## Three, Two, One, BLAST OFF!

This year we are going into space, celebrating all of the great events that occurred this school year, including football games, the Spring Musical, Prom, Homecoming and so much more. With the retro vibe now trending, we are going into space with some style. Lets look back on all the memories we made this year!

# Message from Mr. Frei

HELLO RANGERS,

THE 2022-2023 SCHOOL YEAR IS IN THE BOOKS! THIS YEARBOOK SERVES AS A COLLECTION OF MEMORIES THAT YOU WILL LOOK BACK AND REFLECT ON MANY TIMES THROUGHOUT THE REST OF YOUR LIFE. IT'S GOING TO GO ON A SHELF AT YOUR PARENTS HOUSE, GET PACKED UP AND MOVED TO YOUR FIRST APARTMENT, AND THEN EVENTUALLY FIND ITS HOME ON A BOOKSHELF IN YOUR FAMILY HOME. YOU'LL TAKE IT DOWN OVER THE YEARS TO REMINISCE. YOU'LL LAUGH OUT LOUD REMEMBERING KIDS AND TEACHERS YOU HAD FORGOTTEN ABOUT. YOU'LL REMEMBER THE "GOOD OLD DAYS." MANY OF THE FRIENDSHIPS YOU'VE FORGED WILL FADE, SOME WILL STAND THE TEST OF TIME, BUT THE MEMORIES WILL ALWAYS BE THERE. THE SHARED EXPERIENCES YOU'VE HAD HAVE CREATED A BOND THAT WILL ALWAYS CONNECT YOU. YEARS FROM NOW, WHEN YOU ARE READING THIS, REMEMBER, YOU'LL ALWAYS BE A RANGER!

## THANK YOU MR LYONS

A very special thank you to Mr Lyons! He has put in countless days and hours giving Eastlake North High School his absolute best. We all have been impacted by him and his mark on the school will last forever. Each and everyone of use has a special memories of Mr. Lyons and his dog. The Rangers wish you nothing but that absolute best because that is what you deserve Thank you for everything you have done!

## In Memory of Dylen Maloney

Addison Campbell (11) and Maddie Russo (11)

This past year, Dylen Maloney passed away unexpectedly. Addison Campbell (11) says, "Dylen was smarter and more creative than anyone I have ever met. He would always try to sell us pizza, pop, or candy. Any interaction with Dylen left a smile on me and my friend's face. It was daily thing to grab our stuff and go sit with him during class. He was very kind and genuine. If he noticed the teacher was going through stuff, he wanted to let her know it would be okay. I wish I would have told him the same thing in the moment. Dylen was a great friend and we all miss you and your red outfit." Dylen will forever be a Ranger and will be missed by many here at North High School.

# Stellar Student Council

Brooke Snyder (12), Victoria Safradin (12), Connor Valaitis (12), Emma Kovach-Uzl (12), Matthew Leonard (12), and Johanna Spicuzza (12) worked hard to bring student council to life this year. They helped put together the Homecoming dance and hosted blood drives. For Homecoming, the council decides on the theme, buys props, and decorates the gym immediately after the football game. They also decide the Homecoming week themes. Snyder and Kovach-Uzl designed the homecoming shirts.

"I joined student council because I really enjoy showing my school spirit, especially with homecoming week! The blood drives really felt like we were making a difference, and it was so much fun to get people involved. If there is anyone looking to join student council, I would say go for it! It's never too late to join."

-Emma Kovach-Uzl

Jacqueline Gliha (12)

"I joined student council so that I could represent a part of the school community since I'm not able to play sports. I preferred working on Homecoming because it involved more creativity and really makes us brainstorm. Advice I have is to make sure you have time for it because it requires effort and staying after school."

-Victoria Safradin

"I joined student council because I like feeling involved with planning school activities. I preferred working on Homecoming. We have one a year whereas we have three blood drives, so it was more special. One piece of advice I would give to people wanting to join student council is have fun with it. The more fun you have, the more memorable it is!"

-Brooke Snyder

"I joined student council to get involved at school and to plan school activities. I preferred working on Homecoming because it was fun to come up with a theme, and I am not a fan of blood. To anyone wanting to join student council, don't be afraid to sign up! It's a great experience to get involved at school."

-Johanna Spicuzza

"I joined student council to be more involved at this school and to help make a difference in the events that go on here. I preferred working on the blood drives. It was an all day event that got you out of class for a good cause, not to mention the Starbucks runs from Mrs. Cvelbar. My advice to anyone who wants to join is just go for it! It's a fulfilling experience."

-Matthew Leonard

"I joined student council because I wanted to have a say in what is happening at our school. I preferred working on Homecoming and other dances because they are key moments in our high school career and I wanted to make them memorable. I would tell people looking to join student council to do it. It's a lot of fun and looks great for college."

-Connor Valaitis

Sophia Patouhas (12)

Destiny Wisuri (11)

Student council hosts three blood drives throughout the year. The members recruited teachers and students to come to the blood drive by placing flyers around the school. Connor Valaitis said, "It took a lot of convincing for some, but it was worth it in the end." Student council also coordinated what times people attend and signed people into the blood drive.

# Classes from the Cosmos

Cameron Kizlik is the junior field commander for the marching band. Kizlik loves being able to lead the band in a positive way. "I know that when I leave, I have left an exemplary mark on the North High School marching band." His favorite memory from the season is feeling like a family when he is with the band.

### MADDIE KISSINGER

Kissinger is a huge part of yearbook. Each day she goes above and beyond to help Mrs. Fryman put the yearbook together. "People are always excited to have their picture taken. I love being able to showcase everyone's best and happiest moments throughout high school."

### HAYDEN BOND

Bond has been a member of Northern Lights for two years. Bond said she's always been told she has more of a "pop" voice so when she found out Northern Lights only did pop songs, she knew it was something she had to do. "My favorite part is that we have the ability to inspire so many people."

Jonas Hanks is enrolled in the Auto Collision course. Hanks mentioned how much he's learned in his class, and how he enjoys going to TECC everyday. "I've learned a lot and I know this is going to teach me what I need to know for my future career."

