Dear Parents or Guardians:

The "Ready, Set, Read!" program is an opportunity for struggling readers in grades 1 – 3 to work with current and retired teachers and other volunteers to try to improve, not only their basic reading skills, but also reading comprehension skills. Our Eastlake, Willoughby and Willowick libraries will be featuring this program during the summer of 2018.

It will begin on June 18, 2018 and will run through July 24, 2018 at our Eastlake and Willowick Libraries. It will be held on Monday evenings at the Eastlake Library from 6:30 pm to 7:30 pm. Willowick will have it on Tuesday afternoons from 2:30 pm to 3:30 pm. Willoughby Library will have the program on Monday afternoons from 2:30 PM to 3:30 pm from June 5th through July 10th. The program will feature 20 minutes of reading aloud to a volunteer, followed by a nutritious snack and a group activity to reinforce the themed topic.

If you feel that your son/daughter might benefit from this program, please contact the library you'd like to attend the program at to sign up or you can sign up online at <https://we247.org/>. To ensure that we have enough volunteers, supplies and snacks, all participating students *must* register for the program.

We are so pleased to provide this opportunity for the students and volunteers and hope that you find this to be an easy-going way to help improve your child's reading skills. If you have any questions about the program, feel free to email me at colleen.kelly@welibrary.info.

Sincerely,

Ms. Colleen Kelly, MATLT, MAED
