MAYFIELD EXCEL TECC STUDENT BUSING INFORMATION WHEN WILLOUGHBY-EASTLAKE SCHOOLS ARE NOT IN SESSION

Students enrolled in the Mayfield Excel Tecc consortium are required to follow the HOST District of the program they attend, even if Willoughby-Eastlake is scheduled to be not in session.

The transportation Department will provide modified busing on those days. Please review the following instructions:

AM Programs: Students must be at North High OR South High school and on-board the shuttle bus which will depart at 6:30AM. Students will arrive at the Mayfield Bus Hub and proceed to their classroom or board the usual transfer bus to their program location.

Upon return to the Mayfield Bus Hub, students will board the waiting bus(es) at the usual time to return to North High or South High School. As a courtesy, any student who needs a ride from the high school locations will be delivered to their home address.

MIDDAY Programs: Students must be at North High OR South High school and on-board the shuttle bus which **will depart at their usual scheduled time**. Students will arrive at the Mayfield Bus Hub and proceed to their classroom or board the usual transfer bus to their program location.

Upon return to the Mayfield Bus Hub, students will board the Willoughby-Eastlake bus at 3:00 and will proceed to the usual South High pm Transfer location to board their scheduled bus home.

Students are not required to attend outside programs if Willoughby-Eastlake Schools are closed due to weather conditions. Please contact your instructor/counselor/director for specific program questions or requirements.

Please contact the Transportation Department if you have any questions regarding the above busing instructions.