Andrew McCabe is a promising runner on the cross country team. For one of their meets, the boys ran at Gilmour Academy. McCabe described the meet as "challenging." He got a new personal record, but explains that "I feel like I could have stayed with the pack of North kids just ahead of me."

## A BLAST FROM THE PAST

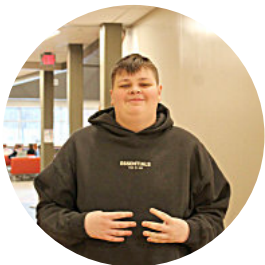

### Nathan Tadiello

Tadiello shares that he is having a good school year. He is always looking forward to history class because it is taught by his favorite teacher, Mr. May. However, Tadiello says making the varsity basketball team as a sophomore is what makes the school year really stand out.

### Jacob Kirkner

Kirkner is enjoying his second year of high school. When asked about his favorite memory, he said the North versus South football game. "Yeah it really showed the school spirit students here have. I especially was excited to be able to watch my friend start varsity. Definitely something I won't forget."

Ariana Young

Annie Gillespie, a sophomore on varsity cheerleading, says that this achievement has taught her time management in order to give her commitment adequate time and effort. One memory that stuck out to her was the Kenston game. During third quarter of the Kenston game,

the cheerleaders combined with Kenston's student section to play games. Gillespie would like to tell any in coming cheerleaders that the sport is time consuming but the memories are well worth it. "I love it."

The cross country team, specifically sophomore Xavier Adams, dominated at the Gilmour meet. Adams was able to achieve his personal goal. He explains, "The first mile I was trying to keep up with one of my faster teammates and I did, so I was proud of myself because I could stay with a guy better than me." Adams is always pushing himself to do better and is hoping to accomplish more of his goals next season.

After a long practice hitting the courts, sophomore Grace Forwick was enjoying a meal with her tennis team. The girls this season have been doing really well, and Peyton Chrzanowski (12) decided to treat her teammates to pizza after practice. Forwick plays first singles and her effort this year is extremely impressive. "My own self improvement has left me very hopeful for future tennis seasons and the people I will see grow through those seasons as well."

Kailyn Brignoni has had an interesting freshman year. Brignoni's favorite memory was going to my first game for marching band." She enjoys going to extracurricular activities after school.

# Fantastic Freshmen

## OUT OF THIS WORLD MEMORY

Morgan Petrecca shares that her favorite memory of the season is the volleyball season because it helps make new friends, which makes it fun.

## CLASSES FROM THE COSMOS

Breonna Buchanan shares Spanish is her favorite class because it is funny and you are learning a new language.

Noah Meros shared that so far his favorite part of the year was Homecoming because he got to hang out with a lot of my friends outside of school hours. Meros shares science is his favorite subject due to how interesting it is and how his teacher makes it fun. He is looking forward to the last month of school because the work is a lot more laid back and summer is approaching. "North High School can be fun, especially when you have good teachers".

# Mr. Lyons

On October 11, 2022, Mr. Lyons retired from North High School. Mr. Lyons was loved and adored by everyone who met him. "My favorite memory with Mr. Lyons was in 9th grade when we were playing Hello Kitty Uno in study hall and he joined us for a few matches. He later threatened to give me a detention for making him draw with a +4 and beating him," says TJ Godwin (12). Mr. Lyons was constantly in a good mood. He was always there for the students. Peter Gembka (12) said that if students did not have enough money for lunch, he would help pay. He was passionate, witty, caring, friendly, and courageous. Alastor Ferritto (10) shared that "my favorite memory is when I would compliment Mr. Lyon's sweater vests. They were the best!" Everyone misses seeing him around the school. His presence was felt by everyone. Mr. Powaski mentioned that Mr. Lyons someone he felt he could go to. He was always willing to go above and beyond to help someone. Every day he would check in on the teachers to make sure they had what they needed. During his retirement, Mr. Lyons plans on volunteering at the Lake County Board of Developmental Disabilities, a place that empowers individuals with developmental disabilities. He also plans on golfing and hanging out with his dog. Mr. Lyons would often bring his dog, Lilah, to North to interact with the students. Happy retirement Mr. Lyons!

# Mrs. Misconin

The 2022-2023 school year is English teacher Mrs. Misconin's final year before retirement. She has worked for Willoughby-Eastlake for 25 years, 21 of those years she spent at North. "Mrs. Misconin is a hardworking teacher who also has a soft side for fun activities," says Brody Caswell (12). She is kind and supportive teacher who is always willing to help her students. Every year she came in and reminded her colleagues to be positive. Her fellow English teacher, Mrs. Weisbarth, said, "she is someone you can count on and willing to support you in any way possible." Lauren Steible (12) appreciated it when Mrs. Misconin sent an email to congratulate the Northern Lights students after their Fox 8 performance. Her students will miss her energy, helpfulness, and motivation. The English department agrees they will miss the lunch periods with her and the events she planned outside of school. Throughout retirement, Mrs. Misconin is looking forward to spending time with her two grandsons. She is also looking forward to traveling with her husband more and staying active with pickleball, hikes, and visits to the gym. "I will never forget the countless students I've had the opportunity to teach. So many of them have kept in touch over the years, and I have enjoyed watching them go on to lead successful, productive lives." We hope you enjoy retirement Mrs. Misconin!

# Stellar Music

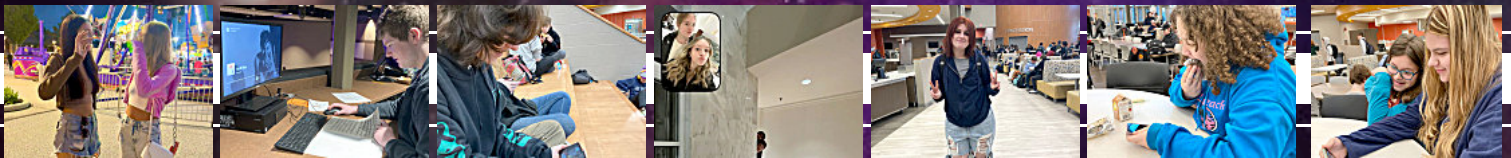

Recently, songs from the past are becoming trendy again. One of these songs is "Running up that Hill" by Kate Bush. Bush first released the song in 1985, but it became popular again after it was featured in season 4 of the hit show *Stranger Things*. Singer Jack Harlow uses the pre-chorus from Fergie's 2006 song "Glamorous" in his 2022 song "First Class." When asked how she felt about songs from her childhood becoming popular again, Mrs. Fryman said, "I love it because I already know all the words."

