The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 800-521-6492. For general definitions of common terms, such as **allowed amount**, **balance billing**, **coinsurance**, **copayment**, **deductible**, **provider**, or other underlined terms see the Glossary. You can view the Glossary at MedMutual.com/SBC or call 800-521-6492 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$500**/single,**$1,000**/family Network **$1,000**/single,**$2,000**/family Non-Network	Generally, you must pay all of the costs from providers up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible.**
Are there services covered before you meet your deductible?	**Yes. Certain preventive care and all services with copayments are covered and paid by the plan before you meet your deductible.**	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive service**s at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	**Coinsurance Limit:** **$500**/single,**$1,000**/family Network **$1,000**/single,**$2,000**/family Non-Network **Out-of-pocket Limit:** **$6,350**/single,**$12,700**/family Network **Unlimited**/single,**Unlimited**/family Non-Network	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met.
What is not included in the out-of-pocket limit?	**Premiums**, balance-billed charges and health care this **plan** doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit.**

Will you pay less if you use a network provider?	Yes, See MedMutual.com/SBC or call 800-521-6492 for a list of participating providers.	This **plan** uses a **provider network**. You will pay less if you use a **provider** in the **plan's network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the **provider's** charge and what your **plan** pays (**balance billing**). Be aware your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No	You can see the **specialist** you choose without a **referral.**

All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies. Services with **copayments** are covered before you meet your **deductible**, unless otherwise specified.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
