

Summer School Updates

Summer Learning Camp is for students in kindergarten through eighth grade for academic intervention. This year the camp will be held July 5 – July 29 at Grant Elementary School. Students will receive instruction in reading and mathematics. The program operates from 9 a.m. to 2 p.m. and before and after school care is available through the YMCA. Students who are identified as at-risk in reading and mathematics will receive an invitation to attend summer school during the month of May. Summer Learning Camp is designed for students working below grade level.

The Secondary Summer School program will be at South High School. For students who still need to pass the Ohio Graduation Tests (OGT), a review week of intervention is required prior to testing. OGT Review Week will be June 6 – 10, and OGT Testing will take place June 13-17. The summer school online credit recovery program runs from June 7 – July 8. More details will be shared soon and will be posted on the websites for both North and South High Schools, as well as the district website.