# Multi-Verse Media

BeReal users receive a notification at a random time once a day. Users then have a two minute window to post a picture of what they are currently doing with the front and back camera. The purpose is to capture authentic snapshots of people's life. The app first launched in 2020 but did not become popular until 2022. When asked what they thought about the app, junior Max Collins said, "At first I thought it was so dumb, but it ended up being kinda fun after I got the app. Showing people what I'm doing at that exact moment and having others join the picture just ended up being fun."

The freshman class typically comes into the season on a slight learning curve because high school sports are very different from middle school and club sports. This clearly wasn't the case this season. The North High freshman class has brought a strong, promising group of freshmen that has improved greatly over the season. The playful freshman team loves to joke around with each other during practice. This is best represented by Liam Piotrowski (9), who is a member of the freshman football team here at North, shown on the left.

## Aim for the Moon

When the players get their time to serve the ball, they practice their stands and how hard and high they should hit the ball. The players have to get it over the net but not farther than the end zone. If the ball was a perfect serve then the other team has a chance to hit the ball back.

## In All of Our Hearts

Jelena Grmaca was a part of the volleyball team, and she sadly passed from cancer last year. Prior to Jelena being part of the team, the volleyball team always had a game to "Fight for a Cure," but now the game honors Jelena. The team had a fundraiser to raise money to help find a cure for cancer. The money goes to people that have cancer and help them with the cost of treatments and other expenses that may arise during their treatment.

## Teamwork Makes the Dream Work

The team is comprised of hard workers, and they gave their best effort. The girls were respectful and kind to others. They worked as a team in practice to improve and worked harder at the games.

**Ashleigh Mayne**

"To me, one of the biggest parts of volleyball that I'm going to miss is the compassion I was able to share. There are so many moments from the season that I wish I could revisit, but one of my favorites will always be senior night. One piece of advice that I would give to the underclassmen is to never give up when it gets hard. Just because something is difficult, it doesn't mean you should let it ruin your passion."

**Grace Birch**

"I'm going to miss all of the friendships I've made throughout the years. My favorite memories were the golf outings, team dinners, and going out after games. My favorite moment from the season was senior night. It was so special to celebrate with the girls I've grown up with. The best advice I can give is to not take anything too seriously and just have fun!"

**Madison Jablonski**

"My favorite moment from the season was senior night and seeing all the people who love me show up. I will miss the early morning workouts. I enjoyed starting my day with an intense workout. Remember to work hard and be strong willed."

## STAR PLAYER

The varsity team took a poll to determine their star player. Most thought of Ashleigh Mayne (12) as the player they could count on if they needed someone to back them up. The team agreed she made everyone better and pushed everyone to do their best. Ashleigh was happy that her teammates thought of her that way. She was glad to make friends and play along side them for her last year of volleyball.

# Seniors

**Karli Morbeto**

"What I will miss about volleyball is all of the team bonding activities through the year and during the summer. My favorite moment from the season was the Jelena Game. Being able to play for her and raising awareness for DIPG was very special to be a part of. My advice for the underclassmen would be to live in the moment and cherish the time you have during the season because it goes by so fast."

## STAR PLAYERS

This season, there were two foreign exchange students on the girl's JV soccer team. Laure Philippe (12) came from France. When asked what made her want to play American soccer, she said, "The girls on the team seemed very nice and I wanted to try something new." She said that sports in America are more intense than in France. Her favorite part about playing sports was making new friends. Rosalie Fahr (12) came from Germany. Fahr wanted to play American soccer because she likes playing soccer but never had the opportunity in Germany. She said that schools in Germany do not have sports outside of PE. When asked what her favorite part of about playing sports is, she said, "My favorite part was the school spirit, playing on a huge field in a stadium, and the bus rides." Fellow teammate Michaela Pingstock (9) said, "Laure and Rosie brought a great positive attitude to the team. They were funny and always positive."

This season, the varsity girls developed a strong bond. According to Lauren Steible (12), that is what she enjoys the most about playing soccer. "I like working with the team to meet a common goal." The girls treated each other like family and got a long really well. They bonded both during and outside of practice or games. Junior, Katia Blatnik, agrees with her teammate saying the bond was "pretty dope."

# Beyond the Game

Matthew Dupnock is a freshman on the boys soccer team. He enjoys his position, mid-field, because he is able to run and support both sides of the field. He says his biggest inspiration is his teammates, and in particular, Lukas Greeby (11). He explains that Greeby, regardless of how physically draining practices or games are, would always persevere. The memories that stuck out to Dupnock are the end of season bonfire or the astonishing win against Chardon. They were both great team bonding events filled with unforgettable moments. Dupnock shares making new bonds with his teammates helped lighten the mood and give him a good laugh when he needs it the most. This season, he set a goal to develop a touch on the ball, and he achieved it by just working on it consistently whether it was during practice, during a game, or even just kicking the ball around. Dupnock's goals for next year is to hopefully start varsity by the end of the season and to grow as a player.

# SENIOR STARS

North's Varsity soccer team took to the field celebrating the seniors on August 27, 2022. The 9 seniors dominated on the field against University Schools.

Junior Daniel Tadic shares, "My favorite memory from the soccer season was beating Riverside to win the conference and celebrating with my team mates." Tadic adds that the sport effects him very positively because it helps him form lifelong friendships, giving him a new love for the sport. He says that he looks forward to playing next year and and continue building great friendships.

## The Future has Landed

Senior Matthew Colton (12) is a varsity soccer player. He has grown and gained more confidence as a player since starting 10 years ago. Because of his experience, he also has become a more aggressive player.

**"The team dynamic is very meaningful to me"**  
**- Matthew Colton (12)**

He explains that he made lots of friends through soccer. Colton ' s best game was the sectional game against Cuyahoga Falls. Colton ' s advice for future soccer players is to "understand your role on the team."

