Students must wear a mask when exiting the car and line up until the bell rings. At the bell, children will enter the building using different doors and go directly to their classrooms.

Arrival/Bus - Students will exit their buses. Students must wear a mask and line up according to grade level until the bell rings. At bell, children go directly to their classrooms.

Breakfast - Students getting breakfast will enter the building immediately. They will not wait in line outside the building. Their temperature will be taken and hand sanitizer will be available before entering the lunchroom.

Y-Care - No parents will be permitted in the building. Y-Care staff will meet students at the cars and take their temperature before entering the building.

STUDENT DISMISSAL:

All students will remain in the classroom at dismissal. We will begin dismissal at 2:40 PM.

Dismissal/Bus - As buses arrive, bus numbers will be announced. Students will then proceed directly to the bus. Students must wear masks.

Dismissal/Parent pick up - Car tags will be distributed to all parents picking up students. The tag will have the students' last name on it. Tags **MUST** be visible for ease of dismissal. Students will be called over the announcements as they arrive. The students will be immediately dismissed from their classrooms. They will exit the building through the courtyard doors to the rear of the building. There will be two lanes of cars in order to load as many cars as possible. These will be identified using cones.

PLEASE DO NOT USE THE GRAVEL LOT! We will not be using that side of the building, and students will not be permitted to walk there. Thank you for your help with this.

Y-Care - Parents will call the latchkey office upon arrival. A Y-Care staff member will release the child to the car.
