A Day in the Life of Mr. Frei

N

A day in the life of a high school principal is often unpredictable. You start out with an agenda and a to-do list, and one emergency later you throw that out and roll with the punches. However, I can say this about my days - they are better when I get to spend time interacting with students. I love getting to talk with our students about how their classes are going and what their future plans are. I enjoy getting into classrooms to see students engaged in their learning. Some of my most productive days are when my calendar is free and I can just walk around the building observing. I know I'm biased, but I think we have the best students at North High School. I continue to be amazed at the kindness and compassion our students show each other on a daily basis. The last couple of years have been a struggle for most of us. So many times this year, students have come to me expressing concern for their classmates.

Rangers take care of each other, and it's one of my favorite things about being principal here. I know the future will hold it's own challenges, but as long as we stick together, we will come out better for it on the other side. The 2021-2022 school year might be in the books, but the memories will live on forever.

Go Rangers!

Sincerely,
Mr. Frei

A message from the president:

"Being Student Council President has been an absolute privilege. It makes me so happy that I could help contribute to making so many memories not only for myself but for many others. My favorite memory was helping organize and assemble everything for Homecoming. I hope to take the leadership skills that I obtained in student council to use later in life."

- Mark Soucek

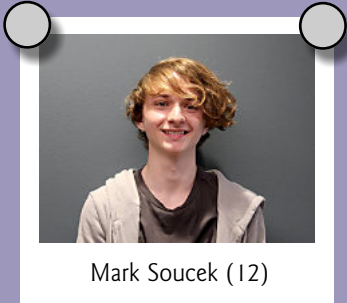

Student Council

This year the senior class student council worked hard to create a memorable spirit week and homecoming after Covid stopped these events from happening the year before. They also planned multiple blood drives here at North for students to participate in.

Mark Soucek (12)

Senior Class Council

The senior class council dedicated themselves this year to hosting fun events for the graduating seniors. They worked hard to plan the Prom Fashion Show, Prom, and the senior parade.

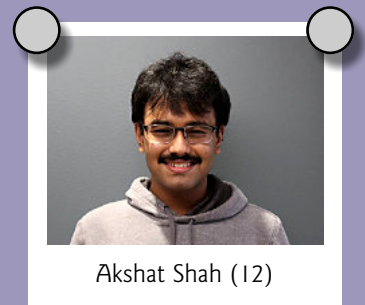

A message from the president:

"It has been an absolute honor to be Class President and to have the opportunity to bring to life all sorts of fun and important events for my class. I am very lucky that I had the privilege of working with such amazing classmates and teachers that inspired and encouraged me everyday. I hope everyone enjoys Prom!"

Sweet Life Of A

S E N I O R

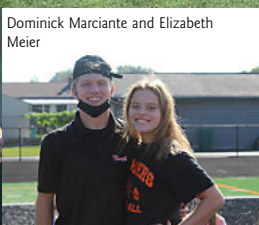

Class Of 2022

As a group of students who have faced nothing but adversity the past few years, the class of 2022 is finally inching their way back to normal for their senior year. With the return of Homecoming, sporting events, pep assemblies and more, school spirit is in full swing. The past four years everyone has made friends that they will never forget, so this year is about making as many memories as they can. The class of 2022 is excited to put everything into their last year at North!

SUPER SOPHOMORE

The Sophomores had a busy year with Homecoming and Friday night lights. The sophomores are getting involved with sports and showing school spirit now that the school year is back to normal. They are excited to be upperclassmen next year and rule the school! With their futures still undetermined, they are working hard for their future!

"My freshman year has been very eventful. I made a lot of new friends here at North. One of my favorite events that has happened in my freshman year was homecoming. I got to spend it with my best friends and my boyfriend. I cannot wait to see what my next year is going to look like for me."

-Bailey Licht

"Freshman year is amazing. I got into sports, and I love volleyball and all the people I played with. They are all really good people, and I am so glad I got the chance to play and make a lot of long term friends."

Forever A Ranger

This spring, the Ranger Family lost Jelena Grmaca. Although she was a freshman, Jelena left a lasting impression on everyone she encountered at North. She was resilient, kind, and dedicated. Despite everything she was going through, she still attended school and spent time with her close friends and family. We will always remember her smile and kind demeanor.

God saw you getting tired, and a cure was not to be. So he put his arms around you and whispered "Come to Me". With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.