### SUPER SENIORS

### In Full Swing

Lauren Iannetta (10) has worked very hard this golf season. She is on the girls' varsity team. This year she competed in the OHSAA Division I District Girls Golf Tournament at Brookledge Golf Club. She is an extremely hard worker and a true golf prodigy. Iannetta is a WRC all conference performer who shot an 86 at sectionals, allowing her to qualify. She had a successful season and all of her dedication paid off.

- Johanna Spicuzza (12)** practicing her swing.
- Brady Amos (10)** having lots of fun at practice with his fellow teammates.

Connor Valaitis (12) and Tyler Sauric (12) after doing well at the Western Reserve Conference Tournament.

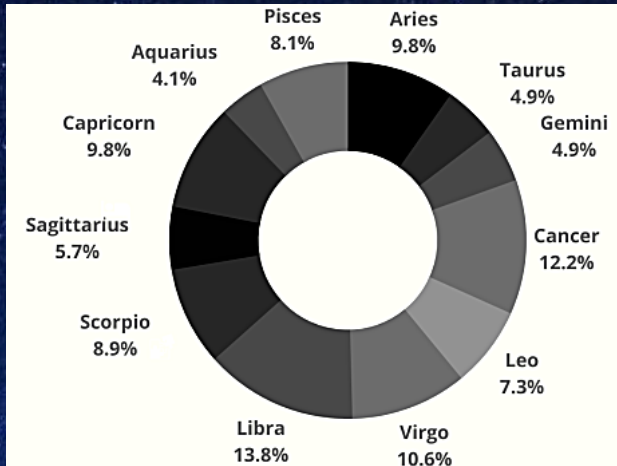

Both the girls' and the boys' efforts were amazing this season. The two teams learned a lot and improved greatly. When asked about the 2022 golf season, Eva Kendel (9) described it as "peaceful." She really enjoyed playing and it made her very calm and brought her a great peace of mind. Overall, both teams worked very hard this season and their efforts are admired.

## A LOOK INTO THE Stars

Astrology is the study of star movement and positioning. While it is used for scientific purposes, astrology can also be used as a personal guide. Astrology can help people learn about themselves, make true connections, and align themselves with the universe. Astrology is a way to identify personality traits and gain insight into future paths in life.

### OUTSTANDING

### AURA

Valencia Ridley (10) has an outstanding aura. Ridley's zodiac sign is Sagittarius, which explains her optimism, humor, and honesty. She shares that her favorite zodiac sign is Scorpio, because of her mom, who she says she has a great relationship with and loves very much.

North's Cross Country team worked hard this season running to infinity and beyond through difficult terrains. Running is a mental game as much as it is physical. Every meet, the team sets new goals for themselves, reaching for the stars each time. Although everyone focuses on achieving their own goals, that doesn't stop the runners from cheering on their teammates. The team formed an unbreakable bond. Troy Federici (11) feels, "The team helps me stay motivated. Watching everyone give it their all pushes me forward."

## PRE-RACE RITUALS

"When I'm getting ready for a race, I like to listen to music and really just focus in and prepare to endure the pain I'm about to experience."

Matthew Dupnock (9)

"Pasta parties on Fridays always make me super excited, and I love being with the team. On race days, I usually rest on the bus and listen to music. Being with the team always calms my nerves too."

# A RACE IN SPACE

The team ran to the moon and back at the WRC (Western Reserve Conference) Tournament in Kenston. The runners improved a lot throughout the season, and it really showed at the meet. Alexis Panzarella says, "I ran a solid pace and felt pretty strong the entire time." For others who want to improve, Panzarella adds, "You just have to put your heart into it, you'll have to really want to do it to be able to actually do it." However, Panzarella isn't the only one who did well. Troy Federici finished in sixth place with a time of 16:33. Federici explains, "I ran my best race and got a new PR (Personal record)."

## NORTH GIRLS' TENNIS

### FOUGHT HARD THIS SEASON

During the 2022 tennis season, all of the girls on the team improved greatly and played their best at every match. Gabrielle Cannato (10), who has been playing for three years, mentions that "Mindset is a big part of playing sports, and a loss can affect your mindset just as much as a win can boost your self-esteem." Mindset is a very important part of playing tennis, and using all the skills and knowledge they've learned throughout tough practices, these girls played wonderfully this season.

## Take-Off

### BEHIND-THE-SCENES WITH THE STUDENT TRAINERS

Being a student trainer is a lot of fun, but it comes with a lot of important responsibilities as well. "As a student trainer, I sit on the sidelines and give the athletes water and help them when they're injured," says Addison McCarthy (9). The student trainers here at North High are imperative to the athletes. They work very hard to care for our athletes and we're grateful for their hard work this year!

## TO INFINITY AND BEYOND...

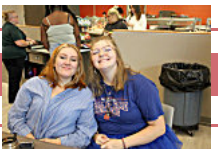

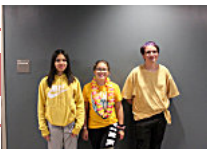

On the day of the North vs. South Football game students raised over \$10,000 by participating in a fun game called "Jail the Teacher" where students had to raise \$40 in each class to be allowed to leave class and go to participate in fun activities both in the gym and outside at the football stadium. These pictures show the happiness it brought to the students by not only getting out of class and being able to have fun, but to also be raising money for a good cause.

## PLANETARY PEP RALLY

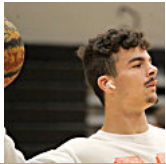

The pep rally was full of activities to get the staff and students hyped for the North vs. South game. A fan favorite event was the jump off. One male student from each grade level was selected to see which can perform cheer jumps the best. This year's winner was senior, Floyd Lomis. The Varsity Cheer Team performed a cheer and the marching band played many halftime songs and stand tunes. To finish off the event, the school, led by Mr. Bain, sang North High's Alma Mater.

## RANGER BUCK SHOP

The Ranger Buck Shop was first introduced during the 2021-2022 school year as a part of PBIS. Students can earn Ranger Bucks by being respectful, responsible, and ready to learn. Students then can use their buck to buy items from the shop. Some of the smaller items include pop-its, chips, and popcorn. Big items have included coffee with Mr. Miller and Taco Bell with Mrs. Pecan. The goal of the Ranger Buck shop is to reward students and encourage them to continue their great behavior.

