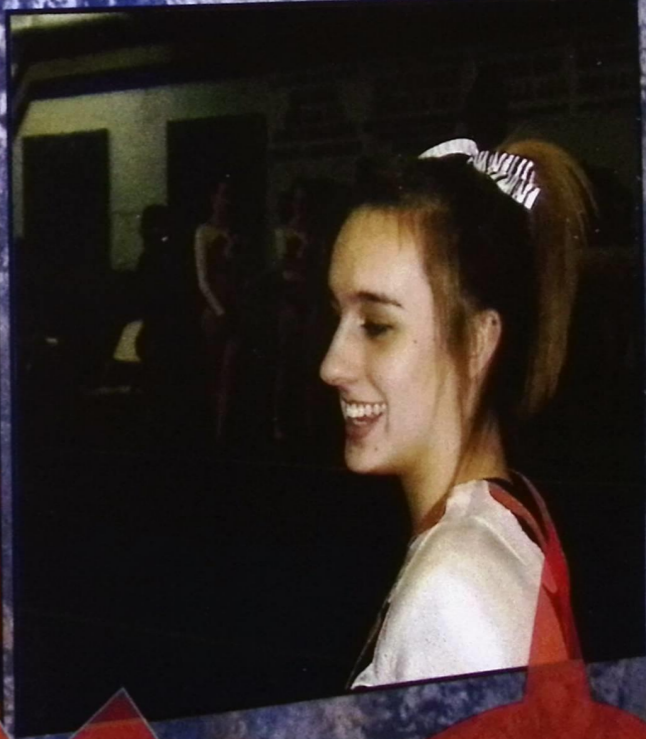

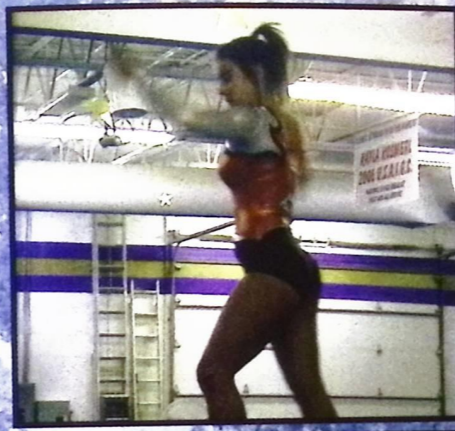

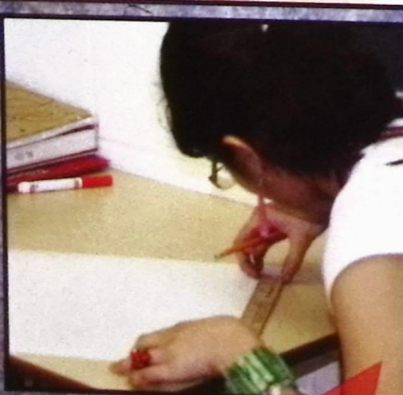

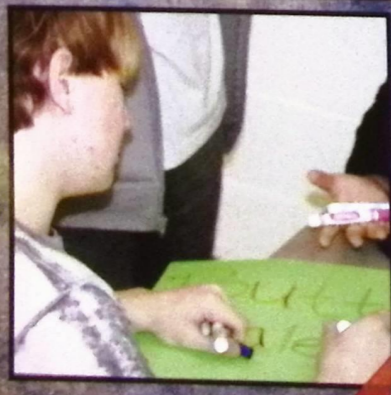

* Remembering Maggie Kesling.

* While each event is challenging, each success is worth the effort.

* Since gymnastics returned, the team has grown stronger and more competitive each year.

In loving memory of Maggie Kesling. The GSA is forever thankful to Maggie who, through the love and support of her mother, helped to develop the GSA club at North. GSA to promote acceptance. Maggie will always be loved and missed.

GSA makes a difference in a student's life everyday through signs, buttons and events that promote acceptance.

Making signs for GSA events. Getting the word out is the first step.