"Jelena is such a kind caring soul. There is not enough words to describe how amazing she is. She meant a lot to me and others. She will always be with us."

The JV football team had dealt with major adversity throughout the season by dealing with a two game losing streak then heading up against Kenston on September 11th. The football team won within the last minutes of the game with a score of 20-14. The Rangers did a great job obtaining a win.

Student Agenda

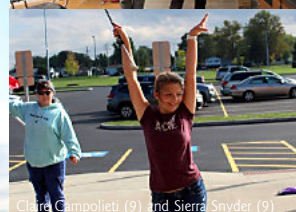

With the new marching band season underway, they learned several diverse skills and adapted to a new director. The band performed two different shows. The first show was Marvel-themed, which included the Avengers theme, Captain America, Spider-Man, and Iron Man. The second show was 80's themed and included "Livin' on a Prayer," "Jump," "Anyway You Want It," and "Mr. Roboto." Even though the band had a major staff change, everyone had a great season!

More Than a Game...

WE ARE NORTH!

"Funny," "Caring," "Nice," and "Strong." These words are used to describe Jelena Grmaca. On April 22, 2021, Jelena was diagnosed with a medical condition that made her not eligible to play volleyball for North. A couple of her teammates had something to say about the Jelena strong game and what it meant to them. "That game meant that we had to support her and just play for her. And I think that's why we won is because we put it all on the court for her," said Maya Schiciano (10). "I really think it was a great opportunity for her to have, it's the closest thing she can have to a volleyball season. Since she isn't in our shoes, I'm glad we got to put her in ours," said Ava Rados (9). All funds from the game went to Jelena and her family.

Journal Entry #68: Varsity Volleyball

Alison Schimmels (12)

Alexis Rowan (12)

Katie Alexander (12)

This year, senior night was a day packed with emotions. The gym and locker room was covered in orange and black as the Rangers celebrated their seniors. It was a great night for volleyball. Though, in the end, the Rangers fell to rival South, but these three girls are beyond thankful for what the entire program did for them that day.

The Moments we remember most

The above picture displays the girls cheering as Taylor Bard (10) scores the last point to win the Rangers the set. "When I got to go in for one of the first times ever on varsity, I was obviously very nervous, especially when it came to the game point. The nerves started to rise even more, but I gave it my all and I won us the set point! Having all of my teammates cheer for me was one of the best feelings ever," says Taylor Bard. Zoey LaRiccia (9) had a similar experience being a freshman who had the opportunity to play with varsity. LaRiccia says, "...all of the varsity girls were so comforting that I noticed there was nothing to be nervous about."

All Smiles

A Whole New Look

This year the Rangers had a new look out there on the court. They raised enough money through a golf outing to be matching from head to toe. They described this as "having swag." Along with this swag, these Rangers love blue razz slushees. This group really knows how to have a good time. Sophomore, Maya Schiciano, says, "I just loved the environment and everyone's energy with each other." The Rangers bond with one another seems to be a majority of these girls' favorite part of this past season. They did great working together and being all in, always.

On to the Next

Looking Forward

With the Rangers being such a young team, they have a lot to look forward to in the upcoming season. Ashleigh Mayne (11) is looking forward to next season as being a senior means she will be one of the biggest role models for her younger teammates. Madison Jablonski (11) is excited to watch the team grow since they were so young this year. She says, "Transferring here really has had a great positive impact on my life and these girls were a big reason." The Rangers had a team made up of more than half sophomores. Meaning they will likely have a large junior class next year. Having a team like this can be a big advantage, especially because these girls will be very used to playing with one another. Confidence and playing comfortably in stressful situations is a big advantage.

Dear Senior Diary
A word of advice from...

"Put in your all, always. There is no half decent reason to not."
Katie Alexander #12

"Live every moment and play every game like it's your last. It's over before you know it."
Alexis Rowan #6

"Make as many friends and memories as you can and cherish them because one day it'll all come to an end."
Alison Schimmels #3

Sophomore Spotlight ☆☆☆☆☆

"This year was a lot different than last for me. Being a freshman on varsity, I was extremely nervous. This year coach really pushed me to grow into more of a leader on the court and I felt more comfortable in my role."
Jaiden Anderson #11

"My first year on varsity was very exciting and challenging. It was a lot of hard work, but fun, and I loved all the friendships that I made during this season."
Ella Zappolla #1