# FAVORITE THEMES

## Peter Meros

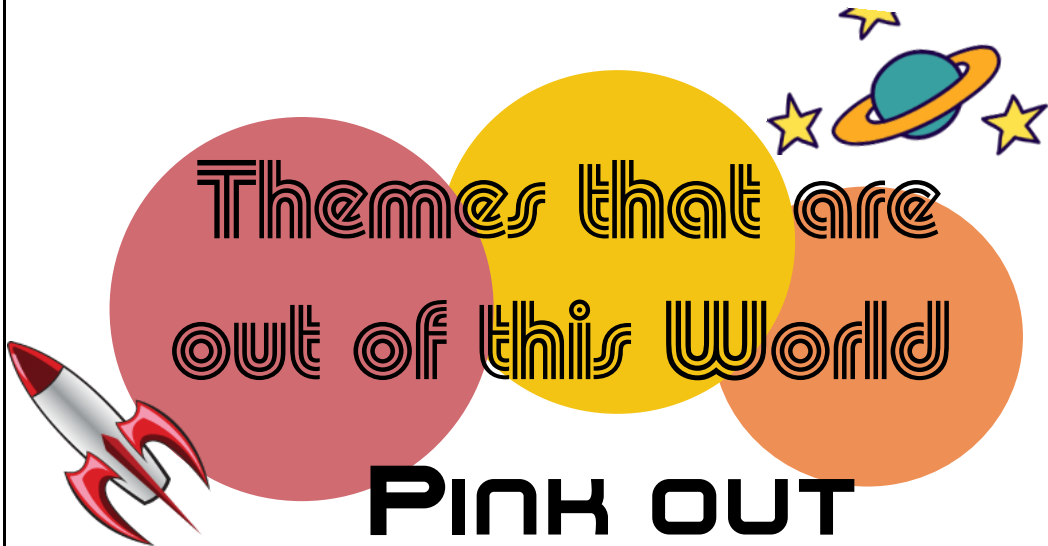

"My favorite theme this year was definitely neon just because I loved the atmosphere, especially on the bleachers. The neon theme was the first game of the season also made it fun, and it looked good with all the bright colors. If I could pick a theme it would be frat because it's funny and easy to dress for."

## Alyssa Hall

Sydney Wolf (11) and Alyssa Hall (11)

"We made signs because Sydney Wolf and I absolutely love the atmosphere of football games. We loved making the signs together, and I wouldn't want to do it with anyone else. We wanted a way to cheer our team on. Also making signs is fun getting to be creative with them! I think my favorite sign was our Western Theme that said "Rangers run this rodeo." That was my favorite game sign or "give the minute men the boot."

# HOLD THIS AND POSE

The app Tik Tok has become a very popular in the recent years. To stay up to date, North's yearbook made their own Tik Tok page. For North's Homecoming football game, the theme was pink out and to match the theme a pink boa was passed around. All the photos seen on this page with a pink boa where used to make a Tik Tok (you can watch all North's videos @nhsyearbook22.23). All the students in pink were very easy to work with and happy to show their school spirit by participating in a school Tik Tok. Even North's very own Homecoming king and queen participated.

## WORDS FROM THE STARS

Paxton Meyer (12)

"Finding out I was Scrooge was so much fun and being a lead can be stressful but it's also fulfilling. I think I'm going to miss the community of drama the most. It's such a tight knit group!"

Emma Kovach-Uzi (12)

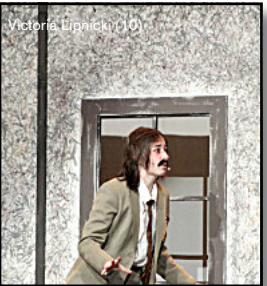

"I was so thrilled when I found out I would be playing one of the narrators. It was so much fun and it was my last show on stage in high school. I really love getting close to the whole cast through the rehearsal process, especially Maggie, my narrator buddy."

Maggie Andrus (11)

"I was beyond excited to be able to play one of the narrators! By far the best part was getting to do this role with Emma. I've always looked up to her and we got super close playing the narrators. I couldn't imagine doing that role with anyone else!"

Victoria Lipnicki (10)

## What is Your Favorite Part of Winter?

Ashley Chase (11), Cameron Kizlik (11), and Bryce Nagel (10)

Senior, Kailey Minch, is committed to Ursuline College. She averaged 20 point games and scored over a 1,000 points. She also made The All Star Team. Her hard work paid off.

Amiya Latham, senior, is a very important player on the team. She always makes her teammates laugh, she is very positive, and a great leader.

Sydney Helm (12) is an important part of the Varsity team. She is a strong player and an amazing leader. She works well with her teammates and works even harder during games.

Senior, Sidney Colby, was a very valuable asset to the girls varsity basketball team. She showed this through her determination and leadership, and these qualities were shown in both practice and games

## TEAM SPIRIT

**Sidney Colby (12), Lilian Namestnik (11), and Ella Powalie (10)** demonstrating great team spirit by cheering on their teammates

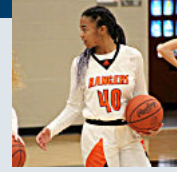

Cameron Welty (11) is another key asset on North's girls' varsity basketball team. She really enjoys playing basketball and because of all of her hard work, she landed a spot on varsity.

"My favorite memory is probably when I scored my first varsity point and my team went wild."

- Angelie Cisternino (9)

## Retrograde Rebound

Being a part of a team is being able to work together and collaborate to make sure that the season will be successful. The varsity girls' basketball team worked really hard this season and it paid off immensely, winning almost every game this winter. Spending long nights practicing, this group of strong women never stopped working towards their goals. "A big focus of ours is playing hard and together as a unit so we're going to continue to do that to finish our season strong!" said Cameron Welty (11). The girls' skill and teamwork took them farther than they had expected. Overall, the varsity team had a wonderful season and next year will be even better!

