Kids discover the joy of being part of a team, while striving to reach their personal best.

Swim Teams are designed for all levels of ability. They're a great way for elementary-aged kids and teens to make friends, have fun and enjoy a little bit of friendly competition.

- Younger swimmers are introduced to the team environment and learn all four competitive strokes
- More experienced swimmers develop their technique and endurance
- All swimmers develop the values of goal setting, team work, good sportsmanship and hard work
- **Parents Meeting Wednesday June 4 at 11am.** The success of our team is closely linked with the participation of families. The team depends on volunteers to help run swim meets or contribute to administrative support throughout the season

FINANCIAL ASSISTANCE AVAILABLE

The YMCA welcomes all who wish to participate and believes that no one should be denied access to the Y based on their ability to pay. Through our ANNUAL GIVING FUND the Lake County YMCA provides assistance to youth, adults and families based on individual needs and circumstances.
