News and Updates for Longfellow Families

Office Reminder

You must have your drivers license to pick up a student from the office or nurse.

The Snow has Arrived!

Well the snow has definitely arrived and piled up! A huge thank you to Mrs. Ritchie and Mr. Lou for getting us prepared to come back to school after the snow day. The temperatures are about to plummet over the next couple of days so please make sure you dress your students appropriately.

Our student council is sponsoring another skating party! The skating party is going to be January 27th from 6-8pm at the United Skates in Wickliffe, \$3.00 admission price.

Good thing about being a Cleveland fan is all of our AMAZING teams! Our Cavs are doing great and as they reach the main part of their season student council has changed Browns Mondays to Cavs Mondays! So wear your best Cavs gear on Monday to show them some support. :)

We are here to help!

POSITIVE SHOUT OUTS! WAY TO BE MIGHTY!

Camp Invention®

JUMP INTO BIG ADVENTURES THIS SUMMER!

LEARN MORE AT [INVENT.ORG/CAMP](https://www.invent.org/camp)

A second grader builds persistence by testing how marbles move through her arcade design!

A sixth grader gains confidence as he builds a robot to make awesome spin art!

A fourth grader uses problem-solving skills to create a Spacepack for a galactic journey!

EXPLORE A TYPICAL DAY AT OUR ALL-NEW 2022 PROGRAM

A.M. BASE CAMP

Drop off your camper with certified local educators who start each day with games that spark creativity.

ROBOTIC AQUATICS™:

Camper create a habitat for a robotic fish — complete with a symbiotic friend — and then take their fish home in its mini tank!

SPACECATION™:

Inspired by real space exploration, campers construct Spacepacks and Astro-Arm devices, mine asteroids and observe ice volcanoes!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

NIHF'S THE ATTIC™:

Combining science and art to build their own robotic artists, campers make spin art and learn that everyone can be creative!

MARBLE ARCADE™:

Camper get their game on as they experiment with the fun of physics and engineering to build their own mega marble arcades!

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

All images feature actual campers enjoying our new 2022 program.

SECURE YOUR SPOT TODAY

Register at [INVENT.ORG/CAMP](https://www.invent.org/camp) or 800-968-4332

Grades: 1st - 6th