## Girl's Varsity Basketball

This year a big focus for the team was communication and bringing a lot of energy to all of their games. It was extremely clear that every member of the team had been working hard and putting in effort at their practices. This was made evident because of the great communication shown at games, and the unwavering spirit the team brought wherever they played.

"I love playing with the team. It feels like a family. We play for each other and want each other to succeed."

Solo and Ensemble is a competition at Madison High School where band and choir students are able to perform a solo or perform in an ensemble with other people. On the day of the competition, solos and ensembles play in front of an adjudicator, where they are ranked on different categories like tone, intonation, interpretation, and technique. They are then given a rank: one being the highest and five being the lowest. If you receive a one or a two, you are given a pin and a certificate. Cameron Kizlik (11), who went to the event for his second year, says "Solo and Ensemble is a fun event where choir and band students can showcase and improve their skills."

# Twinkle, Twinkle, Little Star

This year, North had two concert bands and two jazz bands. The first concert band was wind symphony, which members must audition for in order to get in. Chloe Carrig (11) said, "Wind symphony is definitely one of the best bands in my high school career. Mr. Sell gives his all to teach us and give us new music that will challenge us." The second concert band is symphonic band, which is open to anyone. "I like band because it gives me the opportunity to express myself as an individual through the music we play as a group," says Kailyn Brignoni (9). Similarly to symphonic band, the first jazz band is open to anyone. Abigail Clark (10) said, "My favorite part of jazz band is when I can play my part correctly." The jazz ensemble was introduced this year. It is in an invitation only band. "What I like about jazz band is being able to create good music with a small group of people and small range of instrumentation," stated Bryce Nagel (10).

## SIGNING FOR THE WORLD

Northern Lights is North's an acapella group that sings various pop songs without using instruments. Anything the group sings comes from their voice alone. The group has various voice parts that contribute to their sound, including alto, soprano, tenor, bass, and a beat boxer. All these different voice parts come together to make one beautiful sound. Throughout the school year, Northern Lights sings for students and staff members during the school day. This typically occurs around Christmas and Valentine's Day where people can purchase a song for someone, and Northern Lights goes to that specific class and sings to that person, giving them either a flower or chocolate bar with a note from the person who bought the song for them.

On February 12, 2023, the gymnasts competed in their last meet of the season before the sectional meet. It was also senior recognition night, so everyone congratulated seniors, Brenna Drew and Kaitlyn Shorts. The girls earned some of their highest scores of the season, and for the first time in over 15 years, North won the meet. This is an extremely important achievement for the gymnastics team and our school, and it just goes to show how much it pays off when these girls put all of their effort into long practices and trying their best. Good job this year!

# Holiday Festivities

Throughout the winter season, North hosted several holiday festivities. In November, the yearbook class had a Friendsgiving feast. Leading up to Christmas break, there were many fun activities for students to be apart of or attend. Both band and choir held holiday themed concerts. Yearbook participated in a Secret Santa celebration. There were themes every day leading up to winter break, one of which was pajama day. Perhaps the most popular holiday event held was the staff vs. student dodgeball game, which took place the day before break. By the end of the week, everyone was ready to kick back and relax for the next two weeks.

On February 4, 2023, the junior class council hosted Winter formal. The junior class council decided to let the school as a whole have a vote on the theme and black and white ball won with a third of the votes. Logan Senol (11) said, "For the most part, the setup was just hanging up our decorations as we had already planned out where we wanted everything and blowing up balloons for our balloon arches." Senol, as well as Pablo Rodriguez (11), Benjamin Messemer (11), and Ryan Dominick (11) agree the best part of Winter formal was seeing everyone finally get to enjoy the dance and enjoy the night as a school. They hope everyone had as much fun as they did and the night was as special for the school as it was for the four of them. "We wanted to give a shoutout to Ms. Tartaglia, Mrs. Beller, and Mr. Frei for all their help with the night, as well as the rest of the staff, for making the night go smoothly. The whole dance couldn't have happened without them, and we are very thankful for their help. We also wanted to thank everyone who showed up and we hope they all had a great time." Senol added.

To match the theme of the dance, the junior student council set up a black and white back drop. The boys on the class council wanted to use the school's Fab Lab in some way. With the help of Mrs. Beller, they made a vinyl print for the photo background with a checkerboard pattern. Logan Senol (11) shared that it was difficult to get the background hung because nothing would stick to the brick. Fortunately, both staff and students enjoyed taking photos with it throughout the night.

## Rivalry Continues

North held their ground against South not only once but twice. North and South both played a good game, but in the end it depended on who wanted the win more. The baseball team, being as competitive as they are, went out and honored North by rallying in two wins against South. Hopefully the boys keep this competitive spirit going for years to come and keep on winning!

# COUNTING

## STARS

The JV Rangers took a hard loss against South under the lights, but that wasn't going to stop them in round two. Throughout the second game, the Rangers and Rebels went back and forth with taking the lead. At the top of seventh inning, freshman, Olivia Credico, hit a double, which put the Rangers in the lead. They ended up playing two extra innings, and JV beat South with a final score of 15-9.

Junior, Taylor Bard's, favorite memory from this season was "hitting two home run in the North vs. South game." The best part of the game for her was

being able to play under the lights at Todd Field and that her two home runs during the game, gave the Rangers the lead and they were able to pull of a win.

Junior, Elizabeth Gardner's, favorite memory from this season was going down to Myrtle beach. "When we were there, we were wining games left and right and everyone's energy was always up. It was a great way to kick off the season by the girls, whether it was playing volleyball on the beach or going out for dinner together."

# The Future has Landed

The Rangers had their first home game under the lights vs. South. The Rebels were up early in the first inning with a 2-0 lead, then in bottom of first the Rangers were able to put up a run making the score 2-0 with South still in the lead. The Rangers were down for a few innings, but in the bottom of the 5th, the Rangers started to fight back. Amanda Dobida (11), Taylor Bard (11), and Brynne Smith (10) all hit home runs helping the Rangers to defeat South. After her home run, Taylor Bard said "I Definitely felt really good. I was very happy with my performance." That night, the Rangers won 9-3 defeating their rivals, South High School.

