Where Eagles Learn to Soar!

Message from Mrs. Threat and Mrs. George

Welcome Back! We are very excited for the new school year. The first week has gotten off to a wonderful start. All students did a wonderful job remembering our expectations for our school-wide PBS program. We saw so many students **SOARING** already and working hard to earn Eagle Bucks. For more information on this school-wide program, be sure to visit our website, www.weschools.org. Our new kindergarten students also had an excellent start to the school year. They will be learning how to earn Eagle Bucks over the next few weeks. We appreciate the help and support of all our parents at Edison Elementary. We look forward to another successful year with you and your children!