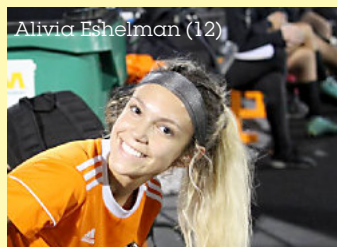

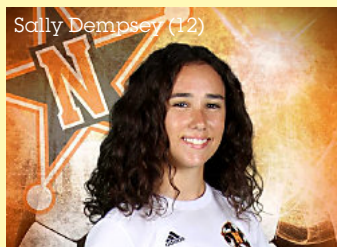

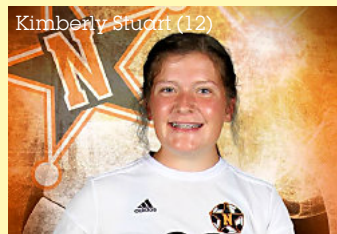

"My favorite part of this season was winning our first playoff game because we didn't last year and we knew we had the potential to go further. Also loved going to watch the college matches we did because it was a cool experience with a fun car ride."
Breonna Preston #2

"It was a great experience to be a main piece of the varsity team this year, especially being an underclassman. I felt challenged yet confident in my performance as the season progressed."
Cameron Welty #7

"The energy and intensity was very different from being on the Freshman team to Varsity. It was crazy to go against people who weren't as experienced to passing balls from people who are committed to college or even D1."
Samantha Cantrell #8

The Lady Rangers have the best record since 2015, with a record of 8-9-1. This includes beating South on senior night, which has not happened for the passed six years. They have put in a lot of work to turn around their dry spell of wins.

This year the varsity boys won 9 games, lost 8, and tied 2. The boys fought hard and had a five game winning streak against Chardon, Brecksville, Kenston, Geneva, and South. During this streak, there were 24 goals scored and only 3 goals conceded. This year the boys were able to overcome their past demise by beating the team who won the conference title last year. The season ended by a loss to Jackson (Massillon) but not without a fight. The game ended after a double overtime with a score of 2-3.

As an incoming senior on the golf team, I think...

"We have very high expectations about next season bringing all of our varsity players back for their senior season. We definitely have a chance to win the conference and even a possibility to advance in the state tournament. Connor, Tyler, Joey, Jacob, Steven, and myself will show the school how the rangers roll next season."

The athletic trainers work each day to learn new skills to help North athletes. The trainers learn how to tape ankles and wrists and how to provide first-aid in case of injury.

"This group of seniors is very special. They showed up every single day ready to work hard and have fun! There was no task too big or too small for them; they did it all with a smile on their faces. They brought a lot of fun to the sports medicine team too; we certainly laughed just as hard as we worked. We will miss them and their example greatly. Dear Diary,
 Today I got to know Ranger Rick...

Ranger Rick loves to attend all of the sporting events hosted at North. He loves spreading his school spirit and showing off his back flips to all of the Ranger students. He loves cheering on all the Ranger athletes. His favorite games to attend are when North plays South. He loves to make people smile and wear cowboy hats. His favorite color is orange. Some of his favorite people are Mr. Frei, Mr. Lyons, and Mr. Hertrick. Ranger Rick wants to bring joy and enthusiasm to North High for years to come!

Unmasking Rick...

Joseph Suster

Joey was Ranger Rick during 4th quarter at home games and at the North Vs. South game! His flips and dance moves made the crowd go wild at every game. His favorite memory from his time as Rick was the chaotic North Vs. South Football game.

Akshat Shah

Akshat was Ranger Rick during 1st quarter at home games, at the North Vs. South game, all pregame band marches, the North vs. South Pep Rally, and during in-school events. His favorite memory from his time as Rick was holding the name announcement sign upside down at the Pep Rally.

Madison Petric

Madi was Ranger Rick during the 2nd quarter at home games and at the North Vs. South game. She also went on Fox8 as Rick! Her favorite memory from her time as Rick was going on Fox8 and introducing the world to Ranger Rick.

Justin Samra

Justin was the Ranger Rick Manager, also known as "Mascot Mom." His favorite memory from his time as manager was facepalming into the ground when he saw Akshat holding the sign upside down at the Pep Rally.

A Message From our Leaders

Being a student section leader is an honor passed down each year from outgoing seniors to incoming seniors. Last year's leaders passed the tradition down to Josh Dill and Katie Alexander.

