THEME: New Start Both North and South High School's yearbook will follow the same theme since both schools are getting a "new start" in a new building. The yearbook staff wanted a theme that would capture the unity between North and South instead of the rivalry that has existed for years. The points of the compass North and South represent not only the directions, but also the two high schools, and the West and East points represent Willoughby-Eastlake schools. Everything from the fonts, colors, titles, and interview questions were utilized to tie into the theme.

Onto a **New** Fandom

This year was a big adjustment for the 2020 seniors with their last year of highschool in a new building. Yet, they were able to adapt to the new while still keeping up old traditions. The seniors did their best to keep the Ranger-Nation pumped up and active. Although most students will be on their way to new school colors, orange and black will always hold a place in their hearts.

This is the first school year in the new state-of-the-art building. Along with the school, we also acquired new teachers: Miss Kennedy who teaches English, Mr. Shue who teaches Math, and Mr. Schneider who teaches Social Studies. With the new school, some of the phenomenal staff members have had to start sharing classrooms with each other.

Mr. Shue, McDonald, Mr. Deimert, and Mr. Schneider

How the Staff Stays Fresh Throughout the Year

"I take classes at the YMCA daily. I also partake in Zumba, cycling, or a cardio class. All of these help keep me relaxed during the year."

New Battles

This class of 2023 Rangers are the first freshman class in the new school. Lead by head coach, Patrick Kwiatkowski, this group of young men have faced a great deal of adversity this year from having minimal practice space, and having to play most of their games at the away opponents field because of our varsity's practice schedule, to finding teams to play due to a lack of freshman teams in our area. This is a great group of young men with a bright future in this program.

- 1 Alexander Vacha catching a pass over a defender.
- 2 Josiah Nguyen breaking off a big run for North's offense.
- 3 Curtis Thomas violently stiff arming a defender.
- 4 The freshman defense firing off the ball at the snap.
- 5 Michael Vacha dropping back to throw a pass.

Brendan Kuhse (9), Alexander Vacha (9), and Carmen Grassie (9)

The North girls soccer team completed their season under the direction of head coach Mark Wardeiner and assistant coaches Alan Wardeiner and Rich Elwell with a record of 3-12-3.

The girls competed with some of the top teams in the *News Herald* area, as well as teams that were ranked near the top overall in the state.

The girls enjoyed wins over Riverside, Brush, and Lakeside. Bridgette Karr had many outstanding saves in the goal. Lillie Washburn led the team in goals and Brooke Lombardo took on the role of free kicks doing an outstanding job. Although the team had many losses and many injured players, the team improved from the following years and they had an outstanding year together.

"During spirit week, on 80s day, I wore a flannel and I realized it was extremely comfortable. The rest of the week I wore flannels and my friends thought it was funny, so we turned it into a weekly event, naming it 'flannel friday.' While I am the one who started flannel friday, it would not nearly be as popular without Denis Ivancic."

Mackenzie,
Words cannot begin to describe how proud we are of who you are and everything you've accomplished. In what has felt like the blink of an eye, you went from being our baby to an amazing young woman. Close this chapter with fond memories, embrace the excitement of what's to come, but always remember to be present - the moment is yours and anything is possible when you believe in yourself - the way that we believe in you. Congratulations, we love you.