GSA is a group dedicated to public awareness for rights for all. The group is visible throughout the school all year round, with the day of silence being their biggest event.

Under the direction of coach Heather Trem the girls' gymnastic team, a young team continues to grow. Trem said "we earned higher scores at every meet we had. Individually it was a great year. They each reached some personal goals and that's great!" When recalling highlights of the season, Trem added "obviously anytime someone places it is great, because I know they feel good to be recognized. Alley Arrison and Erica Strnad placed several times this year". Being recognized pushes the team to do their best and this season all the girls were stars. The toughest meet of the season is the PAC because there are over twenty schools competing.

This is a lot harder than it looks. Come out and support the team.

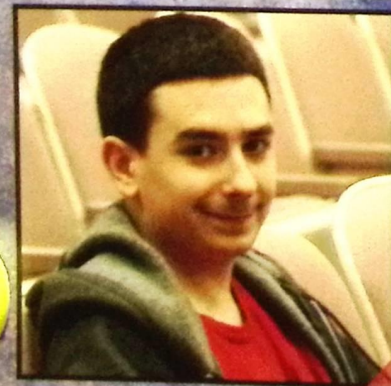

Hoping that Norm continues to develop their gymnastics team. Being on the team has been an awesome experience.

Movie

Just relaxing and waiting for the show. 'Did you say Soylent Green?'

Another great flick.

Movie time! Where's the popcorn?

Lights, Camer, Action!

The movie club meets once a month and watches the classics. Students can view movies in every genre: horror, science fiction, romance, adventure and comedy. Teens can bond over the shared experience of viewing the greats with each other. Mrs. Zele and Ms. Bouplon.

Sports Medicine

Just here enjoying the game. Thank goodness it's not raining again.

This is the best hide out in the whole school.

Oh please get this game over with already. It's cold out here.

Nothing happening here!

Sports Medicine is a group of students that helps athletes when they get injured. They rush to the scene, ready with bandages and expertise to get the athlete back on his or her feet. To be in this group takes a lot of practice and dedication to helping others, north is lucky to have them.