Josh and Katie have dedicated their own time to making the Student Section great for the 2022 Seniors, and also has set a good example for the underclassmen.

Josh and Katie are grateful to be Student Section leaders. Their favorite moment this year had to be defeating Brush for their Homecoming football game! Even though their time at North is coming to an end, North will always have a place in their heart! GO RANGERS!

The Lady Rangers completed their season under the guidance of head coach, Paul Force, and assistant coaches, Amanda Blazetic, Krystal Force, and Tim Klein. The team finished with a record of 18-3 during the regular season. The Lady Rangers became the 2022 Western Reserve Conference champions after a big win against Kenston on February 5, 2022. With 5 Rangers graduating this year, the underclassmen have some shoes to fill. Sydney Helm (11) stated, "Next season I'm excited to grow and create better relationships with my teammates. I'm looking forward to continuing to have fun and play hard for my senior year!"

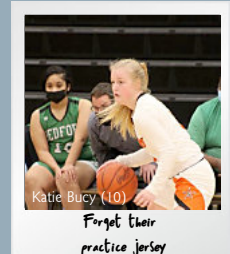

The Lady Rangers had some very memorable moments in the season, including their close win against Kenston on January 5 and their big rebound win against Mayfield after a tough loss to Riverside 4 days prior. The Lady Rangers were able to hold their annual Gray game after a year of absence. With the bake sale, Chinese auction, and fun games, the Rangers raised \$2,500 to donate to brain cancer research and awareness. The Lady Rangers finished the regular season enjoying the accomplishment of winning the conference with the tradition of cutting down the nets.

Today we beat South

The Lady Rangers took on South with the JV score of 48-16 and freshmen 45-25. The girls had various reactions over the Rebels. Emerson Hren (10) said, "I thought we played really; well the energy was insane, and overall this is probably the best we played so far." Grace Naro (9) said, "it was fun to play our rivals in high school and the gym definitely had a fun energy." Brynne Smith said, "the North vs. South game was pretty good. The North vs. South game was our highest score of the season so far, and we played great communicating and playing well together. We came out on top."

Summing up the Season

Alyssa McPeek (10)

"This season has been a huge step up from how last season went with all the craziness of Covid. I think each team gets along super well and I love all the girls I have the opportunity to play with and for."

"Through this exchange year, I had so many experiences. At first, of course, living without my parents was hard. I couldn't see my friends in Japan, but thanks to my host family and friends in America I'm having so much fun and having new experiences. Not only learning English, but also learning so many other things. I wanna enjoy the remaining three months."
-Ling Babasono

"My experience here at North High School has been amazing. Since my first day here everyone has been so nice and kind to me. I'm sure I won't forget all the beautiful people I've met here!"
-Giulia Malandrín

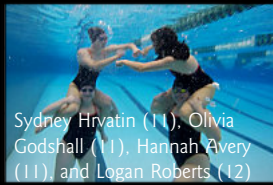

"I'd like to say that I've had a lot of fun and met a lot of wonderful people that I'm really going to miss when I go back home, but I'll always hope to come back and visit at some point in the future because it has been a big part of my life that I could never ever forget."

Helping our Community!

Selection for National Honor Society is based on four ideals: scholarship, leadership, service, and character.

Here are how some of the newest inductees have helped out around their community and embodied those very ideals.

"Through the opportunities I found via NHS, I participated in events that allowed me to help small, local businesses grow and better market themselves."

Jacqueline Gliha (11)

"Through NHS, I was able to help teach the Mascot Team different cheers and really help them start off their first performance on the right foot."

Abigael Snodgrass (12)

"I took advantage of NHS to serve my community through helping decorate for homecoming and helping to organize blood drives."

Mark Soucek (12)

-Anthony Palladino (12)