Sophomore, Ashley Sykes', favorite memory from this season was also going on the Myrtle Beach trip during spring break because she was able to "be on the beach with my friends"

## Ranger Invitational

This year, North continued the tradition of hosting the Ranger Invitational. The athletes competed hard, bringing many victories and personal records (PR). Madalyn Krenisky (12) ended up breaking her personal record: "I was proud of myself." She continues, "I think my favorite thing about long jump is watching myself improve and seeing what I can work on." Ella Zappola (11) also saw some growth at the invitational. She got second place in both high jump and hurdles. Zappola shares, "Every race my time drops a little bit so this season has been pretty good on improving my time and just focusing on my race." To new hurdlers, Zappola says to show up to practice and put in the work.

- Rosalie Fahr (12)

## FAVORITE MEMORY

"My favorite tennis memory is the van rides to and from matches. The conversations we had were hilarious."

- Matthew Colton (12)

## Serving Up

## to the Stars

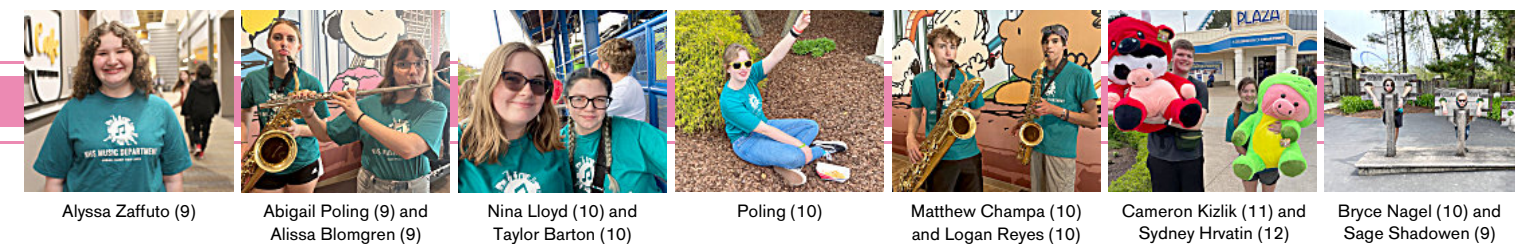

This year, the North tennis team dominated. With the majority of the team being returning upperclassmen, it wasn't difficult for our team to get back into the swing of things. This year the team focused on improving their skills, teamwork, and team spirit. Everyone did very well this season. Here's to another great year, Go Rangers!

## Planetary Pit

This year, the pit welcomed a new director Rachel Woods. Ms. Woods joined the production one week before the production opened. The musicians agree she is extremely nice and fun to be around. Poling (10) said, "She's a really great musician overall, and she really knows what she's doing. She's also super nice to talk to about anything." Additionally, the instrumentalists shared that Ms. Woods adapted to the pit perfectly making it an easy transition on everyone.

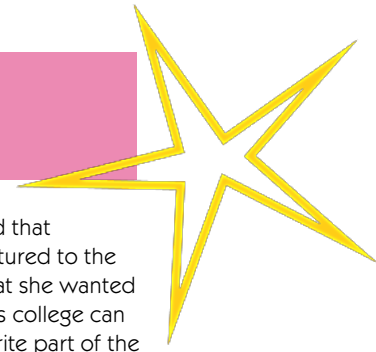

# CASH

# GRAB

The cash grab was a fun way to get involved that happened on April 5, 2023. Grace Birch pictured to the left made sure to get involved. Birch said that she wanted to get involved because any money towards college can be a big help. She also shared that her favorite part of the event was getting to win with my best friends. Birch shared, "At the event we did our best to manage our money and somehow got third place!"

## A WHOLE NEW WORLD

On March 9, 2023, a selection of students went to Playhouse Square to see the musical Aladdin. The invite was only extended to the North drama students. Maddie Kissinger (11) shared her favorite part was getting to see the musical with her friends. She would recommend anyone to go see show because it was a fun experience. Kissinger said she would for sure go to the musical again.

Kissinger shares, "It was a lot of fun and was high energy."

Freshman, Preston Perkins, shared his favorite part was the fun music and that there were fun and exotic colors. He would tell more people to see it because it was entertaining, and hopes he can go again to see it.

# PBIS BASH

May 19, 2023, was the last official day of school before finals, and the first annual PBIS Bash. Students were able to "kail their teacher" using Ranger Bucks, which allowed them to go out side and play soccer, football, and volleyball. The fun activities planned were a jumbo obstacle course, a dunk tank, an ice cream truck, and other food that could be bought using Ranger Bucks. The day was ended with a fun kick ball game that involved freshman, sophomores, juniors, and teacher. After the sophomores beat the freshman and juniors, they played against the staff and ended tied 2-2. Holly Mosnik (9) shared her favorite part of the bash was "Getting to hang out with my friends and play volleyball before summer starts."

## Boca, Florida

Sophomores, Alana Albanese and Leah Damberger spent their spring break in Orlando, Florida. Leah Damberger shares her favorite memory was spending the week tanning and swimming with her friend. Leah's advice for future travelers is to make sure you wear sun screen. When asked what her favorite memory from her vacation, Albanese shared her favorite memory was "Going to Universal and getting to try new rides and food with my best friend." Her advice for future vacationers is to capture all things that happen because it can fly by quick.

Ava LoConti (10) spent her spring in the hot sun in Boca, Florida. LoConti's favorite part was going to the beach and walking the board walk with one of her best friends. Her advice for future vacationers is not to go the beach in large groups because it makes it really hard to enjoy it when there are so many people there.

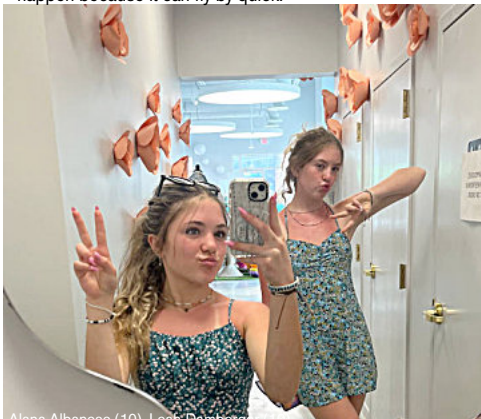

Rosalie Fahr shares that if she could go on vacation, she would go to the Canary Islands because the nature and ocean is pretty.