Nature

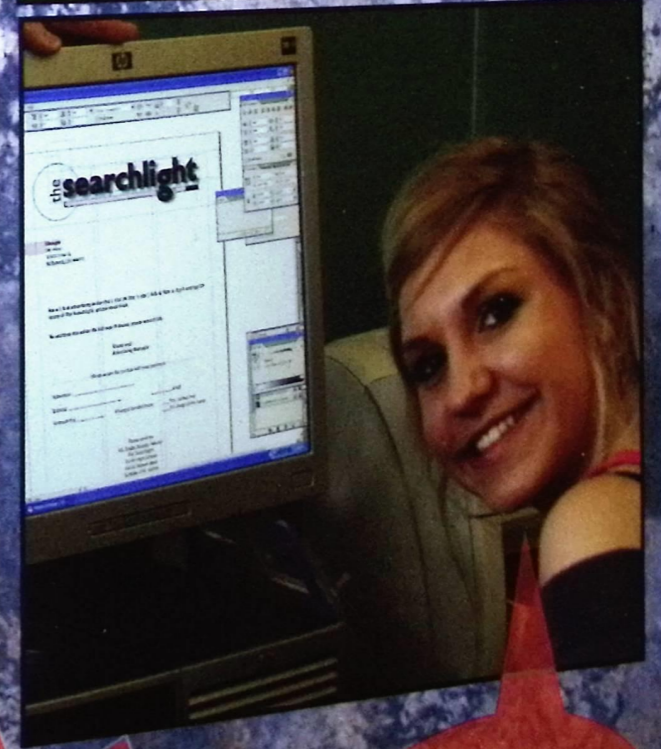

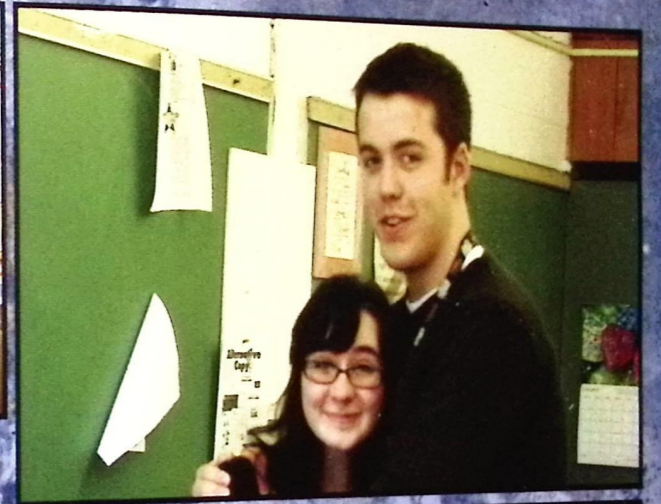

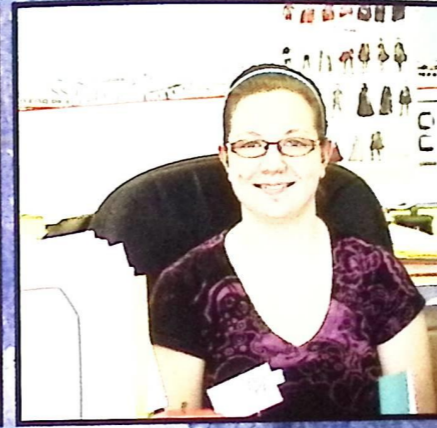

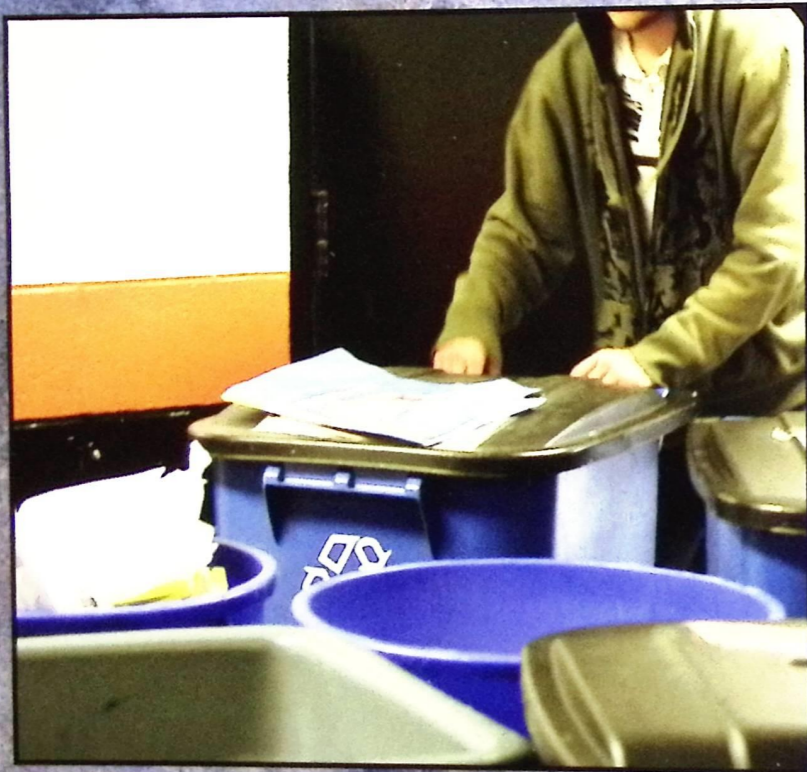

Searchlight

Please just paper in the recycle bins.

Saving planet earth, one barrel at a time.

You know it's not all hard work. Just taking a breather, is Ms. Alesnik calling us again???

In a few short months all of this will be over. Off to college I will go, but I will always be fond of my time working with the Searchlight staff.

If you think this looks like fun you should see my real job.

Just one lonely man and a trash can.

