You must be at least 15 years old and pass a swimming prerequisite skills test on the first day of class. Price includes CPR mask, 2 year Lifeguard, First Aid and CPR/AED certifications. You must attend every session at the times listed. Attendance in the course does not guarantee lifeguard certification or employment. Candidates must pass written and practical exams. Seven hours of online learning must be completed prior to the first day of class.

Students will be required to wear a face mask properly at all times with the exception of being in the water. Participants will be grouped in "Pods" and when close contact is required they will practice skills only with the students within the same "Pod" they are assigned to.
