Interested students and their parents must follow the five steps below to determine eligibility to participate in the College Credit Plus program for the 2022-2023 school year. Please follow this check list below.

- **Attend a high school CCP information session – Wednesday, January 22nd at 7:00 pm**
 - Meet will be held at the Performing Arts Center at North High School.
- **File a CCP application with Lakeland Community College or your college of choice.**
 - *To apply to Lakeland please go online at:

 - *Other colleges require a paper application. Applications can be found online at the prospective college or in guidance.*

- **Submit an Intent to Participate Form** –*Intent form ([google form](#)) is due by April 1, 2025. Intent Form is located on the North High Website, Guidance Schoology page, and attached to North Notes. Students may also pick up a copy in the guidance office. You may also use this QR code*

If a student has a 3.0 they may not be required to take a placement test. If you do not have a 3.0, you may need to register for a placement test and place into college level English through successful completion of Lakeland's Placement test. Once you have completed the steps above and after the student is accepted into the program:
