

Building Leaders. Building Community.

LEADERSHIP

LAKE COUNTY

LEADERSHIP LAKE COUNTY YOUTH PROGRAMS

We offer experiential learning through full-day program sessions at various host sites each month. Students from schools across Lake County engage with professionals from diverse sectors, including business, government, and nonprofit organizations. Through this immersive experience, they gain a deeper understanding of the county, explore different leadership styles, and develop essential communication and leadership skills.

The Youth Leadership Academy welcomes 7th and 8th grade students.

Youth Leadership Academy
Info

Students graduate from these programs and state they are more comfortable speaking to large groups and initiating conversations with their peers.

The Junior Leadership Program welcomes 10th, 11th and 12th grade students.