Nature Club Recycles! Each week the student recycling team collects recyclable paper from the classroom bins at North High. They are able to keep about 11.5 tons of paper from entering the landfills each year by doing so. Nice job and keep it up Green Rangers!

North's newspaper had a successful year under the new advisor, Ms. Alesnik. Students from any grade can express themselves in the monthly newspaper. The Searchlight is a fun way to inform North students of what is going on in their school and community.

Great things happen when you have a great team.

Did you say that we were going to press tonight???

Heather,
I know how excited you are to go away to college in Michigan and I'm so happy for you as you start this new part of your life! You have definitely gone through some tough times that have made you stronger and more mature. I wish you a life full of happiness and good times because that is what you deserve!

Heather Ropos

Ever since you were little you have had such a big heart! You are always so thoughtful and caring, and I love every minute we are together! You will do well in life because you have the drive to do whatever it takes to succeed!
I love you with all my heart, bean!
Love always!

It tells the story of you to the ones that love you
And more importantly to your children's children.
A picture ceases to be a picture
It becomes an adventure a wonderful memory
And a treasure for You and those you leave behind
So take a lot of them
Leave them lots of good memories
Tell them lots of great stories

It is amazing how fast the past eighteen years have gone. It seems like only yesterday we were dropping you off at your first day of kindergarten. Throughout these years, you have brightened our days with your sunny disposition and witty charm. Now you are on your way to college. We are so proud of your many accomplishments, and of the young lady you have grown to be. Always remember to ...

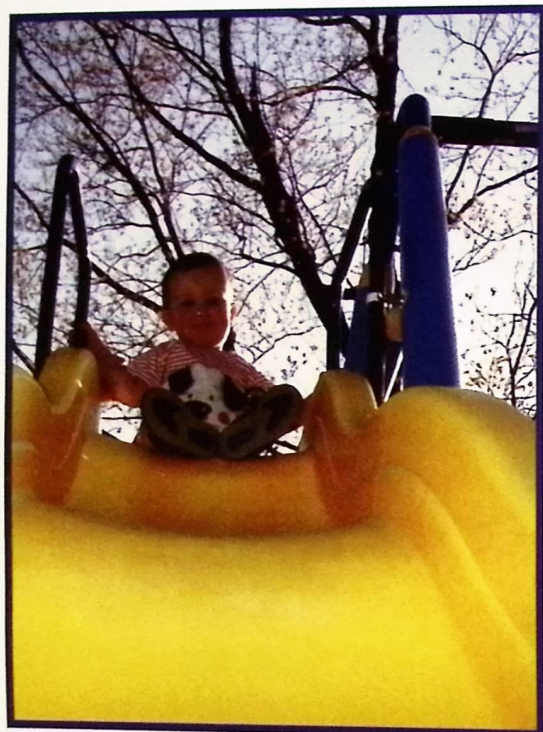

"give faith a fighting chance ...
and if you get the choice
to sit out or dance ...
I hope you dance."
We love you,

Jacque,
 Congrats on your graduation, everyone in the family is so proud to see you growing up and working towards your goals for your future. You have worked so hard for the things you want and you have big dreams for yourself. We all hope you succeed with all your dreams, you truly deserve it sweetheart. We will miss you so much when you leave home and go to college (especially mom) but to watch you grow and succeed will dry my tears. Akron U. is getting a very special young lady "fear the Roo" Congratulations to you, Lots & Lots of Love Mom, Dad, Joelle, Joey & Family

Thank you

Producing the yearbook takes tremendous time and effort. I would like to thank the yearbook staff for their dedication: Mary Slak for proof reading; Brian Tuft, Josh Knuchel, sports parents, and Jerry Cook for the wonderful photographs they provide us. I would also like to thank the coaches and teachers who give us valuable information and the secretaries for all they do for us. I ask that you patronize our wonderful advertisers.

L E N S

To our own dear Alma Mater
 This our song we raise
 Ascends from hearts that love her
 And will echo now her praise
 Oh may we strive to do her honor
 And live by her rule
 So come and join us while we cheer
 For dear old North High School
