## EXCEL TECC INTERVIEW DAY

Tenth graders who have applied to Excel TECC, we will be returning to Mayfield High School on January 16<sup>th</sup> for Interview Day. Students must have a signed permission slip to attend this event.

On January 15<sup>th</sup>, guidance will be providing a day of practice interview sessions. Please come down to guidance to reserve your time slot. Limited sessions are available. Do not miss this opportunity to put your best foot forward. In preparation for interviews, make sure you have a discussion with your student about the need to do the following: dress-up, do not have any earbuds in, silence your phone, make eye contact, shake hands, and prepare two questions to ask each instructor about their program.

## **COLLEGE CREDIT PLUS**

## **CALAMITY DAY PLAN FOR HIGH SCHOOLS ONLY**

As you are aware, when the beginning of the school year was delayed, we knew that we would have to create an action plan to prepare for possible calamity days. In addition to the delay, the shortened school year for seniors in May means that we have used all of our allotted calamity days for this year. The following schedule highlights how we will make up all subsequent calamity days for the remainder of the year:

- We have one day “in the bank” from the November PD Day.
- On January 17, 2020, instead of having another PD Day, the high schools will have a normal school day. This will put a second day “in the bank.”
- President’s Day, February 17, 2020, will also be a regular school day for the high schools. This will put a third day “in the bank.”
- Monday, April 13, 2020, is a comp day. We will run a normal school day for staff and students at the high schools ONLY if we have used a fourth calamity day between now and then. If we need to make up additional calamity days beyond the four mentioned above, we will make up calamity days five through seven on May 13th , 14th and 15th in that order. Since school is already in session on those days, the make-up days will be for seniors because they will miss additional days at the end of the year

## **BUILDING ACCESS AFTER SCHOOL**

Students need to leave the building by 3:00 PM unless a staff member (extra help, making up a test, disciplinary reason, etc) is supervising them. We do not have the capability to provide supervision for students after that time. If a student is planning to attend a sporting event in the evening, he or she needs to leave and return. Our winter sporting events won’t begin until 6:30 PM during the week.

## VOTER REGISTRATION

On March 17, 2020, Willoughby-Eastlake City Schools will place a 4.99 mill Emergency Operating Levy on the ballot (**SEE ATTACHMENT**). If passed, the funds generated by this levy will be used for general operating expenses, will support daily classroom instruction and assist to support several athletic and non-athletic supplementals. As you know, the district has had to implement several cost saving measures during the past months and these cuts have deeply impacted our students. If the March levy passes, the district will have an opportunity to review items that they may be able to reinstate. If you are not registered to vote, please consider registering. You can do so electronically by following the instructions here: <https://olvr.ohiosos.gov/>

## WINTER SPORTS SPECTATOR EXPECTATIONS

We would like to take this opportunity to remind the Ranger community that we have a high regard for the positive support we receive within our district at our sporting events both at home and on the road. As we enter more confined spaces during the winter season, negative spectator behavior can become more recognizable to those around you at an event. Such behavior is not only disrespectful to hardworking officials and coaches but also tarnishes the reputation of North as a first class school and sets a poor example for our students, negatively impacting their experience.

We would like to stress the importance of acting with great sportsmanship and respecting all of those who invest their time in the great endeavor that is high school sports. Let us focus on this ideal and make our attitude and behavior at our sporting events a point of pride.

As members of the Western Reserve Conference, we have collectively spent time recently enhancing our focus on sportsmanship. Before each contest the following message is read;

# NORTH NOTES

January 10, 2020

---

please take a moment to review it and remember it the next time you are tempted to allow negative emotions and thoughts to affect your interactions with those around you at our athletic contests.

*In order to make today's contest as enjoyable as possible, please represent your school and community in a positive and respectful manner. That means follow the rules, speak and act responsibly, and show courtesy and respect for your fellow fans, the officials and coaches, the administrators and authority figures and, of course, your team and opponents. Let's make today's contest great by remembering to RESPECT THE GAME!*

## **COMMUNITY ACTIVITIES**

Are you interested in the youth programs offered by the local libraries, parks and recreation departments or other upcoming community activities? Are you looking for athletic leagues or scouting troops for your students? Information from approved organizations who host activities for Willoughby-Eastlake youth are now posted electronically. Paper flyers are no longer sent home with students. To access the flyers, visit COMMUNITY link on the district and building website pages <http://www.weschools.org/CommunityActivities.aspx> For specific information about the events, you need to contact the sponsoring organization. Flyers are updated periodically during the month so remember to visit often to check for new postings!
