News and Updates for Longfellow Families

Office Reminder

You must have your drivers license to pick up a student from the office or nurse.

Fall is Here!

Welcome Fall! Our students are doing great things, we have finished all of our diagnostic assessments and are really rolling with our classroom instruction. Student council has been voted for and has a meeting next week! They have already set up our first skating party for this Thursday! Our Longfellow Leaders are also having big things happening. They will be featured on Fox 8 news saying the pledge! Our students are working hard at showing MIGHTY behaviors, take a minute and ask your student what being MIGHTY means. :)

Mums sale pick up is this Saturday from 12:30pm-2:30pm. We can't wait to see all of your front porches decorated for fall! The next PTA meeting is October 7th at 6:30pm in the cafeteria.

We are here to help!

SPECIAL EDUCATION

Special education means specially designed instruction, at no cost to the parent, to meet the unique needs of a handicapped child. Special Education Programs are provided for all children who have a handicapping disability. A disability in this instance means conditions such as: hearing impairments, visual impairments, speech or language impairments, learning disabilities, mental retardations, other health impairments, physical impairments, autism, and traumatic brain injury. Every handicapped child in Ohio is entitled to services provided by the school district in which they reside, including **children with disabilities who are homeless children or are wards of the state**. These services include: evaluation services for all children birth through twenty-one years, diagnostic services for all children birth through age twenty-one years of age, and educational programs for children three through twenty-one years of age. If you know of a child who is handicapped or at risk and NOT receiving services, please contact the Willoughby-Eastlake City School District's Pupil Service Office at 440-975-3800.

ANONYMOUS REPORTING

The district has adopted an anonymous reporting program where parents and students can anonymously share information with school officials and law enforcement about threats to student safety - whether that involves a threatened mass incident or harm to a single student.

The information is on our district web page.

Here's how to access it:

1. Go to the main page.
2. Click students
3. Click safe schools
4. Click the green box to the left of the words, safe schools

This will take you to the safe schools help hotline number.
