Dear Willoughby-Eastlake Community,

On behalf of the district staff, the Board of Education and administration, I want to extend my heartfelt congratulations to the class of 2024. As superintendent, celebrating our graduates is one of my favorite events of the whole school year.

As each student walked across the stage in May, they earned their opportunity in the spotlight. The steps each graduate took represented so many accomplishments and people who helped get them to that special moment. The hand shake with your principal and the changing of your tassel was a symbol that said to everyone, you worked hard and earned your diploma and everyone is so proud of you!

My son was a freshman in 2023-2024 and I know how fast time flies. It won't be long and I will get the joy of shaking his hand on stage. Until then, we should all remember to slow down and enjoy every moment with our children as we prepare them for that special day, and even after graduation, continue to take time to share in their adventures and plans for the future.

A wise mentor of mine once shared the following with me, embrace hope, hope can change your life. Hope is the ability to see the future, set goals, work towards it and accomplish it. Hope is the path to a better tomorrow. Each graduate we celebrated in May and in this special

publication is a reminder that our students are the hope that our tomorrow will be better than our today.

Every graduate will always be family to us. No matter what you do in life, never forget your roots as an Eastlake North High School Ranger and a Willoughby South High School Rebel. You can always call Willoughby-Eastlake home. Once a Ranger or Rebel, always a Ranger or Rebel.

To the graduates, don't forget what I stressed at graduation. There were a lot of people who helped you earn that diploma and will continue to support you. Whether it was your parents, grandparents, aunts and uncles, teachers or neighbors, continue to thank them for their support and lean on them when needed. Take the time to thank someone in your life for their impact on you and your future. It will mean a lot to them.

My uncle would always end every conversation the same way, "Be good." As you reflect on your graduation and move forward to your next adventure, be good. May your next chapter be filled with nothing but the best as you reach for your hopes and dreams.

Best,

**Patrick Ward, Ph.D.**  
Superintendent