Teagan Morell says that if she could travel anywhere she would go to Greece because it looks pretty and the food looks very good.

Charles Dupnock would go to London because it looks cool and they have nice accents.

Kailey Lesler-Harold

A junior, Kailey Lesler-Harold, was able to graduate a year early! She said, "It was possible for me to graduate because I completed all of the high school requirements a year early. I attended SOI, so even in middle school I was taking high school classes." Kailey also took higher classes while at North. She plans to attend John Carroll University, where she will wrestle and play soccer. Not only is Kailey an athlete, but she is double majoring in Management and Human Resources and Sports Studies with a minor in psychology and communication. She hopes to become a manager of the NFL, MLB, or US National soccer team. We wish Kailey the best at college and know she can accomplish her goals!

# Society

On November 14, 2022, 75 juniors and seniors were inducted into the Adele Knight Chapter of the National Honor Society. This year's officers were: president, Victoria Safradin (12); vice president, Connor Valaitis (12); secretary, Brooke Snyder (12); and historian, Emma Kovach-Uzl (12). Safradin says she wanted to be an officer because "I felt it was a great way for me to be able to contribute something to our school."

"I joined National Honor Society because I love helping others. Service means helping others when they need it because it's the right thing to do. I have volunteered with the PAC to help with lights and sound for different concerts/events. I hope to continue with these in the future."

-Luke Lanning (11)

"I joined National Honor Society because I saw it as an opportunity to help others and a great honor. For me, service means giving a helping hand to others when they don't ask for it. I have volunteered with kids, and I plan on volunteering at the humane shelter over the summer."

-Max Collins (11)

"I joined National Honor Society so I could be apart of an organization with a central goal of helping others. For me, service means helping others - not for my own benefit, but for the sole purpose of assisting someone. I have been volunteering at the cafe at my church every Sunday for more than a year now."

-Hannah Ways (11)

"I joined National Honor Society to help serve my community. To me, service signifies providing for others in the hopes of improving their day. I volunteer time to attend school events in order to capture pictures for North's yearbook. I have also sewn neck pillows for hospice."

-Maddie Kissinger (11)

"I wanted to be an officer for NHS because I always try to find ways to help others and this was another way I could do so."

## Stellar Staff

The yearbook staff is made up of one freshman, two sophomores, five juniors, and three seniors. Four of the juniors, Sophia DiCillo, Elizabeth Gardner, Emerson Hren, and Maddie Kissinger, are returning for their second year. The staff was dedicated to making sure almost, if not everybody made it in the yearbook. Through their hard-work, the class also had fun. Some of the parties included birthday parties, a Friends-giving, and a cookie party. Mrs. Fryman, who runs the class, decided to have parties this year to help build morale and create a family like environment between everyone.

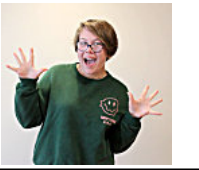

"I got involved in yearbook for a creative outlet. I'm looking forward to working on the different spreads and seeing the finished project. My favorite element of the class has been making new friends."

Maddie Kissinger (11)

# SHINING BRIGHT

"I joined yearbook because I thought it sounded like a really fun experience. I'm really looking forward to finishing this year's yearbook, and seeing everyone's hard work come together."

## STAR MENTION

Due to scheduling, junior Sophia DiCillo is taking yearbook as an independent study. Sophia joined yearbook in 10th grade because she loved Mrs. Fryman in 9th grade so she convinced Sophia to be in yearbook. She was unable to be in yearbook this year because of her AP Government class. DiCillo said, "I do miss being apart of the class and interacting with everyone because that is one of my favorite parts of being in yearbook."

**Juliana Hopkins (12)** working hard during study hall.

## Beyond the Classroom

One of the most popular after school activities is attending sporting events. Students love being able to cheer on their friends and fellow classmates. The athletes appreciate hearing their friends support during games, meets, or matches. "My favorite part about the student section is the amount of school spirit and excitement that radiates from the students," says athlete Ashley Chase (11). Win or lose, the students of North enjoy coming together outside of school to celebrate with each other.

# Gleaming at Work

The students at North High put in the work outside of school too. Students have a wide variety of jobs, including lifeguarding, waitressing, and serving ice cream to restaurant workers to ice cream servers. Junior, Callum Riffle, said, "My favorite part of having a job is having something to do with my extra time while also getting paid for it, so I can save up for my future plans." These jobs help students strengthen their interpersonal skills, teamwork, self-management, and problem solving abilities.

Congratulations!

In what has seemed like the blink of an eye, 18 years have passed us by. There are no words to describe, the love we hold for you inside. The eternal amount of gratitude we have, for being chosen to be your mom and dad. All your 'firsts' are our 'lasts', and the time has flown by way too fast. As you prepare to start something new, never lose sight that we're here for you.

Believe in yourself, the way that we believe in you, and there truly isn't anything you cannot do.

Love, Mom and Dad

# Mackenzie Wiley

*Congratulations Mackenzie!*

*We couldn't be prouder of you in this moment. You and your friends have been through so much thanks to COVID and yet here you are! Once in the darkness, it's now time for you to step into the light and make the world a better place. We have watched you meet each challenge you were given in high school and overcome it in amazing ways. Your kindness to others will long be remembered by all you came into contact with. "Treat People With Kindness" Thanks for filling our lives with joy, laughter, and red-headed charm. Good luck at Ursuline and all that your future holds.*

*Love, Mom & Dad*

## WRITTEN IN THE STARS

WE CREATED THIS YEARBOOK FOR YOU!

Our staff tried to make sure that we have created an inclusive yearbook with as few mistakes as possible. If you have any concerns about the book, or recommendations for next year, please put them in writing, suggest a way to solve the problem, and bring them to the yearbook room. Please remember this yearbook is created by students for students. We try to make it great, but it is not a professional publication. Although we have made every attempt to make this an accurate account of the year, some errors are bound to occur. It is our hope that, as a student, you will share with staff members what you like about the book.

Thank you!  
Mrs. Fryman and the 2023 Yearbook Staff
