

WILLOUGHBY-EASTLAKE CITY SCHOOLS

CODE OF CONDUCT

Code of Student Conduct

The educational purpose of the school is paramount; behavior of any kind, symbolic or otherwise, is to be limited to prevent disruption of that purpose. Studies of effective schools have shown that reasonable discipline is essential to maintaining a school environment conducive to learning. Willoughby-Eastlake Schools use positive behavior supports to promote positive academic and social behaviors. This Code specifies activities which may subject a student to consequences including, but not limited to suspension, expulsion or other removal from the schools, and sets forth the procedures which must be followed in imposing such discipline.

No student is to be removed, suspended out-of-school, expelled and/or permanently excluded unless his/her behavior represents misconduct as specified in the Student Code of Conduct/Student Discipline Code approved by the Board. The Code shall also specify the procedures to be followed by school officials when implementing such discipline. In addition to the procedural safeguards and definitions set forth in this policy and the student/parent handbook, additional procedures and considerations shall apply to students identified as disabled under the IDEA, ADA, and/or Section 504 of the Rehabilitation Act of 1973. (See Policy 5605 "Suspension/Expulsion of Disabled Students.")

Students may be subject to discipline for violation of the Student Code of Conduct/Student Discipline Code even if that conduct occurs on property not owned or controlled by the Board but where such conduct is connected to activities or incidents that have occurred on property owned or controlled by the Board, or conduct that, regardless of where it occurs, is directed at a District official or employee, or the property of such official or employee.

For purposes of this policy and the Student Code of Conduct/Student Discipline Code, the following shall apply:

"Emergency removal" shall be the exclusion of a student who poses a continuing danger to District property or persons in the District or whose behavior presents an on-going threat of disrupting the educational process provided by the District. (See Policy 5610.03 "Emergency Removal")

"Suspension" shall be the temporary exclusion of a student by the Superintendent, principal, assistant principal, or any other administrator from the District's instructional program for a period not to exceed ten (10) school days. Suspension may extend beyond the current school year, if at the time a suspension is imposed, fewer than ten (10) days remain in the school year. The Superintendent may apply any or all of the period of suspension to the following year. The procedures for suspension are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights".

"Expulsion" shall be the exclusion of a student from the schools of this District for a period not to exceed the greater of eighty (80) school days or the number of school days remaining in a semester or term in which the incident that gives rise to the expulsion takes place or for one (1) year as specifically provided in this policy and the Student Code of Conduct/Student Discipline Code. Only the Superintendent may expel a student. The procedures for expulsion are set forth in the Student Code of Conduct/Student Discipline Code and Board Policy 5611 "Due Process Rights".

Suspension, expulsion, or removal from school results in an unexcused period of absence from regular classes. During this time, the student (if he/she is 18 years of age or older) and/or the parents, guardian or custodian are responsible for the conduct of the individual. While suspended, expelled or removed from school under this policy, students are not permitted to attend curricular or extracurricular activities. If a student is removed only from a particular class or activity, he/she may not attend that class or participate in that activity for the duration of the removal.

The Board of Education recognizes that exclusion from the educational program of the schools, whether by emergency removal, out-of-school suspension, expulsion, or permanent exclusion, is the most severe sanction that can be imposed on a student in this District, and one that cannot be imposed without due process. However, the Board has zero tolerance of violent, disruptive or inappropriate behavior by its students.

Disciplinary Consequences Applied by Administration

The administration of Willoughby-Eastlake Schools may implement the following corrective actions based upon the specified range of consequences and administrative discretion:

- Conference with student and/or parent
- Parent/Guardian contact
- Emergency removal from class, school, activity or transportation
- Restriction, modification, or removal as a spectator or participant in any extracurricular activity or school event, including away activities
- Confiscation, restitution, restoration, replacement, repair, clean-up

- Suspension (up to 10 school days)
- Recommendation for expulsion (11-80 school days)

- Referral to Juvenile Court, police or fire department

Disciplinary Procedures

Consequences may or may not be applied in the order in which they are listed above. An administrator has the authority to apply any consequence or combination of consequences for any rule violation after he/she:

- Conducts an informal hearing (due process)
- Reviews the Code of Conduct violation (circumstance and fact)
- Reviews the student's history of school behavior and educational background

Mandatory Conference

Upon return or reinstatement to school from expulsion and/or suspension; a parent, guardian, or custodian may be required to be present with the student for a re-entry conference with an administrator.

Legal Requirements

Child Abuse/Neglect

State law requires school personnel to report a known or suspected case of child abuse or neglect to police or county authorities. Once reported, a known or suspected case of abuse or neglect must be investigated. An investigating agent has authority to interview a student on the school premises.

Curfew

Local law addresses curfew for any person under 18 years of age. While under suspension or expulsion, a student is expected to remain at home or in a domicile provided by the parent/guardian, and to remain off public or private property unless employed with an Age and Schooling Certificate work permit issued by the Willoughby-Eastlake Board of Education.

Search and Seizure

Lockers, and other areas for storage, supplied by the school and used by the students are the property of the Board of Education. Therefore, student lockers and the contents of the lockers are subject to random search at any time by school administration without regard to whether there is a reasonable suspicion that any locker or its contents contains evidence of a violation of a school rule or criminal statute. Random searches of lockers may include the assistance of dogs trained to detect the presence of drugs or other items that may be considered dangerous or illegal.

Search of a student and his/her possessions, may be conducted at any time the student is under the jurisdiction of the Board of Education. If there is a reasonable suspicion that the student is in violation of school rules, a search may also be conducted with an administrator to protect the safety of self and others.

Any students who exercises the privilege of parking an automobile on school grounds shall be considered to have given implied consent to search such automobile at any time a search is requested

by school administration. Failure to comply with a reasonable search will be considered insubordination.

CCTV Surveillance

The interior and exterior of Willoughby-Eastlake Schools, and transportation, are under electronic surveillance. A recording may be used as evidence by administrators, security, or police in any situation involving the violation of any rule, regulation, policy or law. Privacy considerations and other factors prevent school officials from sharing surveillance media with parents, students or members of the general public.

Consequences for Unlawful Conduct

Some forms of conduct are violations of local, state or federal laws. If such conduct poses a clear and present danger to the health, safety or welfare of other persons or interferes with the orderly operation of school, disciplinary action may include additional action taken by Juvenile, Civil or Criminal Court.