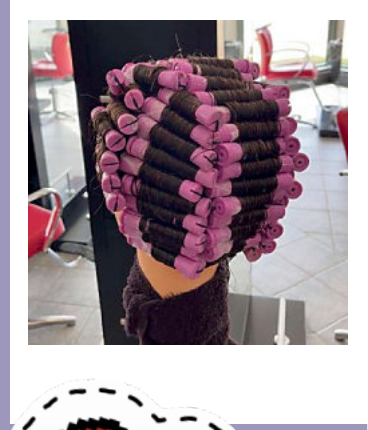

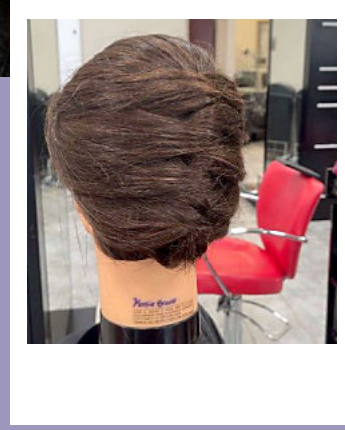

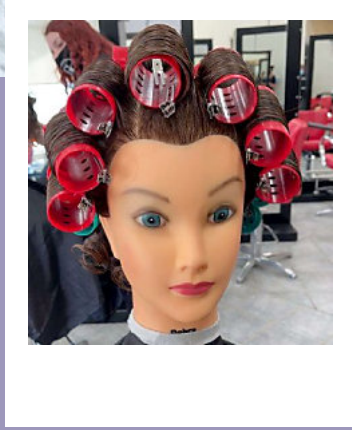

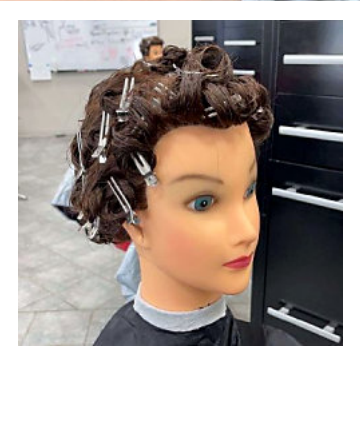

The Excel Tecc Welding program created a sign for the city of Eastlake. The sign was made of aluminum and was plasma cut by a CNC machine. Each student measured it and Tig welded it after bending each piece.

Kasie Brooks (12) and Kristen Harris (12)

Students get hands-on experience learning hair, nail, and skin care. The Cosmetology Course is designed to train the students in the basic manipulative skills, safety judgments, proper work habits, business skills and desirable attitudes necessary to obtain entry-level positions in the Cosmetology field.

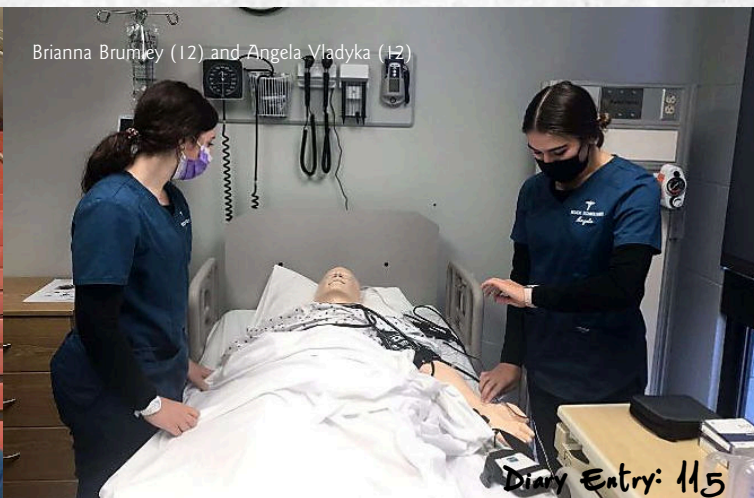

The Medical Technologies program prepares students with an interest in the medical professions. The development of the attitudes, practices, technical and academic skills necessary for employment in medical, allied health occupations and diagnostic treatment facilities is essential to the pursuits of post-secondary education.

A Blur of Yellow

The 2022 girls JV softball team almost went undefeated. Their overall record of the season was 15-1. The girls put up a good fight with only one loss to Riverside. These ladies gave it their all this season, and we can't wait to see what is in store for next year for the softball team.

Coach Matt said "My first year has been quite the whirlwind. It was unexpected to say the least, but my captains helped so much to ease me in. The entire team has been very supportive. There have been some ups and downs the same as any other coaching job, but I will always remember that were far more ups."

This year, North performed *Matilda!* Matilda is a girl with astonishing wit and intelligence. During her first semester at school, Matilda and her teacher, Miss Honey, have a heartfelt effect on each other. The school's headmistress, Miss Trunchbull, hates children and loves punishing those who don't follow her rules, but Matilda has courage and cleverness, which makes her a hero for her classmates! A huge thank you to the directors, Mrs. Isom and Sawyer Pastva (12); vocal director, Mrs. Levine; pit director, Mr. Czubaj; choreographers, Miss. Alison and Julianna Hopkins (11); stage managers, Alex Vitello (10) and Melissa Holv; and all the parent volunteers. The cast and crew worked extra hard to bring this show to life!

"Being the student director of Matilda gave me the creative opportunity to express myself on stage and off. It was a crazy adventure but I wouldn't change being able to have that chance for the world"
 -Sawyer Pastva (12)

Dear Diary,
 Today we got to parade down Main Street in Disney World! At 9 am, we stepped off and got to march in front of Cinderella's castle. We played our cadence, "Fight Song," "On Wisconsin," "Livin' on a Prayer" from our halftime show, and "Mickey Mouse March." We loved seeing our families and choir friends cheering us on. Thank you to our incredible band director, Mr. Sell, for putting this amazing trip together for us. It was an unforgettable experience!

Sincerely,
 The Marching Band

3/23/22

Dear Diary,
 Today we got to be Disney performers! We were given music by an actual performer to sight-read. We then got to professionally record the song! After, we added sound effects for the track. Next, we did a sight-reading of the solos and recorded those. Thank you to our choir director, Mrs. Levine, for planning this remarkable interaction for us.

Sincerely,
 The Choir Kids

My Favorite Memory at North was...

"Freshman year when the halls were all decorated and we had jail the teacher. We played volleyball in the gym all day and then we beat South that night!" Fiona Riedel (12)

"My favorite memory at North is spending time with friends, especially when they would force me to leave my house. Eventually it became less of them forcing me and more of me wanting to spend time with them." Phillip Hoang (12).

"My favorite memory at North was the last spirit week at the old North building, with all the streamers, and balloons. That was pretty cool." Gavin Carrig (12).

"My favorite memory at North was my last day at school and Prom." Giulia Malandrin (12)

Never a Dull Moment!

High School holds some of our most memorable moments and sadly, they're not all pretty. Sometimes we fail, sometimes we fail, but it all just makes our high school experiences that much better. Yearbook Class

This year, these students worked hard to make your 2021-2022 yearbook. Capturing picture after picture of all the most exciting events happening this year so everyone can remember the best parts of high school. Returning to this class are Joshua Dill, Hailee Tepley, Mackenzie Kelbach, and Lillie Washburn, who were very helpful to the rest of the class. Some of us chose this class for the photography, some for design, some for writing, but all of us are leaving this class with experiences and skills that will be key in our future lives. Not only does the yearbook that we create last forever, but the process of making it and working together impacts us for the rest of our lives.

Ranger Reflection

As the 2022 school year comes to a close, Carley Anders (10) says she enjoyed English class because of Mrs. Griesmer. This year she was proud of herself that she improved her grades as a sophomore by completing her work. Over the summer she will miss seeing her friends, and next school year she hopes to continue to improve her grades so she can have a higher GPA.

As Mr. Petschke reflected on the year, here is what he had to say: "This school year had so many great memories from coaching baseball again to seeing the class of 2022 move on, as they were the first class I watched grow from Freshmen to Seniors. They endured a tough four years of high school and I'm excited to see them move on and start their lives as adults. We also started a scholarship partnership and gave away \$10,000 to kids. Anything but a backpack day is one of the highlights of the year, from turtles to shopping carts, everyone had a blast."

As David Clawson (10) reflected on his school year, he remembered all of the good times, including the Homecoming football game where the stands were full, Mrs. Boerner's geometry class, Ja'Von in Biology class, and getting accepted to the Autobody Collision program for Excel TECC. This summer he will miss all of his teachers, but he is looking forward to returning in the fall and being a starter for North's basketball team.

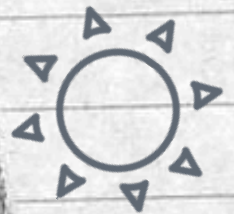

As Ed Balic (11) reflected on his junior year, he said he enjoyed playing football for North where he met new people and it gave him "something new to do." His goal this year was not to have to attend summer school, and he was proud that he accomplished this goal and can enjoy his summer. His favorite class was Mr. Giusto's English class, even though he liked all of his teachers this year, as well as having class with Carly Anders. His goal next year is to get his driver's license.

My favorite memory this year was...

My favorite class was...

Funniest moment was...

Goal I achieved...

I will miss...

Next year I hope to...
